IV DAILY PROCEEDINGS

Clergy Session

Thursday, June 1, 2023 – 8:45 a.m.

Dayton Convention Center, Dayton, OH

The Clergy Session opened with words of welcome from Bishop Gregory V. Palmer, who called the session to order.

Rev. Meshach Kanyion, Vice Chair of the Board of Ordained Ministry led the body in a time of worship.

Bishop Palmer introduced Rev. Dr. Suzanne Allen, Chair of the Board of Ordained Ministry, the facilitator of the business agenda for the clergy session.

BAC Preparations

Rev. Suzanne Allen shared introductory and informational items related to the privilege of voting rights at Clergy Session and how to address questions.

The first motion of the Clergy Session was to allow clergy guests to be admitted to the Clergy Session without voice or vote: this means that the Episcopal Office, Annual Conference Secretary, Office of Ministry Staff, Communications Department, GNTV Staff, and West Ohio Conference Staff be admitted to the Clergy Session to support the work of the Board of Ordained Ministry. The bar was set for all those permitted to participate, and for the Office of Ministry to make necessary changes to perfect the BAC for inclusion in the Conference Journal. The vote was taken by a show of hands, and the motion carried by a majority of those voting.

The second recommendation was that votes be combined by category as listed on the agenda, and that the vote threshold for all combined categories be taken at the highest threshold. The vote was taken by a show of hands, and the motion carried with a majority of those voting.

Business of the Annual Conference

As the session moved through the BAC, it was noted the names of some persons whose status change request had already been approved in the special clergy session in November 2022. These individuals are included in this year's BAC/minutes as a reference for our work, so that we will have a complete record of this year's work in the Conference Journal.

Rev. Calvin Alston, Dean of the Cabinet, was introduced and affirmed "With the leading of the Holy Spirit, yes!" to question 13.

Rev. Dr. Allen shared the members listed in #14a, 14b and 14c for information only.

For information only, Rev. Dr. Allen shared the list of Candidates in BAC #15a, 15b, 15c as well as those who have completed studies for license as a local pastor in #16.

BAC # 17a and b, those approved as full(a) and part-time(b) local pastors and BAC #19, those reinstated as local pastors were taken together as a combined vote requiring a three-quarters majority. The vote passed by a hand vote.

BAC #21 and #22 were taken together for a combined vote. BAC #21 includes those clergy in good standing in other denominations who have been approved to serve within the Annual Conference while retaining their denominational affiliation and BAC #22 identifies affiliate members. The vote was taken by a showing of hands, and the motion carried with a majority of those voting.

The Clergy Session moved into the election of members of the annual conference.

BAC #24a and 24b identifies provisional deacons and elders. A three quarters majority vote is required and was sustained by a hand vote that clearly exceeded the threshold required. Congratulations and a prayer of blessing were extended by Bishop Palmer and the Clergy Session.

BAC #28a and 28b identifies those to be elected as members into full connection. Included in a combined vote are also BAC #29a, those to be ordained as deacons after provisional membership and BAC #30a, those to be ordained as elders after provisional membership. A three quarters majority vote is required for these combined categories and was sustained by a hand vote that clearly exceeded the threshold required. Congratulations and a prayer of blessing were extended by Bishop Palmer and the Clergy Session responded with enthusiastic applause.

Additional Business of Clergy Session

Rev. Therese Lehman, Chair of the Conference Relations Committee led us in the next section of questions.

BAC #32 asks who are readmitted? A two-thirds majority vote is required and was sustained by a hand vote.

BAC 38b include those who discontinued as provisional members by voluntary discontinuance. A majority vote was sustained by hand.

BAC #41 identifies those who are honorably located and their orders terminated. The vote carried by hand with a majority.

Rev. Rachel Miller joined Rev. Allen for BAC #42a and 42b. The names of those who have had their conference membership terminated by a) withdrawal to unite with another denomination, or b) by withdrawal from the ministerial office were read with Rev. Allen sharing the names of the elders and Rev. Miller sharing the names of the Deacons. A majority vote was required and sustained by hand vote.

Rev. Lehman continued with BAC #46-48. These items identify members who are on leave of absence (BAC #46a.1-5) and those granted medical leave (BAC #48). These questions were taken together requiring a two-thirds majority vote. The vote was carried by hand.

Recognition of Retirees

Rev. Suzanne Allen presented BAC #49 to 51 which identifies those members in full connection, associate members and local pastors who are moving into the retired relationship. There are 1,901 years of ministry represented by those moving into retirement. The vote carried visually by large majority of hands surpassing the threshold. Bishop Palmer led us in prayer for all those moving into the retired relationship.

Certification

Rev. Rachel Miller shared information related to BAC #53 – candidates in process for certification in specialized ministry, BAC #58 – those certified as lay ministers and BAC #64 – diaconal ministers granted extended leave.

Appointments, Concluding Business, Roll Call of the Victorious and Episcopal Remarks

BAC #67a and 67b were presented by Rev. Suzanne Allen. BAC #67a lists associate members, provisional or full elders who have been approved for less than full time service, designating less than or more than 8 years. BAC #67 b listed deacons who have been approved for less than full time service. The questions were combined for one vote requiring a three-quarters majority for passage. The questions were carried by hand vote.

BAC #69 identifies what changes have been made in appointments since the last Annual Conference session. The listing of appointment changes will be provided on Saturday, June 3, 2023, as a separate attachment when appointments are fixed by Bishop Palmer and the Cabinet.

Rev. Karen Cook, the chair of Extension Ministries, presented BAC #71 – those elders, associate members and local pastors appointed to extension ministries for the ensuing year. A majority vote was required and sustained by hand vote.

Clergy Session moved into the Roll Call of the Victorious with Rev. Cook inviting us to join in the hymn, “Great is Thy Faithfulness.” Ms. Christine Clough, conference secretary, read the names listed in BAC# 44 of colleagues who passed away since the end of the 2022 Annual Conference Session. Bishop Palmer led us in prayer for those deceased colleagues as well as their families and friends.

BAC #72, #75 and #76 include various points of information that we were encouraged to note, especially that the date of our next special session of Annual Conference is scheduled to take place on Oct. 28, 2023.

Rev. Kim Armentrout (ORV) raised a question as to why a clergy member on Honorable Location was not named among the retired Elders. Rev. Donnetta Peaks responded that due to having Honorable Location status, she was mentioned earlier in the session (BAC #39 and #40), but those on Honorable Location are not members of the West Ohio Conference.

Bishop Greg Palmer closed our Clergy Session with thanks for the Board of Ministry, announcements, final remarks and a blessing through music.

Clergy Session adjourned at 10:00 a.m.

Laity Session

Thursday, June 1, 2023

Dayton Convention Center, Dayton Ohio

The 2023 West Ohio Conference Laity Session opened with introductory remarks from the Conference Co-Lay Leaders, Shannon Spencer and Mitchell Harper. Ms. Spencer and Mr. Mitchell offered opening remarks and provided logistical information to the members of the laity session.

Ms. Julie Carter, Director of Faith Formation and Lay Servant Ministries, introduced Ms. Bobbie Ruddock of Clifton UMC (Great Miami River District). Ms. Ruddock will be commissioned as a Deaconess during the Friday, June 2, 2023 morning worship service celebrating mission. Ms. Ruddock offered the opening prayer for the Laity Session.

Bishop Gregory Palmer was welcomed and provided some opening words of encouragement for the lay members of the Annual Conference. Bishop Palmer expressed gratitude for the Sunday School teachers and lay members of the churches of his youth who taught him about how to follow Jesus. He exhorted the gathering to not say: "I am just . . . a Sunday School teacher, an usher, a communion steward, etc." Instead as a lay person say, "I serve Jesus Christ . . ." and name the ways we serve Jesus in our local churches, families and communities.

The Laity Session continued with a collaborative activity facilitated by Julie Carter. The exercise, Creation Devino, is a guided practice entailing collaboration, ideation, and conversation. Each table in the meeting space was provided with a brown bag with a "guidance card," canvas and oil pastels. Individuals and groups were encouraged to consider various questions and use the materials provided to create physical representations of the "Committed Community." Work was completed in phases with questions presented to begin and embellish the cooperative creative work. The following questions were presented: What might a Committed Connected Community look like? Where do I see hope in the community around me? Is my community ready to be committed? How do I know my community is ready? Mitchell Harper closed the Creative Devino Session with words to affirm the responses, reactions, and feelings of the Creative Devino.

Ms. Kathy Moore, Director of Lay Servant Ministries presented information about Lay Servant Ministries. She described lay servant ministries as the call of God in places, sermons, and the words of others. We can ask ourselves – what am I passionate about – what are my gifts? Lay Servants throughout the West Ohio Conference are working together within the various districts for the "main thing" – making disciples of Jesus Christ for the transformation of the world. Ms. Moore provided avenues for those lay members present to get more information about Lay Servant Ministries.

Reverend Justin Williams helped to close the Laity Session by leading a song. We participated in a closing prayer and the Laity Session was adjourned at 12:06 for the lunch break.

Opening Worship

West Ohio Annual Conference

Thursday, June 1, 2023

Dayton Convention Center, Dayton Ohio

The opening Worship Service of the 54th Session of the West Ohio Annual Conference began at 1:30 p.m.

Reverend Justin Williams welcomed the full session of the West Ohio Annual Conference. Rev. Williams introduced the house band and invited the congregation to join the band with the song "All Are Welcome." A responsive reading of Psalm 121 was presented by Rev. Kimma Cunningham and Ms. Shannon Spencer, followed by the song "Prayers for the People: For All Who Labour" offered by the House Band. Rev. Darryl Fairchild read the theme scripture: Hebrews 10:23 to 25. The congregational hymn "O For A Thousand Tongues to Sing" was accompanied by the House Band. To complete the opening worship service, Rev. Fairchild led the congregation in exchanging signs of peace.

Bishop Palmer's Words of Welcome and Opening Motions

Bishop Palmer opened the Annual Conference session with words of welcome to the members present. He thanked Rev. Justin Williams, the chair of the Annual Conference Worship Committee and all the leaders of the opening worship service, including the House Band.

Bishop Palmer introduced the Annual Conference Secretary, Chris Clough, who presented the opening motions to set the bar for voting during the Annual Conference Session and nominated Rob Hazlett, Walt Jeffreys, Lynda Lockwood, Rachel Miller and Steve Putka to serve as the secretarial staff. The opening motions were approved via hand vote by a majority of those present.

Bishop Palmer offered words of exhortation for engaging in holy conferencing. He beseeched the Holy Spirit for help in doing the absolute best work that we can during the Annual Conference session. The Bishop asked us to resist in engaging in attacks. We're all tempted to have thoughts that may tempt us to say things that we would later regret. It is beneath the gospel to engage in attacks on one another. These words should guide us through the Annual Conference.

Words of greeting from Dayton were offered to the members of the Annual Conference session from Rev Dr. Crystal Walker, director of sales for the Dayton Montgomery Convention Bureau. She thanked Bishop Palmer for bringing the Annual Conference Session to Dayton. Rev. Walker introduced Rev. Darryl Fairchild, a clergy member of the Annual Conference who is also a Dayton City Commissioner. Rev. Fairchild presented a proclamation from the City of Dayton to Rev. Linda Middelberg. Members of the Annual Conference Session were invited to participate in events near the Convention Center in the evening.

Rev. Dr. Charles Yoost, Lakeside Chautauqua's Senior Director of Religious Life and Pastoral Care offered words of greeting from Lakeside Chautauqua. Rev. Yoost discussed historical information about Lakeside and its 150th anniversary that will be celebrated throughout the season. He invited members of the Annual Conference to visit Lakeside and mentioned several opportunities particularly designed for clergy members.

Teaching Session

2:15 p.m. Thursday, June 1

Reba Collins, Community Engagement Coordinator, All In Community

Bishop Palmer introduced Ms. Reba Collins to the members of the Annual Conference as the spiritual teacher for the session. Bishop Palmer offered his high regard of Ms. Collins as one his and our most important ministry partners, he commended her trait as a person who listens deeply when in conversation with another, and who thinks restoratively as a person who believes in a God of Grace who can redeem any of us through the life and example of Jesus Christ.

The theme of Ms. Collins' presentation is "It Only Takes Two to Create Community." For slightly more than an hour, Ms. Collins led a teaching session about how to move from disconnection to connection with spiritual guidance, psychological study and audience participation exercises. Ms. Collins greeted the members of the Annual Conference with the words "It is good to see you all. It is good to be in your presence. It is a blessing to be in your presence." Her goals for the session included: 1) that we would be able to say these words to one another, and 2) that using those words we would be able to express our connections with one another. We should hold to Jesus' promise to us that where two or three gathered in Jesus' name, he is present.

Some of the learnings from this session:

- For the past three years we have been disconnected from one another – primarily driven by the COVID 19 pandemic and disconnection has been experienced through, distance from one another, decisions made by others, death, disaffiliation of United Methodist congregations, and disruptions in the normal practices, group gatherings, family and community interactions.
- We've experienced disconnecting emotions: "Dis smell" – people and situations that we find unpleasant to be around, fear and terror, anger and rage, stress and anguish, and humiliation and shame.
- It is possible to disrupt disconnection. It takes 4 seconds to disconnect, but 90 seconds to establish connection. We can disrupt connection by showing excitement and interest in others, and by acknowledging with joy others we want to connect with. Joy is the hallmark of our life with Jesus and with each other.
- We need to engage in mutual signs of seeing, hearing and valuing one another.

Ms. Collins established the relationship between the theme scripture of the Annual Conference and the outcomes of re-connection which are substance and strength. The writer of Hebrews knew that connections and community generate strength and substance. Community and connection are mission critical - we must be able to work together to achieve our mission of making disciples for Jesus Christ for the transformation of the world.

Ms. Collins closed with words of prayer from Thomas Merton.

Rules Committee Recommendation 1 – Changes to Structure, Procedure and Rules – annual Conference Rules and Policies

Rev. Brian Gath

Rev. Brian Gath introduced and moved for passage Recommendation 1 found on pages 49 to 74 of the Book of Reports. Rev. Gath indicated that the rules are in good shape. Each time the title "United Methodist Women" occurs it has been changed to "United Women in Faith," and similarly, "Lay Speaking Ministries" was changed to "Lay Servant Ministries" each time that title appears in the Rules document. One addition was made to formally name the Officers of the Annual Conference in the Rules document – new General Rule 1.a. This is not a change to the officers; it is adding the list formally to the Rules document.

The Recommendation was approved as presented by a majority hand vote.

Rev. Gath continued with a motion to suspend the rules to care for the budget at a special session of the Annual Conference to be held on October 28, 2023. Normally, the budget is presented on the first day of the Annual Conference Session. Rev. Gath indicated

that the Council on Finance and Administration (CFA) will be better prepared to present a realistic budget after we are further into the disaffiliation process. Suspension of the rules requires a 2/3 vote, and the motion carried with the required majority by hand vote.

A short break followed the vote to suspend the rules.

Connectional Table

Tom Hoffman

Tom Hoffman provided a brief update on the work of the Connectional Table. This included an update on the “Light the Way” campaign which has raised \$7.5 million dollars. Through the giving to this campaign the West Ohio Conference has 2,000 worshipping attendees in the new churches started with the help of these funds.

The Connectional Table meets quarterly to accomplish the work of the committee:

- Identifying long-term goals
- Establishing a process to monitor medium and long-term goals.
- Ensures that there is horizontal collaboration for and with West Ohio Conference resources.
- Working with a survey whose results will show the current state of the West Ohio Conference.

Council on Finance and Administration Report

Rev. Paula Stewart

Rev. Paula Stewart delivered a report on behalf of the Council on Finance and Administration (CFA). Rev. Stewart indicated that the disaffiliation process for churches throughout 2022 and 2023 has broadly informed the work of the CFA over the last year. The CFA is grateful to Bishop Palmer for his intent in calling a special session of the Annual Conference in the Fall to allow additional time to formulate and present a meaningful budget for 2024. Rev. Stewart reported that an “outstanding” audit report of the West Ohio Conference’s finances was received. Finally, Rev. Stewart recognized the purposeful and excellent work of the Conference CFO, Bill Brownson, and full conference financial staff led by Linda Russo. Their work is invaluable to the Council. Rev. Stewart’s full report can be found on pages 31-32 of the Book of Reports.

Chief Financial Officer Report

Mr. Bill Brownson

Mr. Brownson offered highlights of the financial position of the West Ohio Annual Conference. The Conference balance sheet is strong, and that will allow the Conference to move smartly into the forward with enough resources to fulfill our mission well into the future. Disaffiliations of churches has impacted cash flow positively due to the collection of \$17 million in recovered apportionments from the disaffiliating churches – about \$8 million of which has gone to Board of Pension and Health for future unfunded pension liabilities. Disaffiliations also contributed to West Ohio’s support of the General Church at about 94% of what was apportioned, including 100% payment to several of the General Church Funds.

The payout rate of continuing churches is 71%, which is higher than the pre-disaffiliation rate. This is a key figure to watch going forward as churches remaining as United Methodist should have higher payout rates, which will lower the burden on churches paying 100% of apportionments. Although resources from apportionments could be reduced by as much as 30%, the Conference has enough resources to fund our mission and ministry without apportionment increases on remaining churches – Mr. Brownson emphasized that the total apportioned to local churches in the West Ohio Conference will not increase because of disaffiliations.

The CFA will be working diligently on the 2024 budget to be presented at the Fall Special Annual Conference session. The Book of Reports provides financial information for 2021, 2022 and 2023 budgets that can be referenced as needed by members of the Annual Conference. Mr. Brownson indicated that his contact information is in the Book of Reports, and he is open to receiving questions over the next couple of days of the Annual Conference Session. The full CFO report can be found on pages 22 and 23 of the Book of Reports, with the 2021, 2022 and 2023 budget information available on pages 24 to 30.

Preliminary Nominations Report

Rev. Cecil Thompson

Rev. Thompson provided the preliminary nominations report to fill positions for West Ohio committees and agencies. He provided the following demographic information about the nominees who will be considered for a vote later during the Annual Conference Session (35 nominees):

- 35% of nominees represent minorities.
- 56% are women.
- 44% are laity.

Following the preliminary Nominations report, Bishop Palmer introduced fellow Bishop Julius Trimble of the Indiana Episcopal Area. Bishop Trimble will be delivering the message at the Memorial Service following the day's Annual Conference Session.

Board of Trustees Corporate Session - 4:30 p.m.

Dr. Julie Hurtig

Dr. Julie Hurtig moved that the West Ohio Annual Conference Session be suspended, and the Corporate Session with the Board of Trustees should be opened. The motion passed with a majority by hand vote.

Dr. Hurtig's full report on behalf of the Board of Trustees can be found on pages 33 to 35 of the Book of Reports.

Dr. Hurtig thanked Bill Brownson for his work and help to the Board of Trustees. The Board of Trustees have met five times since the last Annual Conference and have addressed matters of law, property, finances and disaffiliation, while working with the Annual Conferences affiliated organizations.

Action on a property matter regarding two local churches is required during the corporate session in accordance with Book of Discipline paragraph 2549 – Disposition of Property of a Closed Local Church. Dr. Hurtig moved the closure of the following churches:

- Lockington – Miami Valley District
- Cygnet Faith – Maumee Watershed District

The motion passed by majority hand vote.

Dr. Hurtig highlighted a few other items being overseen by the Board of Trustees:

- West Ohio Conference Center at 32 Wesley Blvd, Worthington – a water line rupture occurred in December 2022 causing damage that was repaired, and the parking lot is due to be paved following winter weather.
- Three West Ohio camps used 40% of the connectional ministry support from local churches. A recommendation regarding the continued disposition of camps will be addressed later during the Annual Conference session.
- The Boy Scouts of America bankruptcy proceedings are expected to be completed early in 2023. The West Ohio Conference has a commitment of \$1.1 million dollars to the trust fund for survivors.

Dr. Hurtig continued the Corporate Session by introducing a motion to accept a list of churches disaffiliating per the requirements of Book of Discipline paragraph 2553 - Disaffiliation of a Local Church Over Issues Related to Human Sexuality. Dr. Hurtig indicated that all churches have the same requirements for disaffiliation and must meet the requirements by June of 2023. A list of 172 disaffiliating churches was read aloud by District. Two questions were asked before the vote:

Question 1 – Robbie Scott, Clergy, Miami Valley District. Rev. Scott pointed out that there is not a West Milton church as read; it is Hoffman in West Milton. This will be handled as an editorial correction.

Question 2 - Steven Dunn, laity, Capital Area North – what is the percentage of churches leaving? Answer: 26% / 172 churches

Before the vote was taken, Bishop Palmer offered a prayer for the disaffiliated churches, their members and remaining colleagues and friends in the West Ohio Conference. The Bishop reminded the body that 172 churches is a sobering number. The motion was carried by a majority hand vote.

Following the vote Bishop Palmer prayed once again using the words from Blessed Be the Ties that Bind and God be With You 'Til We Meet Again.

Dr. Hurtig moved the adoption of the Board of Trustees Report, which passed with a majority hand vote.

Finally, Dr. Hurtig moved the closing of the Corporate Session and the reopening of the Annual Conference Session. The motion passed by majority hand vote.

Laity Address - 5:00 p.m.

Mr. Mitchell Harper

Mr. Mitchell Harper offered that the theme of Committed, Connected, Community immediately drew him to the story of Ruth. Ruth made a commitment to stay with her community. She was committed to her covenant and not caught up in the minor issues of life.

Faithfulness is Commitment. Considering God's faithfulness to us, are we committed to being faithful to the church – our community of faith.

Mr. Mitchell ended with a challenge to the members of the Annual Conference: strive and commit to be connected to the community for those in need. Don't just feed the hungry – eat with hungry. Make the commitment.

Following the Laity Address the members received announcements and the session ended at 5:10 with a prayer of blessing offered for the evening meal by Mrs. Carolyn Johnson.

Memorial Service with Communion – 7:00 p.m.

The service began with welcoming words from Rev. Justin Williams, Chairperson of the Annual Conference Worship team. Rev. Williams introduced the Annual Conference Choir, composed of members from 10 church choirs in the greater Dayton area. Finally, he reminded us that it is a privilege to remember those who lived their lives in service to God.

Following the opening remarks, the worship leaders processed to the stage accompanied by the congregational hymn “Holy, Holy, Holy.” Rev. Dominic Meja then led the congregation in the Call to Worship and the unison opening prayer.

Bishop Palmer provided words of greeting to the congregation, particularly the family members of those persons being remembered and honored in the memorial service. Bishop Palmer introduced the service's preacher, Bishop Julius C. Trimble, the current Bishop of the Indiana Area. Bishop Palmer spoke warmly of Bishop Trimble as a colleague and friend of more than 35 years. He described Bishop Trimble as someone who's personal mission it is to encourage every person he meets to be their very best selves.

Rev. Linda Middelberg, the Assistant to the Bishop led the congregation through an emotional and powerful “Word from the World.” A retrospective of events that we have experienced since the last in-person meeting of the West Ohio Annual Conference at Lakeside, Ohio in June of 2019. Rev. Middelberg described our shared experiences from the COVID 19 world-wide pandemic to the death of George Floyd and the call for racial justice to wars in Ukraine and the Sudan and gun violence in every aspect and place in our lives to our becoming too familiar with the word “Disaffiliation” and its subsequent losses of loved ones, colleagues, and broken communities. But we have also rediscovered God's faithfulness and our own creativity and resiliency. Following this retrospective of events and experiences, the House Band led the congregation in a choral “Kyrie” (Lord, have mercy). Finally, a unison reading of Psalm 23 closed the “Word from the World” portion of the service.

The Annual Conference Choir under the direction of Dr. James Tipps, provided the musical selection “Be Not Afraid” composed by Craig Courtney.

The Roll Call of the Victorious was read responsively by Ms. Chris Clough, Annual Conference Secretary, and Rev. Steve Putka on behalf of the Board of Ministry. Candles were lighted and a bell tolled as the names of the clergy members and their spouses who had passed away since our last Annual Conference Session were read. Tolling bells and lighted candles also memorialized the children of clergy and the laity from each District in the West Ohio Conference. Bishop Palmer offered a prayer of remembrance and thanksgiving to close this section of the service.

Ms. Maya Fairchild read the scripture lesson, Hebrews 12:1-2, which is the foundation of the sermon from Bishop Julius Trimble. Following the scripture reading, Bishop Trimble offered us a lesson entitled “God Will Provide.” Bishop Trimble began his remarks with a prayer of thanksgiving for the opportunity to help memorialize those members of the West Ohio Conference who have gone before us to the Church Triumphant. He continued by reminding us, that he comes as a member of our family – the family of God and the United Methodist Church, and he is thankful for the lives, the stories and the memories represented by the family members, friends and colleagues being memorialized in the service.

Bishop Trimble shared the phrase “God Will Provide” was a mainstay of his mentor and colleague in the ministry, Rev. Maurice King. “God will provide” was a statement used in every situation of mentoring and shared ministry between Rev. King and Bishop Trimble. The Bishop reminded us of the 2021 NBA season when all games were played without any fans in the stands. An NBA athlete, when asked, said the most striking difference between this season and those past, was that there was no one to cheer them on while playing. Bishop Trimble declared that what we're celebrating tonight is the great cloud of witnesses surrounding us and cheering us on from the stands of the Church Triumphant. When there's cheering from the stands, we can still find joy in the morning as well as in the weeping of the night. The message from the stands of the Church Triumphant is that God will provide. We can take comfort in knowing the loved ones we honor in this service are cheering us on. They're a witness to the message that nothing can separate us from God's love – and their love for us has no expiration date. Death is not the period that ends the sentence of life, but the comma that punctuates it to the Church Triumphant. And, God will provide.

Following the message from Bishop Trimble, the congregation participated in the service of Communion led by Bishop Palmer and Rev. Hannah VanMeter. After Communion was served, the Annual Conference Choir presented a musical selection, Total Praise, by Richard Smallwood. Bishop Palmer closed the service with a benediction followed by a choral amen sung jointly by the House Band and the Annual Conference Choir.

Dayton Convention Center, Dayton, OH
Worship Celebrating Mission - 9:00 a.m.

The Worship Service Celebrating Mission opened with the House Band performing “Way Maker” setting the tone for the celebration ahead.

Rev. Justin Williams offered words of welcome to the congregation.

Rev. Williams indicated that there were omissions from Roll Call of Victorious in the previous evening’s Memorial Service. The name of Daniel Downing, husband of Rev. Victoria Downing, was read. Additionally, the laity of the Maumee Watershed district were remembered.

The service began to move from remembrance to celebration as Rev. Williams mentioned that we are celebrating the 135th anniversary of Deaconesses and Home Missioners. All the Deaconesses and Home Missioners present were invited to stand and be recognized. Rev. Williams offered thanks to all the Deaconesses sharing in the morning’s service. Deaconesses Jody Stevens and Marcia Florkey led the congregation in the Call to Worship followed immediately by several praise songs offered to the congregation by the House Band.

Deaconess Beth Vanoli led the congregation in a unison prayer, and Landon Balmos-Ruddock read the Scripture for the day, Hebrews 10:23-25.

Deaconess Kris Frantz Shoaf gave a moving and personal witness about her evolution as a person who came to love God and find connection in the United Methodist Church. Her witness describes the invitation and welcome from others in the church, which led to relationships for herself and for her family. She learned that relationships lead to connections, which led her to pursue the office of Deaconess. Relationships in the church have seen her through health crises, personal issues, and have been a stabilizing presence in her life. She invited all of us to reflect on our own story and share our stories of being a Christian and United Methodist with others. Her witness was followed by the House Band performing “Spirit of the Living God.” The congregation was then treated to a video celebrating the 135th anniversary Deaconesses and Home Missioners.

The service continued with Bishop Palmer presiding over the commissioning of a new Deaconess, Bobbi Ruddock. Ms. Ruddock was commissioned as a math teacher at the Milford High School on behalf of the United Methodist Church. The commissioning was celebrated by the congregation and by the offering of the song, “Spirit of the Living God” from the House Band.

Bishop Palmer described the mission offering to be taken for ministries of love, service and justice. Two ministries of the church were identified: first for those in crisis at the Southern border of the United States, and second in response to local disasters – meaning within the West Ohio Conference and the State of Ohio. Our gifts of money make things happen that make our love for our neighbors in crisis very real. As the offering was being taken up the House Band performed “Move.”

As the closing of the service neared Deaconess Katelin Hansen offered a prayer of Thanksgiving. “Send Me Out” was the closing song performed by the House Band. The benediction was offered by Deaconess Kris Frantz-Shoaf.

Bishop Palmer thanked Deaconesses Kris Frantz-Shoaf and Bobbi Ruddock, Rev. Williams and the House Band for a wonderful service. The session took a break until 10:20 to move from the worship setting to the business setting.

Greetings from the General Board of Global Ministries
Dee Stickley-Miner, Executive Director for Mission Engagement

Rev. Dee Stickley-Miner, Executive Director for Mission Engagement with the General Board of Global Ministries, brought greetings from General Secretary Roland Fernandes. Rev. Stickley-Miner then shared a snapshot of the work of the General Board of Global Ministries, made possible through our United Methodist connection.

- Over 200 missionaries are serving around the world.
- 27 new United Methodist congregations have been established in countries where no Methodist presence has previously existed.
- Health facilities have been renovated through the Global Health agency which includes the Shungu Clinic in North Katanga. This clinic serves more pregnant women, and maternal and infant deaths have been reduced.
- UMCOR responded to 97 disasters and gave over \$29.1 million in grants. The West Ohio Conference gave over \$600,000 to this effort.
- West Ohio Conference is known as a generous missional conference. In 2022, the conference gave over \$1.45 million dollars through the Advance.

Rev. Stickley-Miner expressed the deep gratitude of the General Board of Global Ministries for the extravagant generosity and partnership of the West Ohio Conference, and she presented a certificate as a token of gratitude.

Cabinet Address – 10:35 a.m.

Rev. Calvin Alston, Dean of Cabinet

Rev. Calvin Alston gave a stirring address to the members of the Annual Conference asking us to not be afraid. We've all been sidetracked by the world-wide COVID 19 pandemic, the distrust of politics coming out of the 2020 election, and the division of our denomination under Book of Discipline paragraph 2553 disaffiliations. Our churches, clergy and laity, have allowed fear to dominate which helps to bring about division and distrust. We put our own agendas ahead of church and God.

We must stand together in the power of the Holy Spirit. God's call to us overcomes the things that distract us. We must engage in collaborative ministries – ecumenical, cross-racial, and cross cultural. The time has come to focus on the mission. We need to practice the Great Commandment to love God, neighbor, ourselves and our enemies.

We must pray for renewal through the Holy Spirit. We are the body in Christ. We are one body in Christ. Jesus is with us always.

Presentation of Awards – 10:50 a.m.

Harry Denman Evangelism Award

One Matters Award

Epi Award-United Methodist Communications

Harry Denman Laity Evangelism Award – presented by Mitchell Harper

Chris Parsons, a lay member of the Mosaic Church in the Miami Valley District was presented with the Harry Denman Evangelism Award. Chris is described by his pastor Rosario Picardo as someone who “engages in friendship evangelism with those he meets on the street who are drug-addicted and homeless. Chris shares his story of sobriety and what Jesus can do in their lives. Chris’ innovative ways are telling the ‘old story’ in new ways through his testimony and acts of mercy. I have never met anyone who is more fruitful in their evangelism quest. It is quite remarkable, and Chris is fully living into his calling as a Jesus-follower.”

One Matters Award – presented by Rev. Tim Bias

The One Matters Award, which celebrates an increase in the number of professions of faith and baptisms from zero through a renewed focus on discipleship was awarded to Bremen United Methodist Church, Foothills District, Linda Ward, pastor.

Epi Award – United Methodist Communications – presented by Rev. Gary Henderson, Chief Relationship Officer of United Methodist Communications

Kay Panovec, the Director of Communications for the West Ohio Annual Conference was surprised with the presentation of the Epi Award from United Methodist Communications Chief Relationship Officer, Gary Henderson. The Epi award recognizes excellence in communication ministry. The word Epi is the shortened form of the New Testament Greek word, epikoinonía which simply means communication. “Thank God for Kay and the amazing communications team, including Amy Graham and Mackenzie Kuhn who help make communication ministry possible in West Ohio,” said the Rev. Gary Henderson, Chief Relationship Officer at United Methodist Communications.

Annual Conference Session Legislation – 11:05 a.m.

Recommendation 2 – Board of Pension and Health Benefits

Rev. Anna Guillozet

Rev. Anna Guillozet expressed appreciation on behalf of herself and the Board for the assistance of Grace Welch and Bill Brownson for their help and guidance. She then presented Recommendation 2 and moved its acceptance. Recommendation 2 was approved by a majority hand vote. The recommendation can be found on pages 74 to 78 of the Book of Reports.

Recommendation 3 - Commission on Equitable Compensation

Rev. Gay Blau and Rev. Mark Chow

Reverend Gay Blau presented Recommendation 3, which can be found on pages 79 to 82 in the Book of Reports. Rev. Blau highlighted that the minimum salary has been increased 2% over the 2022 recommendation. The motion was moved for acceptance.

Two questions were addressed:

Question 1 - Melissa Stienecker, Clergy, Maumee Watershed District. Rev. Stienecker asked if the housing allowance is considered

optional. She has been placed in appointments and not given a housing allowance. Rev. Mark Chow responded that the housing allowance is not optional. Bishop Palmer made a note to look explore her concern, and she was asked to speak with her District Superintendent.

Question 2 Justin Mc Call, Clergy, Maumee Watershed District. Rev. McCall asked why the increase is 2% when last year it was 3%, and when there has been so much inflation since 2022?

Rev. Chow responded that inflation was a consideration, and the Commission is trying to find a balance for clergy and church.

Recommendation was approved by a majority hand vote.

Suspension of the Rules – Recommendation to Elect General/Jurisdictional Conference Delegates Mr. George Howard

George Howard, Laity, Capital Area South, asked the members of the Annual Conference to Suspend the Rules to allow a request to elect General and Jurisdictional Conference Delegates.

Suspension of the Rules requires a 2/3 majority vote to proceed; the majority vote required was sustained with a hand vote.

George Howard explained that the Annual Conference needs to fill vacancies to the General and Jurisdictional Conference Delegation (9 laity and 2 clergy vacancies). Vacancies were created by unforeseen circumstances (personal situations, disaffiliations, uncertainty about when the General Conference would be scheduled). The election would potentially occur during the Special Annual Conference to be held in the Fall of 2023. Mr. Howard moved the recommendation. The motion was approved by a majority hand vote.

Isaiah 11:6 – 9 Task Force Report Recommendation 4 - Disposition of West Ohio Camps and Retreat Ministry Property Dr. Julie Hurtig and Rev. Corey Perry

Dr. Julie Hurtig indicated that the Board of Trustees is withdrawing Recommendation 4 for consideration by the Annual Conference at this time. It will be brought before the Annual Conference at the next Annual Conference after more work and study around work currently being developed around “emerging generations.”

The Isaiah 11:6-9 Task Force report was presented by Rev. Corey Perry. The report can be found on pages 40 to 46 of the Book of Reports. The task force was created due to current realities: the continued and rising support required from apportionments to care for the operational and maintenance needs of three camps; a decline in both campers and retreat groups using camp facilities; and the inability to fully staff camp operations due to not being able to offer a competitive salary for employees. The task force was charged with taking a neutral look at the ministry of camp not the physical place of camp; trying to save the camping ministry, and a desire to think more expansively regarding the camping ministry and emerging focus on ministry to Emerging Generations. After meeting as a task force multiple times and reviewing substantial historical and current data (financial, attendance, participation) the task force prepared to make a two-fold recommendation:

- The conference should divest of two of the camps and use the proceeds from the sale to fund maintenance and improvements into remaining site, to provide an operational fund for the remaining camp, and to provide seed money for capital/operational fund for the site.
- The conference should retain and improve Camp Wesley and divest Camps Otterbein and Wide Water.

The Board of Trustees formulated a recommendation to mirror the recommendations of the Task Force, but this has been withdrawn until the next Annual Conference Session. Both Rev. Perry and Dr. Hurtig requested that members of the Annual Conference carefully review the information in the Isaiah 11:6-9 task force found in the Book of Reports.

Several questions were asked of Rev. Corey and Dr. Hurtig:

- Barbara Sayers, clergy, Capital Area South – Who authorized the Isaiah Task Force? Transformative Ministries oversees camps and assigned the task force. Rev. Sayers asked an additional question about whether a task force would have to be assigned by the Bishop or voted on by the Annual Conference? Bishop Palmer explained that task groups can be assigned.
- Dave Loddy, laity, Foothills District. Mr. Loddy asked what numbers were used in the analysis – all camp numbers or summer camp? Bill Brownson, CFO, explained that numbers from summer camps were used in the analysis.
- Becky Schofield-Motter, clergy, Ohio River Valley. When was the task force formed and when were the results made known? Response is to refer to the Isaiah Task Force Report in the Book of Reports.

Bishop Palmer reminded the annual conference members that Recommendation 4 had been withdrawn and he encouraged members of the Annual Conference to ask questions and engage in Christian conversation about the issue of the disposition of camps with the individuals on the stage representing the Board of Trustees and Transformative Discipleship.

The morning session was adjourned for lunch with Rev. Lou Seipel leading a prayer for our session and for our meal.

Resumption of the Annual Conference Session – 2:00

Episcopacy Committee Report

Ms. Valarie Willis

Ms. Valarie Willis presented the Episcopacy Committee report in the format of a reality show re-cap called “The Palmers – Season 12.” The full text of the Episcopacy Committee report can be found on pages 10 and 11 of the Book of Reports. At the end of the “show” Bishop and Mrs. Palmer were each presented with a rose as a symbol of their return to the West Ohio Conference for another year of service and ministry – in the final season of “The Palmers.”

Ms. Willis recognized each member of the Episcopacy Committee and thanked them for their service and work on behalf of the Episcopal Office. And, Ms. Willis concluded her report with thanks to Bishop and Mrs. Palmer for their faithful service to the West Ohio Annual Conference.

Following the Episcopacy Report, Mrs. Cynthia Palmer took a few moments to address the Annual Conference, mentioning how good it is to be back in person for the Annual Conference session. She particularly thanked Bill Brownson, Kay Panovec, Lou Seipel and Cyndy Garn for their assistance in making the change to a new place for Annual Conference more manageable. Mrs. Palmer mentioned that of the 47 years she and Bishop Palmer have been together, the last two years have been the most challenging of their ministry. Bishop Palmer comes home with the weight of everyone on his shoulders, and because of his love for the conference he wanted to help us navigate the stormy waters of the last couple of years. Mrs. Palmer declared that it is a joy to be on the journey with the West Ohio Annual Conference.

Prior to the Episcopal Address, Bishop Palmer introduced all the members of the Extended Cabinet and announced that Rev. Amy Haines would join Rev. Calvin Alston as a co-Dean of the Cabinet on July 1, 2023, and she would become the Dean in June of 2024.

Episcopal Address – 2:40 p.m.

Bishop Gregory V. Palmer

Bishop Palmer announced that \$29,000 was given to the Mission Offering during the morning worship service. Donations will continue to be accepted for local ministries and disaster relief.

The Bishop announced that he wanted to work on a few things with the members of the Annual Conference Session in a non-legislative modality, specifically in a conversation around camps. The Bishop indicated that he wanted to hear about ideas concerning the best ways forward for outdoor ministry and working with young people (Emerging Generation). The parameters of the conversation were given: this will be a 15-minute conversation with individuals allotted 1 minute each to express their highest aspiration, greatest hope, and visions for outdoor ministry, and ministry with Emerging Generations. Snark is not allowed. A reminder that there are not just two sides to the issue. Everyone wants to be the church of Jesus Christ and multi-generations in mission together. This is about more voices rather than fewer. Let’s assume that the Holy Spirit is trying to help us. More than 15 members, both laity and clergy from all districts within the West Ohio Conference offered ideas guided by the Bishop’s guidance. Below are some of the thoughts and hopes offered:

- Think about every young person in every region and what might be going on. Young people who don’t get the opportunity to see anything other than their corner, could be camp or could be other ministry to get a bigger vision.
- Would like to see available money going to youth to be able to go on Mission trips.
- Use the property in the best conceivable way to be used for the kids to do good.
- Create disciples; camps allow space to do this.
- Wake up and realize what we are doing isn’t working and that we meet the basic needs of the Next Gen (food, clothing, shelter). Reach them in new and unique- non-church building settings.
- Consider ways to help our youth’s mental health after such a terrible time. They’re having a challenging time connecting with one another. How can we meet those needs?
- We need to listen to the core constituents – the children.
- Address issues with kids from inner city to help with gun violence. A different setting than where they currently live
- Perhaps use the facilities for those who have been through trauma, such as refugees and others who have experienced trauma.
- Value all our people as people and not just constituents.
- Values camp from his personal perspective. We need to find new ways of reaching kids. May be quite different from how things are now.
- Environmental and ecological initiatives. Partnerships about the earth across all spectrums – urban, rural, etc.
- Let’s be ecumenical and share the camps across different denominations.
- Thinking outside the box; seek out other sources of income – used by outside groups and corporations.

- Intentionally plan for the safety of transgender kids.

Bishop Palmer thanked everyone for their feedback and comporment. A paper survey will be made available at the tables for additional feedback.

The Bishop started his formal Episcopal address by showing a slide of a dead tree that had been cut down. And, then offered this quote from Mark Sayers book, A Non-Anxious Presence. "For much of recent history, individuals and institutions could plan, execute and flourish with their visions of a better world. Volatile and complex forces could be addressed and confronted with planning and management. But crisis is a great revealer. It knocks us off our thrones. It uncovers the weaknesses in our strategies and brings to light our myths and idols. Our past strategies run aground, smashed by unpredictable and chaotic waves. Yet amid a crisis comes opportunity. The history of the church tells us that crisis always precedes renewal. And the framework for renewal offers us new ways forward. A non-anxious presence shows how that renewal happens and offers churches and leaders strategic ways to awaken the church and to see our culture changed for Christ."

Bishop Palmer declared that there are crises in the culture and generational challenges to the organized church as we face institutional change. There is a storm that's passing over us. Every storm eventually passes over. The key is: how do you bend and not break in the storm? We are withstanding the storm and looking upward for the dawn of what's next. Are we ready to serve the present age?

One of our storms is disaffiliation – we've given attention to it; it is not our mission. We'll finish the work, but it is not the mission of Jesus Christ or the United Methodist Church or the Annual Conference. Our mission is to make disciples of Jesus Christ for the transformation of the world. Bishop Palmer wants to make sure we understand our mission.

Another storm created by disaffiliation are the local church members left without a church home. North Star Congregations are a ministry to refugees – those who've been left without a church home. North Star congregations helped us to address this storm. It is necessary work, but not a strategy for evangelism. We exist for the people who are yet to come; we don't exist for the people that are here with us. We must re-engage community and culture. A healthy community is looking for those who are not here. Who needs the love that we relish?

Bishop Palmer declared that he has been challenged by the Holy Ghost to ask the question: What have you done to create and build and shape healthy communities? Will God hold the church to account for our failure to create community? We need to confess that we've not been an obedient church; we've not loved our neighbor as ourselves. Our confession will free us, and God will help us to move forward creating healthy community.

Bishop Palmer concluded the Episcopal address by leading the congregation in the hymn "We're Marching to Zion."

Resume Annual Conference Session – 3:55

Upon returning from a short break following the Episcopal address, Bishop Palmer pointed out that there were copies of a book on the tables for everyone attending the Conference. The book entitled Unrelenting Grace: A United Methodist Way of Life is written by Bishop Ken Carter, the resident Bishop of the Western North Carolina Conference. Bishop Palmer encouraged the members of the Annual Conference to read the book and make it useful.

Fresh Starts and New Beginnings Report – 3:55 p.m.

Brad Aycock – Director of Fresh Starts and New Beginnings

Mr. Brad Aycock, the West Ohio Director of Fresh Starts and New Beginnings delivered a report about the variety of services to over 800 churches in the West Ohio Conference. There have been almost 70 new ministries emerging in the conference over the past year. Bishop Palmer's Leadership Clinics have been on-going, and the Fall clinic schedule will be announced soon. Among the many programs in progress Mr. Aycock highlighted: Greenhouse – leadership development for new churches; GHX – Greenhouse Expressions – a lab environment for laity and clergy to birth fresh expressions; GO! Grants – a resource for innovative grants for evangelism outside the walls of the local church and North Star Congregations – an outreach program for members of disaffiliated local churches who wish to remain in the United Methodist Church and find a new church home. There is also a Ministry Resource Helpline for those seeking assistance to develop programming for the local church.

Belonging and Diversity Report

Rev. Darnard Newell, Director of Diversity Inclusion and Belonging

Rev. Newell began his report by asking a series of questions:

Who am I uninterrupted? Who would I be if I were uninterrupted? Who is interrupting me? If we know who is interrupting us, we can determine what to do about it. And, who would we be as the West Ohio Conference if we were uninterrupted? The West Ohio Conference offers a four-module training program for Diversity, Equity, Inclusion and Belonging and is currently working with 5 cohort churches in the West Ohio Conference.

Continuation of Legislation – 4:15

**Final Nominations Report
Rev. Cecil Thompson**

Election 1 – Leaders nominated to serve on West Ohio boards, committees and lead teams. The motion was adopted by majority hand vote.

Rev. Thompson indicated that the Ohio River Valley Foundation Board will present their slate of nominations at the Special Annual Conference to held in the Fall of 2023.

Recommendation 5 – A Resolution Responding to a Request from Palestinian Christians

Rev. Larry Clark

The resolution authorizes the creation of a West Ohio Annual Conference committee to educate clergy, laity and delegates to General and Jurisdictional Conferences on the current situation in the Holy Land and to consider whether the West Ohio Conference will fully embrace the request made by Palestinian Christians represented by Kairos Palestine. The committee members are to be chosen by the Bishop and to report their findings to the 2024 session of the West Ohio Annual Conference. Recommendation 5 can be found on pages 84-85 in the Book of Reports. Rev. Clark moved the adoption of Recommendation 5, and it was adopted by a majority hand vote.

Recommendation 6 - In Support of Creating a U.S. Regional Conference

Rev. Dee Stickley-Miner

The West Ohio Conference supports the intent of the Christmas Covenant and Connectional Table legislation, including the creation of Regional Conferences in Africa, Europe, the Philippines and the United States. The recommendation also supports urging the Council of Bishops to expedite the process of voting on the constitutional amendments necessary to enact the regional conferences legislation including calling special sessions of annual conferences where necessary. Through the recommendation, the West Ohio Annual Conference also requests that the Council of Bishops appoint an Interim Committee on organization for a U.S. Regional Conference. Recommendation 6 can be found on pages 86 -87 of the Book of Reports. Rev. Dee Stickley moved the adoption of the recommendation. There was one speech against the recommendation (Mr. Michael Schott, Laity, Miami Watershed District). A question was raised by Mr. James White (Laity, Capital Area South) asking if West Ohio will be the first conference to approve this. Rev. Stickley-Miner responded that the recommendation originated in the Philippines, and all Jurisdictional Conferences have affirmed the legislation. The recommendation was adopted by a hand majority vote.

Recommendation 7 – Supporting the Removal of Discriminatory Policies

Rev. Becky Schofield-Motter

The recommendation asks the West Ohio Conference to support the removal of discriminatory policies and harmful language related to sexual orientation that are present in the United Methodist Book of Discipline. The recommendation notes nine petitions that identify the policies and language for removal that are already submitted and will be before the voting body of the next General Conference.

Rev. Dee Stickley-Miner, Clergy, Capital Area South requested an amendment by substitution to lines 7 to 9 on page 88 of the Book of Reports:

“Therefore, be it resolved, that the West Ohio Annual Conference supports the removal of restrictive language and policies related to sexual orientation for the United Methodist Church in the United States and commits to a legislative pathway allowing regional agency to determine how human sexuality is handled within the diverse cultural regions of the world-wide United Methodist Church. The below petitions, already before the General Conference, provides perspectives that could be helpful within the US context.” Following a speech for the amendment, and several questions requesting clarity about the amendment and the recommendation, the amendment was approved by majority hand vote.

A vigorous debate and discussion of the recommendation ensued. Bishop Palmer clarified that amendments could not be offered beyond line 9 on page 88 of the recommendation, because lines 10 through 34 on p. 88 and lines 1 through 26 on page 89 are descriptions of petitions that have already been submitted to the General Conference. Kathleen Kisner, Clergy, Shawnee Valley District, made a motion to table the recommendation; the motion to table the recommendation was defeated by a showing of hands. Two speeches for the recommendation (Joelle Henneman, Clergy, Capital Area South; Mark Wollan, Laity, Maumee Watershed) and two against the recommendation (Gary Hill, Clergy, Foothills and Andrea Foster, Laity, Shawnee Valley) were offered, and the question was called for a vote by David Meredith, Clergy, Ohio River Valley. The recommendation was approved as amended by a majority hand vote.

Rev. Barbara Cooper, Clergy, Miami River Valley was granted a Point of Privilege. She stated that comments describing the LGBTQ+ community were wrong and offensive. She then offered a prayer of healing for the Annual Conference.

Recommendation 8 - Affirmation of Full Inclusion for All People in the United Methodist Church
Deaconess Katelin Hansen

The recommendation affirms that the West Ohio Conference of The United Methodist Church will aspire to become a United Methodist Church in which LGBTQIA+ people will be protected, affirmed and empowered by supporting and amplifying the call to justice and empowerment for the LGBTQIA+ community throughout the Annual Conference; affirms the spirit of abeyance or moratorium as proposed to the General Conference by the authors of the Protocol of Reconciliation and Grace Through Separation; and asks the West Ohio Annual Conference either to not pursue, hold in abeyance or resolve in timely fashion through the process of Just Resolution complaints against clergy regarding their sexual orientation or the officiating of wedding of LGBTQIA+ persons. Ms. Hansen moved the recommendation for adoption.

Debate of the recommendation began with two speeches for the amendment (Kim Petty, Laity, Miami Valley; Christian Taylor, Clergy, Maumee Watershed) and one against (William Maynard, Laity, Foothills). Rev. Robin Rader then offered an amendment by deletion to the recommendation to lines 21 and 22 on page 90. The amendment by deletion would change lines 21 and 22 to read, "Implores our annual conference to terminate any complaints against clergy regarding their sexual orientation or the officiating of weddings of LGBTQIA+ persons." Following several questions, speeches for and against the amendment, Rev. Rader withdrew the amendment for deletion. Debate of the recommendation continued with one more speech for the recommendation (John Edgar, Clergy, Capital Area South) and one against (Frank Campbell, Clergy, Retired). Rev. Curnell Graham called the question and Bishop Palmer moved to a vote. The recommendation was approved by a majority hand vote.

Recommendation 9 -Net Zero Greenhouse Gas Emissions
Mr. Robert Downs

Mr. Robert Downs, Laity, Miami Valley District presented Recommendation 9, which can be found on page 91 of the Book of Reports. The recommendation requests that the West Ohio Conference join denominational Boards and Commissions to seek a just and equitable reduction in greenhouse gas emissions to net-zero by 2050. To accomplish this task a working group of conference representatives appointed by the Bishop should be established to study the issue and develop an implementation plan. Mr. Downs moved the adoption of the recommendation. Rev. Seth Evans, clergy, Miami Valley, spoke for the recommendation. A majority vote by hand approved Recommendation 9.

At 6:00 p.m. the Annual Conference adjourned for the day with a prayer of blessing for our evening meal.

Bishop Palmer's closing remarks included an invitation from Bishop Trimble. A schedule for a prayer vigil for the Annual Conference of the Indiana Area can be found on the Indiana Area Conference website. Bishop Trimble extended an invitation for members of the West Ohio Annual Conference to participate in the prayer vigil.

The final disaffiliations under Book of Discipline paragraph 2553 will take place at the Special Called Annual Conference to be held on Saturday, October 28, 2023. Bishop Palmer offered a closing prayer to the members of the Annual Conference Session, and the business session was closed 10:00 a.m. to prepare for the Celebration of Ministry service to begin at 10:30 a.m.

Celebration of Ministry
June 3, 2023 – 10:30 a.m.
Dayton Convention Center
Dayton, Ohio

Celebration of Ministry
Celebrating Retirement, Commissioning and Ordination

The Celebration of Ministry Service which celebrates those clergy entering retirement status and the commissioning and ordination of candidates for ministry was held at the Dayton Convention Center, beginning with prelude music provided by a jazz ensemble. Rev. Justin Williams, Chair of the Annual Conference Worship Committee, offered words of welcome to the congregation present at the Dayton Convention Center and watching on-line via the livestream. Rev. Williams mentioned this is a favorite time for him and many during Annual Conference, because we remember our commitments, recognize our connection, and celebrate retirements, commissioning and ordination. He thanked Lucas Stickley-Miner for organizing the Jazz Ensemble providing music for the session and introduced the 2023 Annual Conference Theme of "Committed Connected Community."

The opening hymns for the processional began with "Praise to the Lord the Almighty" followed by "Lift High the Cross." Ordination banners filled the front of the Annual Conference meeting space. Bishop Gregory Palmer welcomed all with words of greeting. The Bishop then led the congregation in a liturgy for everyone present to remember their baptism. Verses one and two of "The Summons" were sung in response.

Rev. Dr. Suzanne Allen and Ms. Lisa Wachenfeld, on behalf of the Board of Ordained Ministry, began the celebration of retirement with a responsive greeting and thanksgiving for the retirees present. Rev. Allen and Rev. Meshach Kanyion then began introducing each of the 38 retirees with a summary of years of service and special moments of remembrance regarding their ministry. As the introductions were read, each retiree present came to the stage to be greeted and recognized by Bishop and Mrs. Palmer. Following the recognition of the retirees, Bishop Palmer told the congregation that there are 1,901 aggregate years of service in ministry for the retiring class of 2023. A prayer of thanksgiving and blessing was offered by Bishop Palmer followed by the singing of the Doxology. Rev. Donnetta Peaks led the congregation in a responsive prayer of intercession.

The Presentation of Candidates

Rev. Suzanne Allen of the Board of Ordained Ministry and Mr. Mitchell Harper, Conference Lay Leader proclaimed that the candidates are recommended for commissioning and ordination by their local congregations and the Board of Ordained Ministry and are ready for presentation. Candidates were presented by clergy and lay members of the Board of Ordained Ministry; the candidates were then examined by Bishop Palmer. The candidates were declared prepared and ready for commissioning by Bishop Palmer who led a responsive confirmation with the congregation. The Jazz Ensemble led the congregation in singing verses 4-5 of the Summons in response.

Bishop Palmer introduced the Ecumenical Representative for the 2023 Commissioning and Ordination Service, Bishop Daniel G. Beaudoin, who is the presiding Bishop of the Northwest Ohio Synod of the Evangelical Lutheran Church in America (ECLA). Following his introduction, Bishop Beaudoin greeted the congregation of the Annual Conference and expressed his thanks for being asked to participate in the commissioning and ordination service. Bishop Beaudoin then shared a scripture reading from John 10:11-18 – the story of the Good Shepherd.

Bishop Palmer preached a provocative sermon based upon the image of Jesus as described in John 10:11-18 as the Good Shepherd. He reminded us that the Bible is full of images of God and Jesus in the role of a shepherd. Many of the images of the Good Shepherd can be applied to the discipline and practice of leadership in the life of the faith community. The Bishop suggested

that those who've been called into ministry are being called to the ministry of the servant leader, which means doing something, modeling something, embodying and symbolizing something in front of God's people and the world. The Bishop urged the newly ordained to consider the images of God that can form, shape and define their ministry.

Bishop Palmer mused that the servant leader should also be prodded to ask, "what kind of leader am I?" Bishop Palmer offered up the image of the Good Shepherd as a possible image of leadership. As described in Psalm 23, the shepherd is a leader, a provider, a mentor and a nurturer. Jesus' declaration that "I am the Good Shepherd" is an invitation for the servant leaders of the church to think of themselves through the lens of shepherding, and ask themselves – am I a Good Shepherd?

The text of John 10 contrasts the work of the Good Shepherd to a hireling. The hireling is in the job for himself, but the Good Shepherd loves the flock. In the shepherding work of the ministry context (local church, chaplaincy, etc.) the Good Shepherd cares about everyone – not just the field of ministry to which they have been deployed, but to everyone in and around the ministry context. The job is to see all people, even those not specifically in the flock. Bishop Palmer finished his message with a challenge to all the clergy and laity of the Annual Conference – Get To Work in the World. Ask – are we a Good Shepherd Congregation? Am I a Good Shepherd Elder/Deacon/Retired clergyperson? The Bishop charged the congregation to get out into the world and get to the work of the Good Shepherd; to seek out the flock and love them like everything depends upon it.

Following Bishop Palmer's sermon, the Jazz Ensemble shared their gifts of music with the congregation with an arrangement of "Just a Closer Walk With Thee."

Three provisional deacons and seven provisional elders were commissioned. Two deacons and six elders were ordained. (**Names listed on pages 188-190 in the BAC**). Symbols of ministry - the Bible, Cup and Plate, Book of Discipline, and Bowl and Towel - were offered from four retiring clergy to four newly ordained clergy.

Bishop Palmer invited those who felt the nudging of the Holy Spirit to enter an intentional time of prayer and discernment to hear where God is calling them to serve. The Bishop also charged the clergy and laity of the local churches of West Ohio with creating nurturing environments that facilitate the ability to hear the call of God to a vocation of ministry and service. The Bishop then declared that after the pronouncement of the benediction that this session of the West Ohio Annual Conference will be adjourned. The Jazz Ensemble led a stirring rendition of "I'm Gonna Go Where God Can Use Me." The benediction was offered by two newly ordained elders, Rev. Caleb Henry and Rev. James Jennings, the Celebration of Ministry service was concluded and the 54th Session of the West Ohio Annual Conference was adjourned.

Special Called Annual Conference
Saturday, October 28, 2023
Ginghamburg UMC
Tipp City, Ohio

Opening Worship – 9:00 a.m.

The Special Called Annual Conference opened with an energetic set of musical selections offered by the Ginghamburg Praise Band. Bishop Gregory Palmer thanked Rev. Dennis Miller for making Ginghamburg UMC available to the West Ohio Annual Conference and the Special Annual Conference Session. Rev. Justin Williams, Chair of the Annual Conference Worship Committee welcomed all the members of the Annual Conference and once again thanked Rev. Miller and the congregation of Ginghamburg UMC for their hospitality. Rev. Miller then offered greetings on behalf of the congregation. Rev. Calvin Alston led the call to worship, based upon the hymn “Morning Has Broken.” The Praise Band offered several musical selections to set the tone of the worship service. Rev. Alston then led the congregation in a unison prayer.

Bishop Palmer introduced Dr. Rev. Tim Bias, the District Superintendent of the Olentangy River District as the morning’s worship teacher. The Bishop read Matthew 22:34-40, the scripture lesson for the morning’s teaching. Rev. Bias offered a provoking and challenging lesson about the task at hand – to focus on our mission. When we leave the Annual Conference Session, we’ll be entering the mission field, and Rev. Bias counseled us with this mantra, “Don’t fall away. Don’t lose hope. Don’t give up.” Oftentimes, when the church gets weary, it begins to turn inward and focus on itself. We need to focus on the mission; remember why we’re doing what we’re doing, and not give up. Our focus is to Love God and Love Neighbor – for the transformation of the world. We must focus on Jesus and remember, that the mission is not about us or what we want. We need to be who Jesus needs us to be in the moment and place where we find ourselves. He concluded with reminding us to not give up, to not lose hope, to keep focused on the mission.

The message was followed by a time of prayer offered by District Superintendents Rev. Amy Haines, Rev. Jenn Lucas, Rev. James Wilson, and Conference Lay Leader Mr. Mitchell Harper. The Praise Band provided a musical selection, and Bishop Palmer closed our worship service with a Benediction.

A short break followed the opening worship service.

Business Session of the Annual Conference – 10:30 a.m.

The business session of the Annual Conference began with comments from Bishop Palmer about our work together. He offered his thanks to be together once again and ready for the work ahead of us. The Bishop reminded us that today’s session is not an “open field” to have conversation about anything and everything. This is a special session with a specific agenda.

We were reminded about our conference rules for the number of speeches required when debating recommendations, and the time limit of 2 minutes per speech. He asked us to be respectful of others who are speaking.

Following the Bishop's remarks, we received voting instructions from Ms. Trina Brown of Padgett Communications. All votes are being taken electronically for this Special Annual Conference Session. Two practice votes were taken to help familiarize the conference members with the voting devices and processes for casting votes.

Disaffiliation Vote – 10:15 a.m.

Dr. Julie Hurtig, Chair, Board of Trustees

Dr. Julie Hurtig introduced the motion for church disaffiliations by providing information about the disaffiliation process. She reminded us that in November 2022 Special Annual Conference Session 80 churches were approved for disaffiliation, followed by another 172 churches approved for disaffiliation at the June 2023 Annual Conference Session. Today, we will consider another 96 churches for disaffiliation for a total of 348 churches. Today's disaffiliations will be effective October 31, 2023.

Dr. Hurtig reminded us that the churches are disaffiliating per the requirements of Book of Discipline ¶ 2553 - Disaffiliation of a Local Church Over Issues Related to Human Sexuality. Dr. Hurtig indicated that all churches must meet the same requirements for disaffiliation, and that ¶ 2553 of the Book of Discipline expires December 31, 2023. Dr. Hurtig then read the names of the 96 churches requesting disaffiliation and moved that the Annual Conference ratify the disaffiliations. Bishop Palmer offered prayers for the conference, churches and all of us prior to the vote.

The ratification of the disaffiliations was approved by a majority vote:

Total Votes Cast: 731

Yes: 704 (96.3%)

No: 27 (3.7%)

Bishop Palmer offered a prayer for all of us and the disaffiliating churches following the vote. He then announced that completed contracts may be picked up at the registration desk.

Rev. David Meredith asked Bishop Palmer for guidance about how to move a recommendation regarding the role of District Superintendents; through a change to Conference Rules – Section C or by a resolution to the Annual Conference. Bishop Palmer indicated that he would address the question later in the session.

Update on Strategic Planning – Connectional Table – 10:55 a.m.

Mr. Tom Hofmann, Chair, Connectional Table of West Ohio

Mr. Tom Hoffman gave an update on the work of the Connectional Table. The work of the Connectional Table is a prelude to other work we are considering today. Today's report is informational and a preview of other work to come in 2023.

A timeline of work was presented from January through September, with the highlights being: contracting with a consultant (Measurement Resources); creating, distributing and tabulating a survey; conducting one-on-one interviews with clergy, leaders working with youth, affiliated organizations, and West Ohio Conference leaders. Following the surveys and interviews, Measurement Resources presented a "current state" report to the Connectional Table. Planning meetings occurred in August with the Bishop, key staff leaders, and additional members of the Connectional Table. On September 26, the Connectional Table received a draft strategic plan and approved three strategic focus areas for the next three years:

- Strengthen the Ministry Pipeline.
- Develop an approach to engage younger populations.
- Revise, prioritize and align conference resources to focus on helping churches to be missional.

The work of the Connectional Table will continue through the end of 2023, and they will meet on January 31, 2024, to proceed with the strategic plan.

Bishop Palmer thanked Mr. Hofmann and the full membership of the Connectional Table.

Presentation of Budget and Council on Finance Administration Recommendations – 11:00 a.m.

Mr. Bill Brownson, Conference CFO

Rev. Paula Stewart, Chair, Council on Finance and Administration (CFA)

Rev. Paula Stewart, Chair of CFA, announced the presentation of a proposed budget for 2024, a fiscal plan to support the work of the West Ohio Annual Conference. The resolution has been developed with broad input from all levels of ministry and mission partners including the Bishop, Cabinet, clergy, laity, Connectional Table, and programmatic leaders. Much time has been spent in preparatory work, reviewing reports, attending extra meetings and all of this while also managing the reorganization/staffing of the Conference. This budget reflects a commitment to hold steady on apportionment obligations for the local church; *there is no aggregate increase in apportioned giving for the churches who remain affiliated with the United Methodist Church in 2024.* Rev.

Stewart referenced Ecclesiastes 7: 8 (CEB): *The end of something is better than its beginning.* We've come to the end of a turbulent time of church disaffiliations for 2023 and the subsequent realignment of District resources; this proposed budget reflects what it presently looks like. Shortly after this special session concludes, CFA will begin work on the 2025 annual budget. Rev. Stewart then yielded the floor to Mr. Bill Brownson, Conference CFO, who spoke about the proposed 2024 budget.

Mr. Brownson thanked Rev. Stewart and the CFA members for their work this year. Mr. Brownson presented the highlights of the 2024 proposed budget:

- \$10 million reduction in amount apportioned since 2018 (app. 46%)
- 12.1 million apportioned in 2024; a 32% reduction from 2023.
- For continuing churches there is no change from 2023 in the aggregate and a 19% reduction from 2018.

The impact of the local church disaffiliations was discussed: West Ohio Conference went from 967 local churches to 348 fewer to begin 2024 (37% reduction). This represents a 32% reduction in the amount apportioned and a 28% decrease in actual apportionment receipts. The 2024 proposed budget represents the impact of the disaffiliations. There is also a one-time income gain of \$20 million due to disaffiliations: about half goes to the Conference Board of Pensions, and all of that will be invested with United Methodist Foundation of West Ohio. \$1.1 million covers direct billed clergy benefits. The remaining \$8.6 million is for current and additional year apportionments owed to the West Ohio Conference. Of this one-time income gain: about one-third will go to the General Church funds and agencies, about half to conference ministries, and the balance to district ministries.

Mr. Brownson explained that the budget process was an "all hands-on deck process." He said he's never had so much participation in the preparation of a budget process from Conference Committees, Cabinet, and Staff, and the Foundation. Even with expense reductions, the proposed budget is still reliant on about \$3 million in various conference funds. This type of continued payout is not sustainable, but we are blessed to have access to these resources in 2024.

Mr. Brownson then proceeded to look ahead to 2024 to highlight several items to be aware of:

- The 2024 budget will rely on \$500,000 in reserves in addition to planned fund spending.
- The 2025 budget is due in March and will be aligned with strategic priorities. Additional expense reductions will be required.
- West Ohio and East Ohio will likely be sharing a Bishop as of September 2024; additional efficiencies will most likely not be realized until 2026.

Mr. Brownson finished his report by once again thanking the scores of people – largely local church volunteers - who have contributed to the creation of the proposed 2024 budget.

Rev. Paula Stewart moved the adoption of the proposed 2024 budget.

With the proposed budget on the floor and open to debate, Rev. Seth Lindeman proposed an amendment to the budget. The budget recommendation can be found on pages 18 to 25 of the Book of Reports. Rev. Lindeman proposed an amendment "to page 18, line 5, by increasing the income into the 2024 Budget by 5% from all sources – Trustee Reserve funds, Disaffiliation Funds, and apportionments - \$567,650." Rev. Brian Law, clergy, Great Miami River District, asked the makers what would be done with the increase requested. Rev. Lindeman indicated that this first amendment request is meant to be built upon by other amendments that will explain the financial details as they occur in other parts of the budget. Rev. Law then spoke against the amendment. Rev. Rebecca Schofield-Motter, clergy, Great Miami District spoke in favor of the amendment. With no further questions or speeches for or against the amendment, the Bishop moved the vote; the amendment did not pass:

Total Votes Cast: 707

Yes: 175 (24.3%)

No: 532 (75.7%)

No additional debate occurred regarding the main motion for consideration, the proposed 2024 West Ohio Conference Budget, and the Bishop moved the vote; the motion for the 2024 proposed budget passed:

Total Votes Cast: 704

Yes: 648 (92%)

No: 56(8%)

Bishop Palmer asked the Council on Finance and Administration to stand and receive recognition and thanks from the Annual Conference members. He also asked members of the Connectional Table to rise for recognition and receive the thanks of the Annual Conference.

Following the budget discussion and approval, Rev. Marla Brown and Mr. David Scott, co-chairs of the Conference Election Team asked for a suspension of the rules to consider a proposal to change the conference rules, for this election only, to the reporting requirements of the voting outcomes for the election of General and Jurisdictional Conference delegates. The suspension of the

rules request requires a two-thirds majority and passed.

Total Votes Cast: 682

Yes: 649 (95.2%)

No: 33 (4.8%)

The proposal regarding the reporting of votes, for this General and Jurisdictional Delegate election only, asked for the following:

- After the first ballot, the tally will report those receiving 25 votes or more.
- After the second ballot, the tally will report those receiving 50 votes or more.
- After the third ballot, the tally will report those receiving 100 votes or more.
- After the fourth ballot, the tally will report those receiving 150 votes or more.
- After each succeeding ballot, the tally report will increase by 50 votes.

Bishop Palmer called for a vote on the one-time rule change, which passed.

Immediately following the vote for the one-time rule change, instructions were given for lunch and voting for General and Jurisdictional Conference delegates. Clergy were dismissed for lunch and instructed to return at 12:30. Laity would remain in session to begin voting for delegates and be dismissed at noon for lunch. At 1:00 the laity members were asked to return to the session to continue with both clergy and laity voting, as necessary.

Laity Session – 11:30
Nominations from the Floor
Voting

The laity session received instructions on how to vote for delegates to the Jurisdictional Conference occurring in July 2024 and received information about why this election is required. The 2020 General Conference was postponed and will now be held April 23 - May 4, 2024, in Charlotte, North Carolina and the North Central Jurisdictional Conference will be held July 10 - 13, 2024, in Sioux Falls, South Dakota.

The laity and clergy, who were elected at the 2019 West Ohio Annual Conference, remain a part of the 2024 West Ohio Conference General/Jurisdictional delegation. However, for a variety of reasons, some of the delegates, laity and clergy, are no longer available or desire to be a part of the delegation.

Therefore, the West Ohio Annual Conference needs to elect seven lay delegates, two lay alternates, and two clergy alternates to the Jurisdictional Conference to complete the West Ohio delegation.

Jurisdictional Conference Lay Ballot Results:

The first lay ballot resulted in seven elections. 320 ballots were cast, and 155 votes were required for the election. Elected were Julie Carter (215), Dione Joseph (203), Steven Dunn (200), Chris Clough (195), Landon Balmos-Ruddock (189), Kathy Elasky (179) and Preston Eberlyn (156).

A second ballot was cast with no elections. 317 ballots were cast with 159 votes needed to elect.

The laity was dismissed for lunch following the second ballot.

Clergy Voting – 12:30

Clergy members were given instructions for voting and reminded that they needed to vote for two alternate delegates to the Jurisdictional Conference to be held July 10 to 13, 2024 in Sioux Falls, South Dakota.

Jurisdictional Conference Clergy Alternate Ballot Results:

The first clergy ballot resulted in one election. 282 ballots were cast, with 1 invalid vote, and 141 votes were required for election. Rev. Amy Aspey was elected (169 votes).

The second clergy ballot resulted in no election. 282 ballots were cast, and 142 votes were required for election.

The third clergy ballot resulted in one election. 297 ballots were cast, and 149 votes were required for election. Rev. Justin Williams was elected (156 votes).

Continuation of Laity Ballot Results:

Upon their return from lunch, the laity continued with elections for the Jurisdictional Conference alternate delegates. Candidate Ms. Barbara Fillion requested to be removed from the election slate.

The third laity ballot was cast with one election. 308 ballots were cast, and 154 votes were required for election. Mr. Andrew Nimely was elected (161 votes).

The fourth laity ballot was cast with one election. 305 ballots were cast, and 153 were required for election. Ms. Lisa Wachenfeld was elected (182 votes).

With all vacant delegate slots filled, the elections concluded.

Disposition of West Ohio Camp and Retreat Ministry Property – 1:45 p.m.

Rev. Karen Cook, Director of Connectional Ministries, began the discussion of the disposition of West Ohio Camp and Retreat properties with a discussion of Emerging Generations – work with children, youth and young adults. She indicated that outdoor ministries are a part of the Emerging Generations team's work, but it is not the only ministry of focus, because the current situation with camps is not sustainable. Several members of the Emerging Generations team discussed their work, including gathering information from surveys and listening circles, and the opportunity to receive Go! Grants for emerging ministries.

Dr. Julie Hurtig, chair of the Board of Trustees, reiterated information presented at the June 2023 West Ohio Annual Conference about the current state of camp properties and the recommendation from the Trustees that was tabled in June for consideration during today's Special Annual Conference Session. Dr. Hurtig reminded the conference session members about what has been studied, discussed and reported.

- There has been an 86% decline in camp attendance for 40 years. Expenses have been increasing steadily over the past six years, with the Annual Conference investing over \$750,00 in maintenance expenses.
- \$9 million would be required to bring three camps up to required standards. Kaleidoscope, a camp industry consulting firm has indicated that it would take \$29 million to achieve the standards required of modern camp attendees.
- Camps' share of apportionments has tripled since 2017, and the camping program is currently receiving 15% of overall conference apportionment receipts.
- Since June, the Connectional Table Surveys of 805 stakeholders indicated that knowledge of camp is high, but the relevance of the camping ministry was the least relevant.
- A feasibility study has been completed regarding a capital campaign to support camps with the agreement to sell two camps and retain Camp Wesley. The feasibility study doesn't support a capital campaign for camps at this time.
- The Trustees continue to support the recommendation of the Isaiah Task Force to sell camps Otterbein and Widewater, and to retain Camp Wesley.

Dr. Hurtig moved the recommendation on the Disposition of West Ohio Camps and Retreat Ministry Property found on pages 26 and 27 of the Book of Reports for approval.

After Dr. Hurtig moved the recommendation for approval Mr. David Loge, laity, Hocking River District offered an amendment for consideration. The amendment would change the first "therefore" statement on page 26 of the Book of Reports to read, "**Therefore, be it resolved that the West Ohio Annual Conference market and sell Camps Widewater and Otterbein to an organization or entity that would continue the camping mission of these two camps and retreat facilities serving children, youth, families, and . . .**" A question was asked by Nick Federinko, laity Great Miami River District, if anyone has expressed an interest in buying any of the camps; Bill Brownson indicated that the Conference has received inquiries of interest. Before voting on the amendment, two speeches for the amendment were made (Samantha Searls, laity, Great Miami River District, and Barbara Woodside, Clergy, Olentangy River District) as well as two speeches against (Janet George, laity, Olentangy River District, and Allie Rode, clergy, Olentangy River District). The amendment did not pass.

Rev. Dan Fuchs, clergy, Hocking River District, offered a substitute recommendation, "Recommendation to Save West Ohio Camps." Bishop Palmer then explained our conference rules relative to working with substitute motions. First, the main motion must be perfected by the members of the conference session; no vote is taken. Then the substitute motion is perfected. All of the normal rules of debate apply to the perfection process. A vote is then taken on the substitute motion. If the substitute motion is passed; it will prevail as perfected. If the vote on the substitute motion does not pass, then the main motion prevails as perfected.

Debate proceeded on the main motion with three speeches for the motion (Ann Hartman, laity, Maumee River District, Allison Stickley-Miner, laity, Olentangy River District, and Rev. Justin McCall, clergy, Maumee River District) and two speeches against (Dave Loge, laity, Hocking River District, and Janet Steele, laity, Great Miami River District).

Rev. Katie Steele, clergy, Great Miami River District then offered an amendment to the main motion's first "therefore" statement found on page 26 of the Book of Reports. The motion would strike "and Otterbein" from the statement, leaving only Camp Widewater for sale. Vigorous debate followed with multiple questions about the implications of retaining one of the camps

recommended for sale. Two speeches were made supporting the Steele amendment (Rev. Rebecca Schofield, clergy, Great Miami River District and Dave Loge, laity, Hocking River District), and two speeches against (Rev. Andrea Curry, clergy, Maumee River District and Rev. Colleen Ogle, clergy, Olentangy River District). The Steele amendment was not adopted.

Total Votes Cast: 631

Yes: 210 (32.3%)

No: 421 (67.7%)

Following the vote on the Steele amendment to the main motion, debate continued on the Fuchs substitute motion. The Fuchs substitute asked the conference members to consider “that all three camp and retreat sites will be reopened, and staff hired to direct them.” The substitute motion also addressed various funding mechanisms for camps, asked for a capital campaign to help support camps, and asked that strategic plans be developed for each camp to fulfill its mission. Questions were asked about the feasibility of opening and staffing all three camps. One speech was made in support of the substitute motion by Melissa Mitisca, laity, Great Miami River District, and one speech was made against the substitute motion by Rev. Nicole Henderson-Johns, clergy, Great Miami District). Finding that no other speeches were being offered or questions asked, Bishop Palmer moved the vote for the Fuchs substitute motion. The substitute motion was not sustained.

Total Votes Cast: 627

Yes: 192 (30.6%)

No: 435 (69.4%)

Bishop Palmer commended the thoughtful way the session managed debate on the camping recommendation. Dr. Hurtig's final comments before the vote on the main motion were thanks for everyone's comments and thoughtful and helpful questions. Bishop Palmer moved the main motion for the Disposition of West Ohio Camps and Retreat Property – the recommendation was passed by the members of the Annual Conference.

Total Votes Cast: 627

Yes: 457 (72.9%)

No: 170 (20.1%)

Following the vote on the Disposition of Camps recommendation, Bishop Palmer asked the members of the Board of Trustees to stand and receive the thanks of the Annual Conference for their work.

Other Business of the Annual Conference

Bishop Palmer came back to Rev. David Meredith's question about how best to address a recommendation regarding the role of District Superintendents – a potential change to Section C of our Annual Conference Rules or a recommendation to the Annual Conference. Bishop Palmer reminded the members of the Annual Conference that there is a Conference Committee on Rules, chaired by Rev. Brian Gath. The Rules Committee meets regularly to review Conference rules for updates, deletions and changes. Bishop Palmer also suggested reviewing the 400 series paragraphs of the Book of Discipline which provide a good roadmap regarding the role of Superintendents within an Annual Conference. Any recommendations would not be able to change or negate the roles and responsibilities outlined in the book of polity.

Bishop Palmer thanked those who have been attending the “Grace upon Grace” events this Fall in the Districts throughout the Annual Conference. He reminded us of that water – the sign of Baptism – is the consistent theme of the names for the new Districts.

Bishop Palmer asked us to think and pray for our greater United Methodist family, and he mentioned the passing of three retired Bishops in the last eight days leading up to the Special Session of the Annual Conference.

- Bishop Tom Stockton
- Bishop Joao Somane Machado (Mozambique)
- Bishop William Boyd Grove

Ms. Chris Clough, Annual Conference Secretary presented the closing motions regarding the publication of the 2023 Annual Conference Journal. The closing motions were approved by voice vote. Bishop Palmer then thanked the secretarial staff for the Special Session of the Annual Conference, including Rev. Steve Putka and Rev. Marti Pepitone.

Bishop Palmer continued his thanks by recognizing Rev. Linda Middelberg, the Assistant to the Bishop, and the parliamentarians for the session: Rev. Brian Gath, Rev. Don Wallick and Mr. Chris Hogan, Conference Chancellor. Thanks were extended again to Rev. Dennis Miller and the congregation of Ginghamburg UMC for their availability and hospitality.

Bishop Palmer announced that the 2024 regular session of the West Ohio Conference will be held at Capital University in Bexley, Ohio from Wednesday, May 29 through noon on Saturday, June 1. A slide projected to the members of the Annual Conference session contained the text of a prayer written by Bishop Palmer, and he asked us to pray this prayer regularly in the time prior to the

June Annual Conference.

“Gracious God, we humbly acknowledge that you are the source of our life. We confess we are often tempted to try being your church without your love, without your power. Forgive us. Grant to us, grace-full God to put all our hope and confidence in you. For you are Able. We pray in the name of Jesus Christ. Amen.”

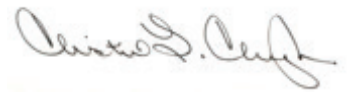

Closing Worship

Rev. Mark Chow, Superintendent of the Hocking River District and Mr. Chris Wingfield, Pastor of Worship for Ginghamburg UMC provided a meaningful ending worship experience with a reading of the “Amplified Lord’s Prayer” and the musical selection “Great is Thy Faithfulness.”

At 4:10 p.m. the Special Called Session of the West Ohio Annual Conference was adjourned.

VII REPORTS OF ANNUAL CONFERENCE

A. EPISCOPAL ADDRESS

To listen to Bishop Palmer's Episcopal Address, copy the following link: https://www.youtube.com/watch?v=J1zo3Ps_nNU

I want you to listen to a quote that I want to give to you all dear friends. This is from a guy named Mark Sayers. He said:

"For much of recent history, individuals and institutions could plan, execute, and flourish with their visions of a better world. Volatile, complex forces could be addressed and confronted with planning and management. But crisis is a great revealer. It knocks us off our thrones. It uncovers the weaknesses in our strategies and brings to light our myths and idols. Our past strategies," he continues, "run aground, smashed by unpredictable and chaotic waves.

Yet in the mist of the chaos of a crisis comes opportunity. The history of the church tells us that crisis always precedes renewal, and the framework of renewal offers us new ways forward. A Non-Anxious Presence shows how that renewal happens and offers churches and leaders strategic ways to awaken the Church and to see our culture changed for Christ."

That's from his book, *A Non-Anxious Presence*, by Mark Sayers. It's a fabulous and beautiful quote. The reason that I've got that slide up, Well on the very north part of the property of your conference center, just over the line that we don't own anymore, is this tree that got snapped in one of the storms that came through, oh, probably six weeks ago. Now, nobody was hurt. No harm was done. And it just sits there.

I went dashing up to Bill's office one day. I said, "Man, when are we going to get rid of that?" And he said very kindly, "Bishop, we don't own that tree anymore because we sold that land," and so forth and so on.

Every day I see it when I come into the parking lot. I can see it from my office window if I position myself. So, I figured since it wasn't ours to move, there must be a message.

Now, preachers are always looking for messages. We see and hear messages where there are none. And then we blame it on the Holy Ghost. Every preacher ought to say amen. And laypeople ought to say it twice. Oh, I'm having a little fun with you.

And what I said to the cabinet when they were assembled, I think it was the extended cabinet, but it may have been some other configuration of staff, is that, "The message that keeps turning over in my head is twofold. The message is bend but don't break."

So, I think about our crises in the culture. I think about all the culture wars. I think about the challenges to the institutional church and organized religion. And you think Christians are the only ones having these. I've been having some conversation with Muslim brothers and sisters. And when I talk to Muslim brothers and sisters below a certain age, they ain't going to the mosque. They'll show up for the high holy days. If somebody my age asks them to fix something or to help, they'll show up, but they're not rolling up in the mosque.

So, we got some generational challenges as we face a lot of institutional change because things that we've held dear and cherished, and the key is how do you bend without breaking?

Now, the first acknowledgement I want to make, and this will be as close as I get to preaching today, is... And you heard them singing earlier. But you heard them singing earlier, "The storm is passing over, hallelujah. Encourage my soul," the songwriter said, "and let us journey on. Though the night be dark, it won't be very long. Thanks be to God, the morning light appears, and the storm is passing over."

Now, a part of me wants to be the guy that wants to engage in work avoidance and not even acknowledge that there's been a storm.

But how can you be alive in this world in 2023, be an American in the crisis that we've been in, and be a United Methodist and not acknowledge multiple storms? But I came by to tell you this afternoon, the storm is passing over.

Now, I didn't announce that it was over, but I talked to some meteorologists, and they said, "Bishop, we ain't never seen a storm that didn't pass over after a while. Now they may tarry, and they may do a lot of damage, but every one of them, every last one of them passes over." And we got two questions both to look for the dawn of the Passover and then we got to respond to the question of in the meantime... Oh, another song helps your bishop out. Charles Albert Tindley, a United Methodist hymn writer said:

"When the storms of life are raging, stand by me. When the storms of life are raging, stand by me. When the world is tossing me like a ship upon a sea, thou who rulest wind and water stand by me."

So, I came by to encourage you to say, we are standing the storm and we got to keep standing it but looking upward for the dawn of

what's next. Because we'll look up and have been so consumed in these multiple storms that we will have given no thought to the future.

I am pleased that I'm a partner with you, that in the main... Now sometimes y'all go in fits and starts. And sometimes I'm like an old stubborn mule. I don't want to change things. I like things the way they are. I like the songs I like. When I go to church, I want to get it in a certain way. It took me my first 10 years of being a bishop not to hear *And Are We Yet Alive* as the first song at annual conference. That'll tell you how old school I am. I'm over it. I still like the hymn. It's still a great hymn. I hope we'll have enough younger people in the church that they'll hear and learn the hymn because it's got some great stuff in it, but I'm over that it is not annual conference if we don't start with that hymn. I understand the history that it came out of, but that's gone y'all. And I can spend my time looking back. I can spend my time on woulda, coulda, shoulda. I can spend my time bowing at an altar of stuff that I wish was like it used to be. But I heard another hymn.

And here's the verse: "To serve the present age, My calling to fulfill: Oh, may it all my powers engage." In other words, if it's going to get all of Greg Palmer's powers, I don't have any power to give away to nostalgia. I can acknowledge history, I can be informed by history, but "To serve the present age, My calling to fulfill: Oh, may it all my powers engage to do my Master's will." And I came by to ask you, do you intend to serve the present age? I told y'all I had plenty to say, but I gave you some of my time. But do you intend to serve the present age? This is not about any legislation. Some of you will go away thinking that I already had this planned. The present age. See, we want to go around, we Christians, we love pity parties, and we love to cry in our beer. Oh, excuse me, our milk.

In the name of Jesus. And I've discovered that pity parties, now listen, genuine biblical lament, if you don't ever have any lament and grief, you're not human. But pity parties are actually an exercise in work avoidance. Can I say that one more time? Pity parties are an exercise in work avoidance. I don't want to deal with the hard stuff, so I sit here and let the teardrops fall wherever they fall.

And our calling is to serve this present age, even if there's a storm that's in the midst of passing over.

So, I want to say a couple things to you and then I'm going to quit. I'm going to quit. I don't want to quit, but I'm going to quit because we have other important conferencing work to do.

One of our storms is disaffiliation. That's not a blame thing, it's just the way it is. It's in the book. We've given a lot of attention to it. Let me be clear. It is not our mission. We gave attention to it. We'll finish up what there is to be finish up. But it is not Jesus' mission. It's not the mission of the United Methodist Church. It's not Greg Palmer's mission and it's not your mission. We got one mission: Make disciples of Jesus Christ for the transformation of the world. Not my mission. So, I just want clarity. I understand my job description and I understand my mission. And I just want you to understand your mission.

So, we've got churches that have left. I get it, I understand it. You all have been very gracious and kind in those that are leaving. And if I had a dollar for every kind note I've had in the disaffiliation process, I could get all the furniture Mrs. Palmer wants in our retirement home. Y'all have been so sweet. It's genuine and I feel the love, we feel the love.

So, we have been working on what I call a ministry to refugees. Some conferences call it lighthouse churches. I just asked our team, Brad, Jen, and Mark, just one day I said, "Work on this. I'm not sure if I'm sold on lighthouses." Nothing wrong with lighthouses. I said, "I just wonder if there's another metaphor." Somebody's got to lead the United Methodist Church, why not West Ohio? Hello somebody. And we came up with North Star churches.

We had a quick popcorn thing and your North Star, and somebody brought up the north star leading slaves from slavery to freedom.

And people got to work in theologically and historically on all the ways in which the North Star and we came up with the North Star churches. Many of you have signed up, over a hundred. You have a covenant and all of that. Now let me say this: I love this. Look, listen to me very carefully, then I'm going to let some air out of the balloon. I love this because we did it. And you know what? It didn't take us a year to figure it out.

One of the quickest groups we ever put together. I love this. But a ministry to deal with people that have been displaced from their churches because of disaffiliation is necessary, but it is not - watch this, don't get mad at me - it's not a strategy for evangelism.

Maybe I wasn't heard. We should do it, we are going to do it, we are doing it. It is not a strategy for evangelism.

And until all of our churches wake up and understand what I said to you seven Episcopal addresses ago, Leslie Newbiggin reminded us that the only institution that doesn't exist in one sense for the people that are there is the church. We exist for the people that have yet to come. Do you hear me?

Now don't get mad at me. We have not lost United Methodist over the last 50 years because we have been too liberal on social issues. That is a lie. I didn't say no individuals left. That's not where we've lost a lot of people. We've lost people from the church because we have lost the heart of the gospel. The gospel that says, "Go ye." We've been played this game up, build it and they will come. Not. I don't care how purdy your buildings are, they ain't coming. And you can blame it on COVID till the cows come home.

They weren't coming before.

Now, I know there's a few exceptions, but any of you that are truth tellers, know you wasn't packing the house out. You didn't have people of any age lined up, can't wait to get to church.

A revival is stirring up the Holy Spirit in us until people want to engage with the church. And maybe we have flunked. I said we didn't lose all those members over those years cause of social issues. You know why we lost them? This is the gospel according to Palmer, because we lost connection with our communities. We signed up in mainline Protestantism and Methodist led the way, we loved that one out of every 10 Americans was a United Methodist. So what? I mean, what does that mean if you're dying? And now it's not one out of 10, we just let it dribble 'cause we gazed at our own navels. We read and then inhaled and believed our own resumes. We had stuck our thumbs in like Jack and said, "See, what a good boy. What a good girl am I?" And the world was passing by so many of our churches. Engagement, this Mitchell Harper hit that thing yesterday. He hit it. Give him some love. He hit that thing.

We must reengage community and culture. We say we know how to build community and doggone it, we do, that's what so darn frustrating. But community is always looking for who's not here. An authentic, healthy community is always looking for who needs this love that we relish. Oh, if I had a penny for every church that had a little byline on their bulletins, the church that's doors swing back on welcome hinges. Are you kidding me? Uh-huh, listen, I'm going to tell you, I have walked into United Methodist churches, in every conference I've been in, I'm not going to say most, a guy like me, you see this beautiful body, don't you? Amen... on Sunday morning with a turned around collar and a purple shirt and nobody spoke to me. Now, of course you'll say, "Well, that never would happen at our church." But it happened at somebody's church, Iowa, Illinois, Great Rivers and in West Ohio.

Five minutes in the narthex of a church, I can mostly name its health, but it actually starts with being a community that actually likes human beings and welcomes them, and doesn't give them an inventory to see if they pass the proverbial smell test, which is nothing but a snobbish socioeconomic index to see if they fit in with us. Oh, I know this is tough, but hey listen, you only got one more after this. So, this is tough stuff. So, here's where I'm going to close. That don't mean I'm going to close, but here's where I'm going to close. The Surgeon General released a report about a month ago saying we have a loneliness epidemic. And in my head, I run up and down the roads in the streets and the county roads and the open country places, and I see all these churches, not just our churches, and I say, "There is no excuse for a loneliness epidemic." We say, "We are a community." We even have the nerve to say, "We're like a family." And that's a wonderful aspiration, depends on how you define family and community.

If you define it as they took me in, it's already got a limitation. If you define it and describe it as a place where everybody is welcome and can find their place, you've got a different picture. Here's the question that's haunting me as I come to the end of a, let me say a career, not just... Bishop ain't the only thing I've done, but I have been preaching for well over 40 years. And I said this first, I caught myself, I'm going to blame it on the Holy Ghost. I was preaching in Cincinnati on the baptism of the Lord Sunday. Suzanne and Todd can testify and in the third service, hadn't said this in the first two services. See if you stick with me, it gets better as I go. I do some editing, some cutting and pasting. And the Holy Spirit spoke to me just as clearly not a voice. I mean that I wish the Lord would be that clear with me. But I know when it's the Holy Ghost. I know when it's the Holy Ghost.

And the Holy Ghost said that, "Palmer, your question that you have to wrestle with personally, vocationally, and professionally, and the question I want you to raise with the church is what have you done to create and build and shape healthy community?"

And then the Holy Ghost got really up in my Kool-Aid, and this is a wonderment, I have wondered if what God will ultimately hold the church most accountable for is our failure to create community, but not a community called just us, but a community that looks like the reign of God where God really is in charge of this thing, where everybody matters. And without regard to race, ethnicity, gender identity, sexual identity, sexuality, without regard to your zip code, to your education, to your pedigree, to your socioeconomic status, whether you got a zip code or you got to go to the UPS to get your mail out of a box that's been donated for you, God, I believe, is saying, "What I'm holding you most responsible for is the creation of communities."

... is the creation of communities that are healthy, and that thrive, and look enough like my vision, not your vision, my vision, my vision, so that e'rybody... It's not everybody. It's e'rybody. And anybody can come. And we don't have any more churches or communities where we walk up and say, "Who that?" It's got nothing to do with the Bengals. If you don't know somebody, walk up to them. Put your hand out. Say, "I'm Greg Palmer," and you say your name, and just start with, "I'm glad you're here. We've been waiting for you." It'll knock their socks off. A loneliness epidemic? Are you kidding me?

So, I'm done crying in my beer. I got work to do. The poet said, "We're not here to dream adrift. We have work to do, and loads to lift. Shun not the struggle. 'Tis God's gift. Be strong." And the strength and the courage we need is to actually grow up and be a real church and join God's vision. John was on the Isle of Patmos. It was a lot of craziness going on. He got some weird visions.

But focusing on their weirdness is another form of work avoidance, because a little bit of study will help us to figure out who we're supposed to be.

One day, there's this conversation in celestial space, "Who are these?" And the preface to that says, "They were coming up from every tribe and from every nation." It was an e'rybody vision. Somebody said, "Who are these?" And they said, "These are they that have come up through hard trials and tribulations, and they've had their robes washed in the blood of the lamb." That's the vision God wants us to capture, to become an e'rybody church.

And the way you become an everybody church is to actually get on your knees, physically or otherwise, and repent, and say, "Lord, I've come short of your glory." That's all you got to say. In the ritual for holy communion, say, "We have failed to be an obedient church." Some of you are so busy with getting communion over, you've taken the confession out of it. And you got shrunken down Christians. Put the whole ritual back in. You shut up and let the ritual speak. We have failed to be an obedient church. We have not loved our neighbor as ourselves. Now, that sounds like a lot of grief and lament, but out of that, when you purge yourself, when you cleanse yourself, when you tell the truth to yourself, the rest of the prayer says, "Free us."

God wants to take that yoke off of you, that yoke of failure and flunk, because of disobedience. Free us for joyful obedience. That's God's aspiration. He's not trying to run no game on us, and make us guilty and shameful, but we got to tell the truth. We got to tell the truth on ourselves. So, I got more to say, but you can't stand it all today. But stay tuned. Don't leave before conference is over, because I'm going to get it. Said the Lord, "Be my helper."

There's a song I like, says, "I'm pressing on the upward way. New heights, I'm gaining every day. Still praying as I onward bound.

Lord, plant my feet on higher ground." Anybody want to go to higher ground with me? Lord, lift me up. Lift us up and let us stand.

Plant our feet on higher ground. Oh, here's another one, "Come ye, that love the Lord, and let our joys be known. Join in a song of sweet accord, and thus, surround the throne." I don't know about you, but I'm going somewhere, marching to Zion, beautiful, beautiful Zion, beautiful, beautiful Zion. Let's make our Zion look like it's for all of God's children.

Why don't you stand, and we going to sing a little bit, and then we going to give you a break, and I'll be back, all right? I'm not going to say like Calvin Alston, "I've authorized this message," but I just said it. Come We, That Love the Lord. (singing) And let our joys be known.

B. BOARD OF ORDAINED MINISTRY

Presented by: Rev. Dr. Suzanne Allen, Chair

The work of the Board of Ordained Ministry continues in close partnership with the Office of Ministry.

We are thankful for the excellent work of Rev. Donnetta Peaks and Mrs. Susan Thomas as they lead us in opportunities that help with discernment in a call to ministry through those who have gone on to eternal victory and many points in between.

This year we have spent a significant portion of our time on change-of-status details. This has included extra Executive Team meetings and preparation for the special Clergy Session before the Special Session of Annual Conference in November 2022.

Romans 10:14-15, NIV reminds us, "How, then, can they call on the one they have not believed in? And how can they believe in the one of whom they have not heard? And how can they hear without someone preaching to them? And how can anyone preach unless they are sent? As it is written: 'How beautiful are the feet of those who bring good news!'"

Our work begins early in the discernment process. West Ohio will have two interns this year. They are Emily Thomas, a rising sophomore at the University of Cincinnati, majoring in biochemistry and a student from the Juan Wesley Seminary in Mexico. We continue to be inspired by and grateful to God for those who have stepped up and responded to a call to ministry in order to spread the good news as credentialed leaders in the UMC. Our DCOMS are busy continuing to affirm our Certified Lay Ministers, to certify and license our Local Pastors, and to recommend candidates for ordained ministry to the BOM. We congratulate those who have completed the Course of Study (COS), which affords Local Pastors the opportunity to serve, receive training, and stay aligned with The United Methodist Church. Kima Cunningham, Charlene Mitchell, Douglas Pummell, John Sowers, and Linda Ward have been recognized by the General Board of Higher Education and Ministry for their accomplishment.

Our BOM then receives these candidates for interview and recommendation to the Clergy Session. This year we were pleased to interview 12 provisional candidates and 11 full member candidates. Those who were affirmed by their interview team and recommended by the full BOM to Clergy Session include:

- **Provisional Deacons:** Seonyoung Chang, Lucy Kelly, Ashley Wynn
- **Provisional Elders:** Mary Katherine Collins, Henry Folgoso, Jennifer Miller, Sungkyoon Park, Carrie Schwab, Shin Sung, Daniel Wells
- **Full Deacons:** Angela Schroeder, Hannah VanMeter
- **Full Elders:** Mary Cheeseman, Joseph Graves, Caleb Henry, James Jennings, Dominic Mejia, Gregory Miller

We also continue to care for clergy in various points in their ministry journey. The Candidacy Summit, Licensing School, and Crucible offer support during the time of discerning call and developing the practical skills of ministry. The DMin Cohort at MTSO helps clergy grow in excellence in their area of passion. The Conference Relations Committee and Division of Deacons help support pastors navigating various medical concerns and a variety of leaves.

The Reflecting, Equipping, and Flourishing Process, our West Ohio eight-year assessment opportunity, hosted its second cohort with a six-month option. Consistent across the first two cohorts has been a deep appreciation for the opportunity to connect with a ministry coach through the Clergy Coaching Network, and to remember and celebrate meaningful moments of ministry. Stay tuned for more details about the next cohort that will take place in 2024 in a retreat format. The 2022 Healthy Boundaries – Clergy Sexual Ethics Training was offered to all clergy and Certified Lay Ministers serving under appointment. There were 864 invitations sent with 820 participants completing the training or receiving credit through other certified training formats. In total, 94.9% of our invited persons completed the training.

Whether related to disaffiliation or the natural lifecycle process, this year has brought a notable number of clergy retirements. Other pastors within the conference have also chosen to withdraw from serving as UMC clergy. Whatever the reason for the status change, we are thankful for all of the faithful service that has been given by each one who has preached the gospel and cared for individuals and their communities as United Methodist pastoral leaders. We trust that God will continue to use them in good and fruitful ways in this next season of life as they continue to serve in a different relationship to the West Ohio Conference.

As we serve in our various contexts across West Ohio, we find that "the harvest is plentiful but the workers are few." If you or others you know are feeling a call to serve in a credentialed form of pastoral leadership, please let us know. We would love to talk with you about next steps.

C. BOARD OF PENSION & HEALTH BENEFITS

Presented by: Rev. Anna Guillozet, Chair

“Beloved, I pray that all may go well with you and that you may be in good health, just as it is well with your soul.” – 3 John 1:2

As the chair of the Board of Pension and Health Benefits, it is an honor to serve and bring you this year’s report from such a caring and diligent team of laity and clergy leaders who so genuinely embrace the work involved in caring for the whole person of God’s beloved in the West Ohio Conference. Joining the board in this effort, we welcome the gifts of Rev. Amy Haines, Maumee River District Superintendent. We are also thankful to Norris Brown, Lay Leader, for his faithful service and medical expertise as he has transitioned off of our board.

Since our last report, wellness continues to be a theme as we live on this side of the COVID-19 pandemic. We also find ourselves living in the midst of grief and loss in this season where disaffiliation and the related realities attempt to dominate our conversations and work. We are working tirelessly to see churches through and maintain faithful stewardship in conference operations.

While we continue our partnership with Ohio Health for Employee Assistance Program (EAP) services, utilization does not correspond with the need present in our current environment. We have seen only a slight rise in utilization from 6.63% in 2021 to 7.22% in 2022. We do expect, however, the percentage of EAP utilization to exceed prior years based on a 3.8% utilization rate as of March 2023. Further, a focus on physical wellness through biometric screening incentives for active clergy and laity revealed that 64 participants completed a biometric screening in 2022 compared to 45 participants in 2021.

During 2022, the Board of Pension and Health was presented with decisions related to disaffiliation and its impact on healthcare and retirement benefits eligibility. Clergy ending their conference relationship who are currently receiving retiree healthcare benefit or are taking retirement status, ending their conference relationship and had at least 20 years of service in a West Ohio local church will receive an actuarially calculated lump sum payment.

At the same time, the 2023 active healthcare pre-renewal presented some interesting challenging, yet positive, outcomes. The active healthcare plan continues to fall short on collecting enough premiums to cover actual claims to the tune of \$1.2M over the last two renewal and on top of that the initial renewal suggested a 23% increase would be needed for 2023.

The board charged Grace and Bill, in partnership with the broker (McGohan and Brabender), to conduct a full market RFP for medical and stop loss, including claims repricing, and an Rx carve-out analysis. This work led to board-approved changes that decreased by 41.9% total administrative fees from prescription drug negotiations and an increase of our stop loss coverage to \$300,000 from \$150,000. A final adjustment was allocating 13% of the total amounts billed to churches to the plan participant, leaving 87% to be covered by the church. Even with all of these adjustments, we expect claims to exceed premium income in 2023.

Also, during the healthcare renewal period, the Board considered research and approved recommendations for a 2% increase to the HRA funding levels for retirees enrolled in the VIA retirement program and a relationship with the UMC. We are also pleased to report that the 2022 HRA retiree transition to VIA Benefits is well on its way and running more efficiently after one year. Occasionally, we have learned about longer than normal caller wait times or the time it takes the onboarding retiree to receive the enrollment kit from VIA. Otherwise, the calls and feedback from retired clergy have been positive and constructive since the initial migration. Finally, we are increasing the Pre-82 clergy pension plan PSR (past service rate) from \$623 to \$650, a 4.33% rounded increase.

The current cost of our active health insurance plan is not sustainable, in large part due to under-participation by otherwise eligible clergy. This Board and the Appointive Cabinet are jointly sponsoring a working group to develop a plan so full-time clergy have good health care at a reasonable cost to both the churches and the participant. The results of this body’s work will be implemented not later than January 1, 2025.

Our board meeting agendas have been and will continue to be robust, but our team views our work as a prayerful extension of the ministry that we all share in caring for God’s beloved. We remain grateful to serve the annual conference.

D. BOARD OF TRUSTEES

Presented by: Julie Hurtig

Greetings, Bishop Palmer and members of the West Ohio Annual Conference.

The West Ohio Conference Board of Trustees has had a busy and substantive year, ably attended to by a gifted board of trustees and conference staff that support us. We have met five times since the June 2022 Annual Conference and addressed matters of law, property, finances, and disaffiliation, while appreciating the work of the Conference's affiliated organizations.

The year of 2022 was definitely a year of change. The 2022 investment environment was the most challenging in decades due to market fluctuations. Fortunately, as noted in the Chief Financial Officer's Report, the Conference has a strong balance sheet. As 2022 closed, the Investment Committee is closely monitoring the investment manager migration for Conference funds to Wespath Benefits & Investments, which is set to complete by April 1. Last year, at the 2022 Annual Conference, the recommendation to move from eight to six districts was passed, and Bishop Palmer announced the new district map on March 1, 2023. Additional work is ongoing in 2023 to establish governance structures for these six new districts.

Disaffiliation: Continuing on the theme of change, in November 2022, 80 churches (or 8% of the West Ohio Conference) disaffiliated following the guidelines and procedures the Trustees established at the 2022 Annual Conference. These churches represented 14% of the 2022 apportionments and 10% of the 2021 apportionments paid. The 80 churches had 15,763 members (12% of the Conference membership), with an average weekly attendance of 8,897 (16% of the Conference). The terms of disaffiliation required 100% payment of 2022 apportionments, as well as 100% payment of 2023 apportionments. These churches paid a total of \$9,053,677 in disaffiliation payments, which breaks down to \$4.9 million toward clergy pension/benefits, \$1.6 million toward 2021 unpaid apportionments, and \$2.4 million toward 2023 apportionments.

In 2023, additional churches are proceeding through a discernment process regarding disaffiliation. Churches that decide to disaffiliate must meet the requirements set forth in ¶2553 of the *2016 Book of Discipline*, as adopted by the 2019 special called session of General Conference, and the disaffiliation agreement approved by the West Ohio Conference Board of Trustees in June 2022. Churches that complete all the required elements will be acted upon at either the June 2023 Annual Conference or in a Special Annual Conference, if called by Bishop Palmer. The final step of all disaffiliations under ¶2553 is the release of the Trust Clause, which is a responsibility of the Trustees, Bishop Palmer and the District Superintendent.

Property: *The Book of Discipline* assigns responsibility of all property matters to the Conference Trustees. Administration of conference and district property, including closed churches, is now centrally coordinated. As of Jan. 31, 2023, the conference and districts own and manage 26 properties, including two parsonages, the Conference Center, three district-owned offices, three camps and retreat centers, four closed churches now used for missional purposes, three closed churches pending research and disposal, and 10 closed churches pending sale.

The administration of closed churches has given rise to the Closed Church Fund. That fund had a Dec. 31, 2022, value of \$5.6 million, of which \$2.5 million was held in cash, \$469,000 was in the Light the Way Endowment to support new worshipping communities, and the balance represented the estimated value of closed church properties.

In 2022, the fund incurred \$2 million of expenses, of which 80% were grants, with the balance covering property management expenses.

In 2023, the Trustees moved to place \$100,000 of additional funds from the Trustees Church Extension Fund to the Disability Ministries Team. These funds will provide grants to assist congregations in their work to make their properties more accessible to persons.

One of the two parsonages owned by the Conference is the episcopal residence. Because there is a good possibility West Ohio and East Ohio will share a bishop beginning September 2024, the Episcopal Residency Committee will work with its East Ohio counterpart to review options and make a recommendation on how best to meet our episcopal housing obligation.

The trustees also oversee the property of the Conference Center in Worthington. Paving work that was approved in 2022 was not completed before winter and is now scheduled for late spring. Additionally, the cold temperatures over Christmas resulted in a ruptured fire-suppression water line, causing water to drain into the basement through the HVAC system. Repairs and remediation have been completed.

A task force was formed in fall 2022 to examine options available to the West Ohio Conference regarding the Camps and Retreats Ministry. The three camps and retreat properties were evaluated by a property management firm in 2021, during which it was estimated that the properties required over \$20 million of investment to complete necessary maintenance and repairs. Over the past five years, the Conference has invested over \$750,000 on maintenance and capital improvements at the three camps. During this same period of time, the camper enrollment has declined; camp counselors are difficult to hire (even with a doubling of their pay to \$75 per day, half of the industry average); and all three camps operate at a financial loss. Currently, the three camps utilize 40% of the Connectional Ministries Apportionment Support. The full Isaiah 11:6-9 Task Force report, along with an FAQ, is included in the

Book of Reports. Please review this material thoroughly.

The Task Force recommended the sale of two camp properties, Camp Widewater and Camp Otterbein, with sale proceeds funding overdue maintenance and improvements at the retained camp, Camp Wesley. Additionally, some of the proceeds from the sale of the properties should be placed into an operational fund to help offset the apportionment reliance of Camp Wesley. Finally, and most importantly, the Task Force recommends the Conference launch a capital campaign to further support Camps and Retreats. The Task Force findings were affirmed by the Board of Trustees. Recommendation #4 resolves that the West Ohio Annual Conference support the Task Force recommendation.

Legal Matters: As reported in the past two Annual Conferences, the Boy Scouts of America bankruptcy case continues through the legal system and is currently being appealed. Appeals are expected to be resolved or exhausted during the first half of 2023. The Conference's \$1.1 million commitment to the settlement trust for survivors remains.

I personally thank Chris Hogan, our Conference Chancellor, for all his work as the Conference undergoes change via disaffiliations, redistricting, property matters, etc. Chris provides the Board of Trustees and the Conference with excellent legal counsel. He is well connected throughout the denomination, and we are fortunate to have his guidance. He also leads our annual Legal Forum, which provides best practice recommendations for church administration and policy.

Affiliated Organizations: The final area of trustee focus is with our Affiliated Organizations. They continue to refine their role and relationships with the Conference and include UMCH Family Services, The Charitable Pharmacy of Central Ohio, OhioHealth, Christian Financial Credit Union, Preachers' Relief Society, and our senior living communities of Otterbein Senior Life and Life Enriching Communities. The Wesley Communities are now a part of Life Enriching Communities. We are grateful to be in ministry with them.

Thank you for your trust and prayers as the Board of Trustees carries out its responsibilities in support of the church and the ministries of The West Ohio Conference. I look forward to Annual Conference, where I will provide a report on these and other matters. In the meantime, please contact me with questions at juliehurtig@gmail.com

E. COUNCIL ON FINANCE & ADMINISTRATION

Presented by: Rev. Paula Stewart, Chair

The timing of disaffiliating churches in 2022 and 2023 has broadly informed the work of the Council on Finance and Administration this past year and it will continue to for the next few years. We are encouraged that at the outset of the disaffiliation process, we had already been trimming expenses for several years and our balance sheet was strong. It has been a challenging year to navigate this process, yet we have persevered.

Eighty local churches chose to disaffiliate as of December 31, 2022, and many more will disaffiliate as of June 30, pending Annual Conference action. While the short-term financial impact is positive because disaffiliation terms require full payment of apportionments plus another year's apportionments, the longer-term effect will be an estimated 30% reduction in apportionment support. This substantial reduction will present a challenging and difficult budgeting decision. Because CFA is committed to ensuring apportionment income lost to disaffiliating churches is not passed along to continuing churches, maintaining the status quo, even with all the progress achieved in recent years, is not an option.

We support and are grateful Bishop Palmer has indicated his intent to call a special Annual Conference in the fall to receive and act on a 2024 budget. We will make good use of the extra time, ensuring that the requested apportionment support resource key and critical program areas.

- We will have a more precise indication of the financial impacts of disaffiliating churches.
- The Strategic Planning process being led by the Connectional Table will be far enough along to validate key objectives.
- We will have more clarity about the financial needs of the six new districts.
- Districts, boards, and committees will have an opportunity to establish what 2024 expenses will be funded from existing assets (designated funds, restricted funds, reserves, and so on). The resources available from fund balances are considerable and will be necessary to equip West Ohio churches and its leadership.
- We are grateful for the good, albeit difficult, work of the Camps and Retreats Task Force. Supporting camps in the future with apportionment dollars as we have in the past is not sustainable. They have provided a roadmap and recommendation that will match missional needs with available resources. Even so, a capital campaign will be needed. In anticipation of that, last year's Annual Conference gave its support to a capital campaign when it adopted CFA's recommendation.

West Ohio Conference is experiencing unprecedented challenges, changes, and initiatives at this time. And we are rising to meet them with excellent work being done by many. Nevertheless, as indicated above, the status quo is not an option and difficult decisions will need to be made beginning with next year's budget.

We look forward to preparing and presenting to you the 2024 budget and accompanying narrative around October 1st in anticipation of a special called annual conference later that month.

Regarding a continuing matter, at some point, the Boy Scouts of America (BSA) bankruptcy trial will end. When it does, we expect West Ohio will honor its \$1.1 million commitment to the settlement trust. While the financial component will have been fulfilled, we have a continuing responsibility to tend to those who were abused and to ensure today's scouting programs prioritize care for its youth.

In other sections of the *Book of Reports*, you will find an accompanying narrative and a report from CFO, Bill Brownson that looks ahead to 2023 and 2024.

While the focus of CFA's work, particularly now, is heavily financial, CF&A also oversees conference administration. On that front, we are fortunate to have a strong administrative staff that includes Human Resources, Information Technology, Property Management and of course Accounting and Reporting. We are grateful for our CFO, Bill Brownson, and his able staff whose work is professional and often behind the scenes. Their efforts inform key decisions and help others be more effective in their roles.

F. DISTRICT RE-ALIGNMENT TEAM

Presented by: Janet George Blocher, Chair

Following the action of the 2022 Annual Conference, which mandated the reduction in the number of districts in the West Ohio Conference from eight to six, Bishop Palmer organized the District Re-Alignment Team. The Team, which is made up of lay and clergy members, includes District Superintendents Mark Chow and Amy Haines, whose knowledge of the Conference geography provided valuable assistance as we considered various iterations of potential district boundaries. Other Team members include: Marie Bush, Jamie DeWolf, Leslie Hall, Rev. Don Wallick, and Rev. Ken Woode. Shawnee Valley District Administrative Assistant Diana Hall deserves special mention for the outstanding work she did on preparing maps and compiling data. Linda Middelberg and Bill Brownson serve as the lead staff members to the Team.

The Team unanimously recommended the attached map showing the boundary lines of the six districts to Bishop Palmer. These district boundaries represent our best efforts to provide for a six-district structure that meets the needs for this season of the West Ohio Conference. In creating these districts, we sought to balance geography with the number of churches in each new district and with the number of pastors in each new district.

Bishop Palmer rolled out the new map of the West Ohio Conference on March 1 as promised. The new districts, effective July 1, represent the completion of the first set of tasks given the District Re-Alignment Team. The districts and the superintendents appointed by the bishop are as follows: Maumee River District (MRD) – Rev. Amy Haines, Western Lakes District (WLD) – Rev. James Wilson, Olentangy River District (ORD) – Rev. Timothy Bias, Great Miami River District (GMD) – Rev. Jennifer Lucas, Scioto River District (SRD) – Rev. Calvin Alston, and Hocking River District (HRD) – Rev. Mark Chow.

The Team, along with others who have been brought in for their special expertise for portions of the continuing work, is now working with staff on all the foundational pieces - legal and leadership structures, budgets and balance sheets, and office support and locations – that must be put into place for the new district structure to take full effect. We anticipate that this continuing work will be concluded by the end of the year.

All involved in this work have generously offered their skills, and their dedication to and love for the West Ohio Conference has been apparent every step of the way. With a deep sense of gratitude for these servant leaders with whom I have worked alongside, I offer our report.

G. EPISCOPACY

Presented by: Valarie D. Willis

"I press on toward the goal to win the prize for which God has called me heavenward in Christ Jesus."

– Philippians 3:14 NIV

Greetings to my brothers and sisters in Christ, Bishop and Mrs. Palmer, and all members of the West Ohio Annual Conference.

This past November, we finally had the long-awaited Jurisdictional Conference. As a result of this conference, we welcomed back Bishop and Cynthia Palmer for their final run. Rest assured that they both are still running the race for God.

It is hard to believe that this is the last full year with Bishop Palmer. We are grateful for his leadership and his ability always to point people to Jesus Christ and know that Jesus Christ is the center.

In addition to serving as the episcopal leader of the West Ohio Conference, Bishop Palmer also serves as co-chair of the Episcopal/United Methodist Dialogue Committee and on the Standing Committee on Central Conference Matters. Bishop Palmer serves on the boards of Ohio Health, United Theological Seminary, Methodist Theological School in Ohio, The United Methodist Publishing House, Ohio Northern, Ohio Wesleyan, and Mount Union.

The year 2022 brought many challenges to West Ohio, including all the work required for disaffiliations, redistricting strategies, and circuit ministries. Despite the challenges, the bishop focused on continuing the Leadership Clinics, which are viewed not only by West Ohio, but other conferences as well.

The Episcopal Committee is organized into the four subcommittees listed below:

1. **Profile:** This committee is charged with preparing a quadrennial report that shares with the North Central Jurisdictional Committee on Episcopacy the episcopacy leadership requirements for West Ohio. This input is taken into consideration during the assignment of bishops. Chaired by Rev. Jason Wellman.
2. **Interpretation and Communication:** Interpret and communicate the nature and function of the bishop and episcopal office to the people of the West Ohio Conference.
3. **Evaluation and Leadership:** Conducts an annual performance evaluation of our episcopal leader and reports back to the Episcopacy Committee. Provides leadership development opportunities as identified from the evaluation process and/or by the bishop. Chaired by Stacey Kyser.
4. **Transition:** Responsible for ensuring a smooth transition for incoming and/or retiring bishops. Chaired by Rev. Wade Giffin.

Highlights from the Episcopacy Committee:

- Sent a survey, prepared by the Jurisdictional Episcopacy Committee, to over 126 people, including lay leadership, clergy, cabinet, GC/JC delegates, and others. We received back 75 responses. The results of this survey created a detailed profile for the West Ohio Conference in preparation for Jurisdictional Conference that assigns bishops to their episcopal areas.
- We have representation on the newly formed Connectional Table, which is currently working with the bishop to determine strategic goals and outcomes. We also have a representative (Rev. Michaela Brown Jasper) on the West Ohio Episcopal Residence Committee that handles items related to the episcopal parsonage.
- As a directive from the Jurisdictional Conference, West Ohio and East Ohio, along with Wisconsin and Northern Illinois, were asked to explore the possibilities of two annual conferences being served by one bishop. This is not a merger of conferences, but leadership of two conferences. This work has begun and will be ongoing throughout 2023.
- In preparation for the retirement of Bishop Palmer, the bishop, cabinet, conference staff and other appropriate conference committees are actively engaged in preparing for the transition of episcopal leadership in 2024.

I give thanks to the committee members who have faithfully served this past year:

H. EQUITABLE COMPENSATION

Presented by: Rev. Mark Chow, Acting Chair

Bishop Palmer, Members of the Cabinet, honored guests, and Brothers and Sisters in Jesus Christ,

On behalf of the Commission on Equitable Compensation, we humbly come before this annual conference with the recommendation for Equitable Compensation.

Ministry happens when clergy, lay leaders and members of congregations put into motion what they hear from God. Jesus said, “Everyone then who hears these words of mine and acts on them will be like a wise person who built their house on rock.” (Matthew 7:24) Vital and healthy ministry takes place when clergy and congregations actively support the vision and mission of reaching and making new disciples of Jesus Christ for the purpose of transforming the world. When we work collaboratively, we are better positioned to support spiritual journeys in a variety of missional contexts.

The purpose of the Commission on Equitable Compensation, as outlined in the *2016 Book of Discipline* (§ 625), is “to support full-time clergy serving as pastors in... the annual conference.” This is fulfilled by “recommending conference standards for pastoral support” as well as “administering funds to be used in base compensation supplementation.” The West Ohio Conference and churches partner together through faithful stewardship, accountability and encouragement. The commission’s two main goals are: 1) Communicate clarity around clergy compensation. 2) Connect clergy and churches to the available resources to assist congregations in the movement toward fulfilling their mission and purpose.

Faithful disciples of all ages and backgrounds have the spiritual gifts, abilities and resources to transform the community where they live, and when matched with gifted clergy, the movement towards transformation begins.

We understand clergy to include elders and deacons in full connection, commissioned elders and deacons, associate members, and licensed local pastors. Each clergy member plays a vital role within the life and ministry of the Church. Each congregation’s unique context may call for a different type of clergy leadership.

Elders provide spiritual leadership through nurturing others in their relationship to God and lead the church through the ministry of the word and sacrament, and service to others while ordering the life of the church.

Deacons provide spiritual leadership through nurturing others in their relationship to God and act as bridge for the congregation to respond to those marginalized in and around them through service.

Associate Members and Licensed local pastors provide spiritual leadership through nurturing others in their relationship to God and leads the life of the local church.

Licensed local pastors can provide leadership within a local area while elders and deacons are able to itinerate to areas of need across the connection. Elders, deacons, and licensed local pastors may work together within a local church or be appointed individually based on the needs of each congregation.

Provisional elders and deacons, as well as ordained elders and deacons should be compensated equally (salary, pension, health insurance, housing, accountable reimbursement) if appointed full-time to a local congregation. See the Five Elements of Compensation for Full-Time Clergy table in recommendation 3 in this *Book of Reports*.

Regardless of appointed role within a local church, the salaries outlined in this recommendation should be considered for all appointed clergy serving full-time within the local church.

As established in the guidelines in *The Book of Discipline*, funds have been set aside in the 2024 budget to provide temporary financial assistance under the definitions presented for minimum salary support in this recommendation. Working with the Cabinet, the commission seeks to coordinate local needs, while working to minimize the need for long-term minimum salary support.

The minimum salary-increase recommendation for 2024 is a 2% increase over last year. (See the Table, provided in this *Book of Reports*.) This increase was determined after much discussion, as we seek to balance the issues of seeing that clergy families are properly supported versus the costs of salary, pension, health insurance, housing and accountable reimbursement. We understand this balance can cause a struggle for many local churches. We also continue to emphasize that minimum salaries are just that, a minimum compensation level for the purpose of determining missional support needs. Any individual local church can and should determine merit increases at or above the amount of increase.

I. OFFICE OF FRESH STARTS AND NEW BEGINNINGS

Presented by: Clark Hess

“See, I am doing a new thing!

Now it springs up; do you not perceive it?

I am making a way in the wilderness and streams in the wasteland.” - Isaiah 43:19, NIV

The Office of Fresh Starts and New Beginnings supports the entrepreneurial spirit of the West Ohio Conference to resource the local church through congregational development and redevelopment. We work closely with the appointive cabinet to discern strategic areas for new faith communities to make new disciples of Jesus Christ for the transformation of the world. New faith communities and new expressions of church are supported through recruiting, assessing, training, coaching and funding. We also provide opportunities for congregational development to encourage our laity and clergy to dream.

Multiply Minis. West Ohio hosted 2 Multiply Minis featuring Discipleship and Rural Ministry for over 150 participants. Multiply Minis are two-hour, timely and relevant trainings based on feedback from leaders across the conference. These Minis were led by practitioners from various requested topics.

Bishop Palmer’s Leadership Clinics. In collaboration with the Office of Communications, the Office of Fresh Starts and New Beginnings held seven Clinics with nationally known leaders. Hundreds of participants from 28 different states gleaned valuable insight and encouragement through the teachings of Rev. Dr. Willie James Jennings, Laura Van Dermoot Lipsky, Pastor Mark Batterson, Father Greg Boyle, Dr. Ronald Heifetz, President Kristina Johnson, Ph.D. and Pastor Rich Villodas.

Greenhouse. The Greenhouse is West Ohio’s leader-development training for those called to start a new faith community. In 2022, four new faith communities were launched and supported by the Conference Office and by Greenhouse grants awarded by the Missional Church Development Team. Those were Beloved in Marysville, Urban arm Church and Circle of Hope in Columbus.

GHX (Greenhouse Expressions). GHX is an incubator and training for clergy or laity who have an idea or a desire to begin a new expression of church launching from an established church. Two cohorts were led by six of our own trainers from West Ohio to teach 70 people from 29 different churches how to create these new expressions of church.

Think Tanks. Think Tanks are district gatherings where innovators are invited to dream around a table and collaborate on ideas to do God’s work. Think Tanks were held in Northwest Plains District, the Foothills District, the Maumee Watershed District and the Miami Valley District. Eighty innovators came together to share ideas and work together in community.

Refresh. Forty-six Planters were offered a safe and sacred space to refresh their souls and encourage them in their work at a retreat in Columbus.

Go Grants. Formerly revitalization grants, the Missional Church Development Team revitalized their grant process and called them “Go Grants” to encourage laity and clergy to dream up innovative ideas for their churches outside of their physical spaces. Categories for grant submission were divided into four areas: Community Engagement, Inclusion, GHX and Social Transformation. Seventy-four applications were received, and 37 churches in the West Ohio Conference were awarded grants for their innovative ideas.

Bishop’s Go Awards. In November, over 200 people gathered to celebrate the Go Grant and Greenhouse Grant recipients. Our goal was to encourage and celebrate innovation, experimentation, and community engagement across West Ohio. Incredible worship, entertainment and hors d’oeuvres were enjoyed by all.

Ongoing processes. In addition to the training opportunities, the Office of Fresh Starts and New Beginnings works closely with the cabinet to walk churches through West Ohio’s various processes for new seasons of ministry: new wineskins, adoptions, vital mergers, revisioning, and other support.

Bishop’s Go Awards. In November, over 200 people gathered to celebrate the Go Grant and Greenhouse Grant recipients. Our goal was to encourage and celebrate innovation, experimentation, and community engagement across West Ohio. Incredible worship, entertainment and hors d’oeuvres were enjoyed by all.

J. ISAIAH 11:6-9 TASK FORCE

Presented by: Rev. Corey Perry

The Isaiah 11:6-9 Task Force was formed to examine options available to the West Ohio Conference of The United Methodist Church regarding properties held for the use of the conference's Camps and Retreats Ministry. The group – composed of clergy and laity across the conference with diverse geographic representation and members who were very familiar with the conference's camping ministry, as well as those who were not – looked at extensive data reflecting the site usage, revenue, expenditures, capital needs, trends, and best practices.

The members also viewed this work through the lens that the sites create ministerial opportunities, but only insofar as the operational needs of the three sites permit. (E.g., two of the three sites have in-ground swimming pools that – for lack of maintenance – have had to be closed, limiting their functionality.) Further, operational challenges limit the ability fully to realize the ministerial opportunities of the three sites. (E.g., if it proved difficult to hire sufficient staff to offer full-season camping opportunities, even having three sites would not be worthwhile as full utilization would be impossible.)

Central to the work of the Task Force was a twofold objective:

- To create a sustainable, go-forward plan for camping and retreat ministry that allows for a legacy of outdoor, residential camp and retreat experience while,
- Simultaneously creating innovative expansion and integration opportunities.

It is the opinion of the members of the Task Force that both elements are essential for effective engagement of the Emerging Generations Ministries of the West Ohio Conference. Camps and Retreats can no longer exist as a standalone ministry. It must serve the overall mission of resourcing local congregations to build relationships and faithforming opportunities with families, children, youth, and young adults. This is best exemplified through the vision of the conference's Emerging Generations Ministries, which states that it seeks to bring awareness of and voice to young leaders by ensuring their development through current experiential learning practices and investment in innovative expansion and integration opportunities within the local church and beyond. It is the belief of the Task Force that the recommendations offered here will supply the Emerging Generations Ministries with the physical resources necessary to achieve this vision. Further, it is the opinion of the Task Force that failure to adopt these recommendations will significantly jeopardize the future of any Camps and Retreats Ministry or resource the Emerging Generations Ministries adequately to realize this vision.

After meeting on three separate occasions over the course of six weeks and reviewing extensive information before each meeting, the Task Force formed the following recommendation:

- The conference should divest of two of its three properties, using the sale of the two properties to 1) fund overdue maintenance and improvements to the retained site; 2) place some of the realized revenue from those sales into an operational fund that could help offset apportionment reliance from the third site; and 3) seed a capital/operational fund for the retained site.
- The site that should be retained is Camp Wesley (Bellefontaine), with Camps Widewater (Liberty Center) and Otterbein (Logan) being placed for sale.

The following is a thorough explanation of the Task Force, its work, and rationale.

Task Force

The Task Force was composed of the following members:

- Rev. Corey D. Perry, Chair, Transformative Discipleship Team (Task Force Lead)
- Christina Albrecht, Laity, Peace UMC, Chair of the Leadership Development Lead Team
- Bruce Boyd, Laity, Ginghamburg UMC, Chair of the West Ohio United Methodist Foundation
- Rev. Barry Burns, Maumee UMC, member of Transformative Discipleship Team and past Camp Dean, former camp dean
- Rev. Kima Cunningham, Troy Richards Chapel and Christiansburg UMC, member of the West Ohio Camps and Retreats Lead Team
- Rev. Amy Haines, District Superintendent, Northwest Plains & Maumee Watershed, parent of campers, former camp dean
- Alexa Lawhorn, Laity, Springboro First UMC, former Camp Otterbein summer staff
- Dr. Tammi Love, Laity, Covenant UMC, member of West Ohio Camps and Retreats Lead Team

- Rev. Matthew Van Winkle, Johnstown UMC, member of West Ohio Board of Trustees
- Rev. Beth Vanoli, Laity, St. Paul UMC, President of West Ohio United Women of Faith, and historic camps' champion
- Erin West, Laity, United Methodist Church for All People, member of West Ohio Camps and Retreats Lead Team
- Rev. Rachel Miller, Ginghamburg UMC, member of West Ohio CFA, Camps Volunteer, former member of Board of Trustees
- Rev. Deanna Stickley-Miner, Director, Connectional Ministries

Providing data and subject matter expertise to support the work of the Task Force was:

- Rev. Ann Marie Carley, Director, Camps, Retreats, and Next Gen Engagement

The Task Force took, as its inspiration, the eschatological passage from Isaiah 11:6-9, where the prophet foresees a time when the natural order of the world would be altered dramatically, bringing a period of peace and harmony that would see predator and prey cohabitating and children leading God's kingdom. It was out of this vision of a younger generation leading us into an era of harmony with God's creation and having transformative experiences with God through the natural world and its stewardship that the Task Force initiated its work.

Overview of the sites

The conference has had a long and extensive history of Camping and Retreat ministry. Since its inception with the merger of the The Methodist Church and The Evangelical United Brethren Church in 1968, the conference has possessed as many as 10 sites for camping and retreat ministry. However, over the 54 years since its inception, the conference has gradually and consistently divested itself of these sites, the most recent divestment occurring in 2015.

The three remaining sites are:

- Camp Otterbein (Logan)
- Camp Wesley (Bellefontaine)
- Camp Widewater (Liberty Center)

Camp Otterbein

Otterbein is the largest of the conference's three campsites at approximately 467 acres. Otterbein, located in the Hocking Hills, is a camp known for "high adventure" with a lake, high ropes, and opportunities for outings throughout Hocking Hills. The geography makes this site less accessible to users because of the rolling hills, thereby making this site more niche in its use.

The site has enjoyed significant community support over the years among members of the conference. More has been invested in routine maintenance and upkeep at this site than any of the three, though larger-scale needs have still been left unaddressed, meaning significant capital investments are still required, though less than the other two due to prior investment. Over \$300,000 has been spent at this site in the past five years. To bring Otterbein to industry standard would require a minimum of \$4.2M. (This does not include changes or improvements required to make the site more multiuse in its functionality or provide updates to structures that would allow updated programming.)

Utilization of this camp has seen steady declines over the past five years. Summer usage attendance was highest in 2018 at 666, and retreat usage was highest in 2019 at 1,917. Total usage was highest in 2019 at 2,384, but – through seven months in 2022 – was only at 610. Summer utilization capacity has been as high as 44% (2018) to as low as 24% (2022). Retreat capacity has ranged between 43% (2022) to 21% (2021).

All of the camps operate at a loss. Otterbein has posted operating losses as low as \$30,480 in 2018, as high as \$204,770 in 2021. In aggregate, over the past five years, Otterbein has posted an operating loss of \$506,572.

The current market value for Camp Otterbein is between \$1.75M to \$2.5M.

Camp Wesley

Wesley is located outside Bellefontaine and is the most centrally located of the three sites. The camp is just under 200 acres and has multiple features and multiple uses that can be currently accommodated with opportunity for development and expansion of offerings in the future. A large lake is the central asset of the camp.

The conference has not invested many maintenance resources at Camp Wesley over the past several years. Over the past five years, \$152,859 has been allocated for maintenance and repairs. The current estimates are that an additional \$7.3M would be

required to bring the site up to industry standard. This would not include any additional improvements; however, if brought to standard, it would afford significant multiuse opportunities.

Utilization of this camp has been as high as 763 summer campers in 2019 to 558 in 2022 (due to operational issues, a full summer camp could not be offered in 2022). Retreat usage has been as high as 777 in 2019 to 323 through seven months in 2022. Summer utilization capacity has been as high as 64% in 2019 to 47% in 2022, while retreat utilization capacity has ranged between 53% (2021) to 44% (2019). Data over the past five years indicates that more parents choose to send their children to Camp Wesley than the other two camps.

Wesley has been operating at a loss each of the past five years. This loss has ranged from as low as -\$70,542 (2019) to as high as -\$138,162 (2021). In total, Wesley has operating losses of -\$476,085 over five years.

The current market value for Camp Wesley is between \$750,000 and \$1.125M.

Camp Widewater

Widewater is located in the far northwestern portion of the conference outside Liberty Center (southwest of Toledo and northwest of Bowling Green). The camp is the smallest at approximately 107 acres. The camp is different from the other two in that all of the lodging is centralized in a single structure (Harmony Lodge).

The site has lacked significant maintenance for a number of years with significant expenses to get the site to industry standard. In spite of spending \$293,669 for maintenance and repairs over the past five years, the site would require \$9.7M in capital expenditures to get it to standard.

Utilization of the site has been very uneven for those same five years. Summer attendance has been as high as 798 (2018) and as low as 227 (2022). Retreat attendance has been as high as 18,446 (2019) (the site was used by many external groups, such as cross-country competitions) and as low as 625 (2022). Summer utilization capacity has ranged from 68% (2018) to 19% (2022). Retreat utilization capacity has ranged from 21% (2020) to 1% (2021).

Widewater has operated at a loss every year for five years. This has ranged from a loss of -\$23,021 (2018) to as much as -\$159,190. In aggregate, this totals an operational loss of -\$556,675 over those five years.

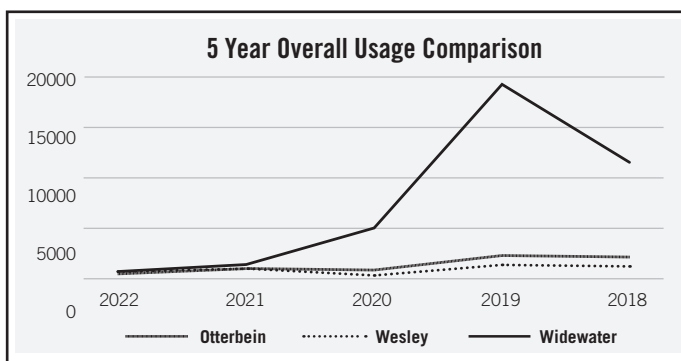

The current market value for Camp Widewater is in a range between \$1.05M and \$1.45M.

Analysis of the issue

Utilization analysis

The consistent theme across all three sites is that utilization has been declining – this was true before COVID – and has shown no signs of rebounding. A theme across camps nationwide reveals programs that were strong before COVID are still thriving. Programs that were struggling before COVID continue to struggle. The data for West Ohio Camps shows that our programming was struggling prior to COVID; overspending allocated apportioned resources in most years. It is clear that the conference is over-resourced in our camping and retreat footprint. Further, given the operational challenges of staffing, training, and supporting three sites, the constantly declining numbers become even more challenging. Of note, only 25% of our summer campers come from United Methodist congregations.

Charting the five-year historic utilization, inclusive of summer camp attendance and retreat users, looks like this:

Operational and financial analysis

It has become increasingly difficult to recruit, train, and retain staff for residential summer camps, as well as provide adequate staffing for retreats. Additionally, prior to COVID, West Ohio relied heavily on securing international staff. Securing visas for international staff has been challenging. Relying on international staff also creates a relational disconnect as we seek to develop young leaders within The United Methodist Church. Average industry compensation for residential summer camps is \$150/day/staff. In 2022, the conference nearly doubled its compensation of residential camp staff to \$75/day/staff. At that rate, given that staff are

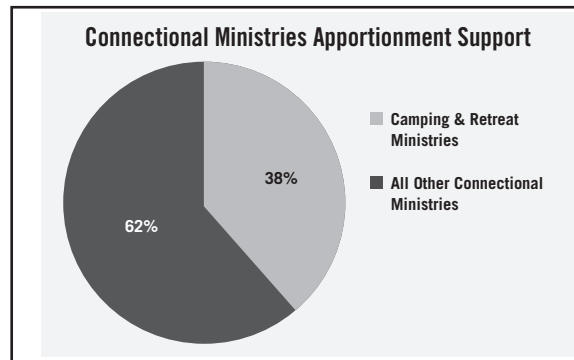

responsible for campers for 23 hours/day, staff effectively make \$3.26/hour.

Given these operational challenges, it is little surprise that – even if the conference had enough campers to fill the physical spaces of camps – staff would be inadequate to provide nutrition, programs, safety, and oversight of our campers.

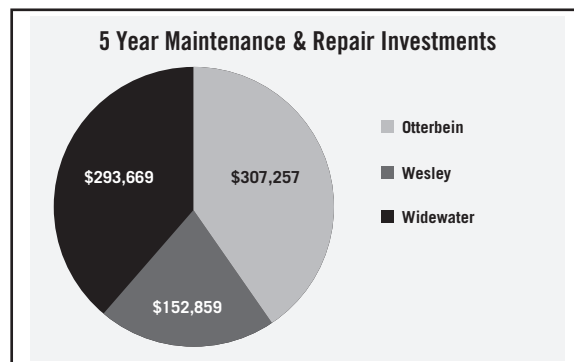

Given the fixed costs of camps, the need to maintain sites, the operational difficulties of staffing all three sites, and the limited numbers of campers that can be managed safely and effectively, the camps and retreats ministry has posted significant losses over the past five years, which have had to be offset by apportionment dollars, as illustrated here.

When compared to the budget for all of Connectional Ministries, Camps and Retreats now accounts for nearly 40% of budgeted apportionment support, as shown here.

Further, the conference has spent over three-quarters of a million dollars in repairs and maintenance in the past five years on the three sites, distributed as follows:

Even with this investment, it would require at minimum, an additional \$21.3M in capital expenditures to address the multiple maintenance and repair issues that exist across all three sites. All three sites, in total, are only currently valued at just over \$5M. Further, as previously observed, we do not have the capacity to adequately staff three sites to deliver the programming expected of our families and users. By acting on the offered recommendation, we have an opportunity to realign resources to support authentic engagement of young adults and our next generation young people through innovative partnerships and experiences that will strengthen not only our camping program, but also the ministry of our local congregations.

Conclusions

The Task Force looked at this data, as well as a significant amount of other data, and quickly concluded the following:

1. Continuing all three sites is not tenable and, should the conference attempt to do so, would jeopardize this ministry and many others.
2. The ongoing hemorrhage of resources and the inability to adequately operate and maintain any of the sites is not sustainable.

As the team continued its deliberations, it quickly became evident that, were the recommendation “simply” to divest of one site, there would be unanimous support for selling Camp Widewater. However, the team continued to wrestle, principally with the question of whether any of the sites should be kept. There was discussion and debate about whether the conference could really

operate any site adequately. Even at the conclusion of the Task Force's work, there are significant questions from many of the members of the team as to whether it is prudent or feasible to retain any of the conference's sites. However, the team agreed as a starting point and in an attempt to further discern whether the conference could sustain a single site into the future, the most prudent course of action would be to sell two sites and focus resources into the single retained site.

The debate then shifted to which site should be kept. There was early and unanimous agreement that, given the costs to get Widewater up to industry standards, the fact that it has the second-highest valuation, and that it is the least geographically accessible site to the majority of the members of the conference, it should be sold. This debate was very difficult because, as noted before, Otterbein enjoys significant support from many members of the conference, including some who were part of this group.

However, as the group looked at utilization, opportunity for multiuse development and usage, accessibility to members of the conference, issues such as safety and security, cost of attending to needed capital expenses, and property valuation, it made the most sense to recommend the sale of Camp Otterbein and retain and focus the conference's energies over the next several years into Camp Wesley. This recommendation is still not without controversy. Many members of the team expect resistance within stakeholder groups and the conference. However, the team took a very data-driven, strategic, balanced, and reasoned approach to the issue, and remained grounded in a vision of engaging young people through innovative ways as well as through residential camping.

Even with conference support to sell Camps Widewater and Otterbein, there will need to be additional financial and operational resources dedicated to Camp Wesley. Further, in order to right size Camps and Retreats support with future apportionment capacity, additional resources and efforts will be required such as a capital and operational campaign. Without the sale of the two recommended camps and the initiation of campaigns, we will not have required resources to provide safe, innovative, fun, and inspiring camping opportunities in our conference's future.

K. LAY SERVANT MINISTRY

Presented by: Kathy Moore

In the Fall of 2022, Kathy Haynes Moore, a Certified Lay Minister in the Maumee Watershed District, was elected to serve as the Conference Director of Lay Servant Ministries (LSM).

She will be working alongside, Julie Carter who was hired in January 2023 to be the Conference Director of Faith Formation and Lay Ministry.

The new leadership has been in the process of reviewing the administration of LSM and the goals set in the prior year.

In 2022, the process for scheduling Lay Servant Ministry Classes across the conference by the Conference LSM Committee was established. This process continues to evolve into a participant-friendly, efficient tool for expanding accessibility to training.

We will continue to review this change as it is implemented by districts to ensure that all persons have access to classes and administration is well managed.

The 2022 goal for curriculum redesign is still in process. In cooperation with the conference LSM committee, Julie Carter, Director of Faith Formation and Lay Ministry, and the Rev. Karen Cook, Director of Connectional Ministry, we will evaluate the current diverse needs of LSM training based on information gathered from individual districts while aligning these needs with a focus on the conference goals.

It will be a priority in 2023 to launch a robust campaign to bring new attention to the LSM and the way it can address the needs of individuals seeking to respond to a call as well as the specific needs of the church in a new era. Some of these needs are based on current laity expressing the need for more/additional knowledge, laity-expressed desire to serve, geographic location, access to internet connections, travel time and distance, and prior contextual promotion of LSM.

Specifically, we want to insure that all members of the conference are aware that classes are offered to any member of a UMC. Not everyone is or should be seeking certification but all are welcome to enroll in classes for personal education and spiritual formation.

In order to expand advanced class offerings, we will launch a search for new instructors, facilitators and educators. It is possible for our LSM persons to attend Zoom classes in other conferences, which expands the class offering availability.

An extension of the Conference LSM committee will be formed to focus on the recruitment of instructors and changes to the curriculum.

We will continue our work in support of district committees. We will solicit the cooperation of District Superintendents to fill vacant District Director positions.

This conference year will be a time of undergirding the work that has already begun, in prayerful hope that will show evidence of a "Committed, Connected, Community."

L. 2022 NORTH CENTRAL JURISDICTION

Presented by: Roger Grace, Delegation Chair

One hundred sixty Delegates from the nine states that comprise the North Central Jurisdiction met in Fort Wayne, Indiana, Nov. 2-5, for the 2022 Jurisdictional Conference. We gathered for worship, election of new bishops for the first time in six years, learning experiences and to do the legislative work of the Conference. NCJ made history when, for the first time ever at NCJ, a bishop was elected on the first ballot. Bishop Kennetha Bigham-Tsai from Michigan was elected on the opening ballot. Bishop Lanette Plambeck of Iowa was approved on ballot number 3. Bishop Dan Schwerin rounded out the new class of bishops on ballot 6. All joined the NCJ College of Bishops upon their election and consecration in Fort Wayne.

Due to the length of time that passed from the election of the delegation in 2019 and our gathering in November 2022, several members of the West Ohio delegation were unable to attend NCJ. Reasons such as job changes, moves, transfer to another Annual Conference, health, family concerns, and disaffiliation kept some away. Of the 28 members that WOC was entitled to seat, only 21 were actually in attendance. We regret the circumstances that kept several from participating, and we honor the choice of those who stepped aside because their membership was in a church that chose to disaffiliate.

Building Beloved Community featured learning exercises with presentations on White Nationalism/Christian Nationalism, Anti-Racism, Homophobia, Transphobia, Heterosexism, and Gun Violence. The 2023-24 Budget was approved and was approximately \$23,000 less in projected apportionments for the Jurisdiction than the 2016-20 budget.

Two recommendations were approved:

1. Motion to reinstate the NCJ Committee on Ordained Ministry. The motion was passed 139-12.
2. A motion that all leaders of color of the NCJ and the entire College of Bishops will meet at least once a year, and more as needed, to share, strategize and develop magnanimous spaces of hope, reconciliation, thoughtful conversations and extravagant welcome to all people of God! Passed 131-8.

NCJ also voted to approve the following four Resolutions:

1. Ethics Code for Delegates to the North Central Jurisdiction of The United Methodist Church. Passed 128-25
2. Leading With Integrity. Passed 114-32
3. Supporting Formation of a U.S. Regional Conference. 123-21
4. Queer Delegates' Call to Center Justice and Empowerment for LGBTQIA+ People in the UMC. Passed 129-23.

Resolutions 2 + 3 above were similar to Resolutions submitted in all five U.S. Jurisdictions.

Bishop David Bard, President of the NCJ College of Bishops, gave the Episcopal Address. Sermons by Bishop Bruce Ough, Bishop Tracy Malone, Bishop Julius Trimble, and Bishop Sally Dyck were featured in worship services.

The retirements of Bishops Sally Dyck and Bruce Ough, which occurred during the pandemic, and Bishop Laurie Haller, who retired at the end of 2022, were celebrated by those in attendance.

Episcopal assignments for 2023-24 are as follows:

1. Bishop Lanette Plambeck, *Dakotas/Minnesota*
2. Bishop Tracy Malone, *East Ohio*
3. Bishop Frank Beard, *Illinois Great Rivers*
4. Bishop Julius Trimble, *Indiana*
5. Bishop Kennetha Bigham-Tsai, *Iowa*
6. Bishop David Bard, *Michigan*
7. Bishop Dan Schwerin, *Northern Illinois*
8. Bishop Gregory Palmer, *West Ohio*
9. Bishop Hee-Soo Jung

The 2024 North Central Jurisdictional Conference will be held in Sioux Falls, South Dakota, from July 10-13, 2024.

The full text of the budget, motions, and resolutions, along with highlights of the conference, may be found at www.ncjumc.org.

M. TRANSFORMATIVE DISCIPLESHIP

Presented by: Rev. Corey D. Perry, Chair

In the name of our Lord, I offer grace and peace to all members of the annual conference on behalf of the Transformative Discipleship Lead Team. The past year has seen tremendous ministry take place but has also been marked by change within the staff and leadership of Connectional Ministries and the work overseen by Transformative Discipleship.

The most significant change was the departure of Rev. Dee Stickley-Miner from the role of Director of Connectional Ministries. Dee served as DCM for over seven years, and her departure created a vacuum that will not be easily filled. However, given the blessings that God has bestowed on our conference and the strength of leaders within the conference, we were able to find an able successor well-equipped for the work. Bishop Palmer nominated Rev. Karen Cook as the next Director of Connectional Ministries, which was ratified by the Transformative Discipleship Team. Dee left the ministry well equipped to welcome her successor, and we have every confidence that the staff of Connectional Ministries, the Transformative Discipleship Team, and the conference will surround Karen in her new role as she leads us into a hope-filled future.

Another change came soon after annual conference last year with the arrival of Rev. Darnard Newell as the new Director of Diversity and Belonging for the conference. Darnard brought with him nearly a decade of experience in this work. Darnard launched himself into expanding and deepening our work with regard to becoming a conference that demonstrates the love of God for all people – a conference where all people can see themselves in God's Kingdom.

Additionally, with the departure in the fall of 2022 of Sam Rodriguez to the Illinois Great Rivers Conference, a new Director of Faith Formation and Lay Ministry was hired. Julie Carter was added to the Connectional Ministries staff in January. Julie comes to the role having served at Sylvania First UMC for nearly 25 years in numerous roles. She has participated in several ministries across the conference including Greenhouse Fresh Expressions, Community Engagement Experience, and Fear+Less Congregations. Her energy, enthusiasm for ministry, and call to love as Christ loves will equip her to continue to lead others as they grow in the likeness of Christ across the conference.

In the fall, a Task Force was formed from members of Transformative Discipleship, our Camps and Retreats Lead Team, and other stakeholders – including the Board of Trustees, West Ohio Foundation, CF&A, and other relevant leaders – to examine the issues related to the conference's three campsites and how best to steward those resources into the future. After six weeks of prayerful work and a data-driven analysis of the issues facing our Camps and Retreats ministry, the Task Force returned a recommendation that two sites – Widewater and Otterbein – be sold with proceeds going to the refurbishment and reinvigoration of Camp Wesley. This recommendation was approved by the Transformative Discipleship Team and by the West Ohio Conference Board of Trustees, with support from Connectional Table and Extended Cabinet. The recommendation from the Task Force has been included in the Book of Reports for reference in support of the legislation subsequently offered to the conference. While an admittedly painful process and recommendation, the work was performed in a spirit of properly resourcing and supporting the ministry for a vibrant and exciting future that can be sustained. Legislation supporting this recommendation was subsequently drafted for the conference, and the full report and recommendation coming from the Task Force has been made available in the Book of Reports.

Other exciting work continues to occur within Connectional Ministries, including the Fear+Less Congregations Initiative, which is the Lilly Endowment funded partnership with Fearless Dialogues. Clergy who have participated note that this is the most highly valuable learning experience they have had. The conference has additional capacity available for this work, and it is our dream to see more congregations participating in the future.

Further, the conference's restorative justice ministry – All In Community – continues to thrive and show the power of transformation within the conference. It is one of the most highly valued programs by the Ohio Department of Rehabilitation and Corrections, and the conference – through this ministry – has become the state's primary faithbased partner.

We ask for the continued prayers and support of the conference as we move forward into the future, that we might be faithful to God's call on our ministries and lives.

N. UNITED METHODIST FOUNDATION OF WEST OHIO

Presented by: Bruce Boyd, Chair

As I serve my final year as Chair of the Board for the United Methodist Foundation of West Ohio, I am proud of the accomplishments we have made for the Foundation in just three short years, especially given the headwinds of 2022.

Chief among these accomplishments is the strategic plan which came to fruition in 2022. Our first goal, to build relationships with current and potential stakeholders through a clearly communicated value proposition, was completed through a new communication plan.

Two important steps were made on the second goal which is to increase the Foundation's capacity to serve current and future stakeholders. First, since February 2022 the Investment Committee of the UMFOW engaged in an Outsourced Chief Investment Officer (OCIO) review that included working with outside counsel to conduct a Request for Proposal Search and Selection process. In September, this work was completed, and a new OCIO relationship was formed with Wespath Institutional Investments. This relationship replaces the current asset management relationships with Huntington Bank and Morgan Stanley beginning in early 2023.

Second, our new stewardship-education program Generosity Abounds! was developed with a premier in January 2023. In addition to the free conferencewide resources the new program provides, the Foundation will host clergy education focused on the challenge of church stewardship and personal finances – and how the two intersect. The plan includes a two-day Generosity Summit for clergy and lay persons Sept. 11–12, 2023, at Deer Creek State Park.

In a season of change and uncertainty, one thing is certain: the United Methodist Foundation of West Ohio remains committed to supporting the work of individuals, churches and organizations across the West Ohio Conference that are making disciples of Jesus Christ for the Transformation of the World. Thank you for your support of and participation in that mission.

The seventh ballot tally will show 200 votes or more, and each succeeding ballot tally showing will increase by 50 or more. The members of the conference may direct the reporting of a higher minimum vote. 2. The district superintendent shall ensure the organization and operation of each district’s incorporated entity consistent with its code of regulations (bylaws) and articles of incorporation. Therefore, each district shall have a Board of Directors or Trustees that fulfills obligations of the district’s articles of incorporation and code of regulations (bylaws). The members of this board shall be nominated by the District Nominations Committee and elected by the District Conference. It should meet at least quarterly to conduct the business of the district.

5. Each district shall have a District Board on Church Location and Building to approve purchase and sale of church or district properties within the district. It also shall approve new building projects and significant (over 25% of the value of the building) remodeling projects for the district or the churches in the district.

D. CLERGY PROCEDURES

1. MOVING TO A NEW APPOINTMENT

The cabinet shall annually determine the effective date of appointment changes and the moving date for pastors.

2. COMPENSATION FOR NEWLY APPOINTED PASTORS

When a pastor receives a new appointment, the cabinet shall determine the date for compensation changes including salaries, pension, and hospitalization.

3. COMMITTEE ON STAFF/PASTOR-PARISH RELATIONS AND NEWLY APPOINTED PASTORS

We strongly recommend that the Committee on Staff/Pastor-Parish Relations and newly appointed pastors meet monthly for the first six months and at least quarterly thereafter for the purpose of developing a supportive relationship.

4. VACATION

a. Vacation Policy

Time for vacation, continuing education, Sabbath and formational renewal are extremely important to every person involved in professional ministry. There must be times of recreation, study and recentering in each clergy's life. The West Ohio Conference adopts these guidelines for clergy and churches as a way of encouraging clergy to live a balanced life in ministry.

The guidelines that are listed below are the minimum of all clergy under appointment to local congregations. A charge and the appointed clergy in consultation with the District Superintendent may negotiate mutually agreeable changes to fit unusual circumstances in line with the spirit of this section.

Details and agreements regarding vacation, sick time, continuing education, days off, formational and spiritual growth leave, and connectional responsibilities should be established at the time of the appointment and reviewed annually as part of the annual pastor evaluation with the charge's Committee on Staff/Pastor-Parish Relations (SPRC).

All clergy shall have at least, but not limited to, the equivalent of four weeks (based on estimated weekly workdays), plus two days. These days may be taken individually. This shall include a maximum of four Sundays. The following table shows minimum paid vacation days by nature of appointment.

MINIMUM VACATION STANDARDS**

Appointment Level	Estimated Weekly Workdays	Total Vacation Days including 4 Sundays
Full Time Appointment	6	26 (6 x 4 = 24) + 2
¾ Time	4.5	20 (4.5 x 4 = 18) + 2
½ Time	3	14 (3 x 4 = 12) + 2
¼ Time	1.5	8 (1.5 x 4 = 6) + 2

**Clergy do not need to take a vacation day for regularly scheduled weekly day(s) off

Vacation shall be granted on the annual conference year (July 1 through June 30). In order to establish proper healthy boundaries, pastors and other clergy persons under appointment are expected and encouraged to take all vacation days annually. Vacation is not cumulative and cannot be carried over to the succeeding year. It is expected that the pastor will make arrangements in advance with the SPRC and consult with them in obtaining vacation supply coverage. Vacation leave for appointment beyond the local church (deacons) or extension ministry (elders and local pastors) is determined by that employer.

b. Continuing Education and Spiritual Growth

In accordance with *The Book of Discipline* ¶350.2, clergy members continuing education and spiritual growth program shall include professional formation leaves at least one week each year and may include at least one month during one year of every quadrennium. Such leaves shall not be considered vacation time and should be coordinated through your SPRC committee.

More extended time for renewal leave is a healthy part of the rhythms of vocational ministry. In accordance with *The Book of Discipline* ¶350.3, clergy members who have held full-time appointment for at least six years may request a formational and spiritual growth leave of up to six months while continuing to hold an appointment in the local church.

c. Sabbath and Weekly Day Off

It is important for clergy to have regular time away each week. Clergy members are strongly encouraged to establish a schedule that includes at least one day of Sabbath and one day away from ministerial responsibilities each week. Experiencing and modeling the rhythm of weekly Sabbath rest is vital to the work of vocational ministry. This day is included as a part of the six-day workweek for full time appointment in the chart above. Such days should be communicated so that congregation and staff will know when such days are to occur, so as to allow a time of refreshment. These are not vacation days.

d. Connectional and Community Responsibilities

All clergy are expected to attend all sessions of the Annual Conference. In addition, clergy may have other connectional responsibilities. Time spent on these responsibilities shall not be counted as vacation or as continuing education. Clergy will inform the SPRC of time needed for these responsibilities.

Clergy are also often involved in various community groups. Such involvement provides an opportunity to build a bridge between the community and the church. These involvements shall not be considered vacation or continuing

education. Clergy are encouraged to use good judgement in determining the commitment accepted beyond the primary appointment. Consultation with the SPRC should take place before accepting such responsibilities.

There shall be not more than ten members of the Reference and Procedure Committee. The members shall be: Chair— the conference secretary; director of Connectional Ministries; one representative from the Transformative Discipleship Team; assistant to the bishop, and such lay and clergy as will provide an equal balance named by the Conference Committee on Nominations.

Twenty per cent (20%) of the at-large lay members shall be youth and young adults. Deliberate care should be taken to ensure inclusive representation as outlined in the Values Statement. This formula shall be reviewed every quadrennium by July 1, in the year following general conference, based upon the previous year's statistician report.

This includes the following motions listed in order of their precedence: Lay on the Table, Previous Questions, Limit or Extend Limits of Debate, Postpone to a Certain Time, Commit or Refer, Amend, Substitute, Postpone indefinitely. Only one amendment to an amendment shall be in order. However, it is in order to move a substitute for the main motion. In such case the chair shall proceed to perfect the original motion. The previous question when voted under these conditions shall merely stop debate but does not permit a vote on the main motion. When the main motion has been perfected, the chair shall proceed to perfect the substitute. When the substitute has been perfected, the chair shall call for a vote on the substitute. If the substitute is carried, it shall replace the original main motion and become the main motion. The chair will then call for a vote on the (new) main motion. 10. DIVISION OF QUESTION

11. TABLING RELATED MOTIONS

No motion which adheres to another motion, or has another motion adhering to it, can be laid on the table by itself. Such motions, if laid on the table, carry with them the motions to which they respectively adhere or which adhere to them.

12. SPEAKERS FOR AND AGAINST

- a. When a recommendation is under consideration, it shall be the duty of the chair to ascertain, when recognizing a member of the conference, on which side the member proposes to speak; the chair shall not assign the floor to any member proposing to speak on the same side of the pending question as the speaker immediately preceding if any member desires to speak on the other side thereof.
- b. Except for undebatable motions (Rule 2), no recommendation shall be adopted or question relating to the same decided without opportunity having been given for at least two speeches for and two against the same recommendation. After three speeches for and three against and provided no secondary motions come before the floor, the question shall be put automatically.

13. LIMITATIONS ON DEBATE

No member shall speak more than once on the same question until all who desire to speak have spoken. Speeches shall be no more than two minutes without leave of the conference. The chair and/or duly authorized member or members presenting the recommendation shall be entitled to two minutes to close the discussion. The motion to limit or extend the limits of debate is in order any time, except when a member has the floor.

14. SPEAKING ONLY AFTER A MOTION

A member who is not within the bar of the conference at the time the question is put by the chair shall not be permitted to vote except such member is necessarily absent in the work of the conference.

17. PREVIOUS QUESTION

When any member moves the previous question (that is, that the vote be now taken on the motion or motions pending) the member shall indicate to what it is intended to apply if any secondary motion or motions are pending. If the member does not so indicate, the chair may regard it as applying only to the immediate pending question. This vote shall be taken without debate and, if in the judgment of the chair, two-thirds of those present vote for its adoption, the vote shall be taken on the motion or motions to which it applies.

18. INTERRUPTING THE SPEAKER

19. RECONSIDERATION OF A QUESTION

A motion to reconsider an action of the conference shall be in order any time if offered by a member who voted on the prevailing side. If the motion it is proposed to reconsider is nondebatable, the motion to reconsider may not be debated.

20. SUSPENSION OF RULES

The application of any of the provisions of these Rules of Order may be suspended at any time by a two-thirds vote of the conference.

As head of the area, the bishop is vitally concerned with the decisions of this body. Therefore, the bishop shall have the right to speak on issues before this conference, providing the chair is surrendered to a person of the bishop's choosing at such time the bishop feels the conference should be apprised on matters pertaining to the issue before the house.

Recommendation #2**2024 Board of Pension and Health Benefits****Adopted****Clergy Pension and Disability Income Plans**

1. The General Conference of The United Methodist Church gives authority to Wespath Benefits and Investments (Wespath) to establish and maintain a retirement program for the benefit of ordained ministers and their families, other church workers, and lay employees (§1501). As a part of those plans (as approved by the General Conference) participation by full-time ordained clergy is required. The Discipline does not give permission for a local church to deny payment of the retirement benefits for any pastor appointed to that charge. Such payments are part of the total obligations of receiving the appointment of a pastor.
2. The 2012 General Conference made Clergy Retirement Security Program (CRSP) eligibility optional for Annual Conferences for those clergy with less than full-time appointments. The Conference Board of Pension and Health Benefits approved the continued CRSP eligibility of three-quarter and one-half time appointments effective January 1, 2014. The Board affirms this recommendation for 2023.
3. Licensed local pastors (not the local church) may waive participation in the pension program if the pastor is appointed less than full time. Provisional elders and deacons and full elders and deacons (not the local church) may waive participation in the pension program if they are appointed half time. To waive participation, the pastor must complete, have notarized, and return a "Waiver of Participation," which is supplied by the Conference Benefits Office.

4. The Plan Compensation shall include salary plus 25% for housing where the minister lives in a parsonage or the amount of any cash housing allowance where provided.
5. The contribution rate for funding the Clergy Retirement Security Program (CRSP) will be billed in two parts; the Defined Benefit (DB) portion shall not exceed 11% of the participant's actual Plan Compensation up to the Denominational Average Compensation (DAC)¹. The DAC for 2023 is \$76,221. The rate for funding of the Defined Contribution (DC) portion shall not exceed 3% of the participant's actual Plan Compensation. (The participant must be enrolled and making a minimum of 1% United Methodist Personal Investment Plan (UMPIP) contribution to have the full 3% credit to CRSP-DC.) Billing begins at the time of participant's eligibility for, not enrollment in, the program.
6. The contribution rate for the Comprehensive Protection Plan (CPP) shall not exceed 3% of the participant's actual Plan Compensation for all full-time or three-quarter time appointments for Full, Provisional, or Associate members and full-time local pastors. Contributions will be paid monthly by each charge for their pastor or pastors. The West Ohio Conference, acting as an agent of Wespath, shall be responsible for the collection of these funds. Because each full-time or three-quarter time appointment for Full, Provisional, or Associate members and full-time local pastors must be part of the CPP, it is the obligation of each local church to pay this cost. Billing begins at the time of participant's eligibility for, not enrollment in, the program.
7. The base annuity rate for 2024 on Pre-82 pensions will increase to \$650. The yearly PSR may not be decreased.
8. Annuity rates for surviving spouses shall be 70% of the base rate on Pre-82 pension.
9. Each eligible clergy member and local pastor will contribute at least 3% of their plan compensation to the UMPIP unless opting out of the auto-enrollment feature. Additionally, each eligible clergy member and local pastor will have their UMPIP contribution increased 1% until a maximum of 10% is reached unless opting out of auto-escalation. Participants may contribute more than the 10% max, if desired. Personal contributions will be billed to the local church by Wespath and paid from payroll deduction by the local church.
10. Medical Leave and Death Benefits: Eligible clergy also have CPP as part of the benefit package. CPP provides disability income, death, and other supplemental benefits. Complete policy information can be found on the Wespath website at www.wespath.org. Clergy whose health condition may indicate a need for medical leave should contact their District Superintendent.
11. A death benefit of \$50,000 is part of CPP for active clergy. An additional death benefit of \$50,000 is provided by the Conference for eligible active appointments. The cost is included in the Clergy Benefit billing for full-time or three-quarter time appointments of Full, Provisional or Associate Members and fulltime licensed local clergypersons.

Health Care Benefits

1. Active Pastors: Eligibility

- a. Each charge shall fund health insurance for its eligible pastors and families through the West Ohio Conference program. The following chart shows who shall be covered and who has responsibility for payment of premiums.

- b. Pastors under full-time appointment to West Ohio Conference local churches, District Offices or Conference Office will participate in the Conference health insurance plan. If such pastors have duplicate coverage through a spouse's employment, have access to military coverage or prior employer insurance, they may use those plans. A written waiver is required to use other insurance.
 - i. Should a church provide compensation to pastors that opt out of the Conference plan, care should be taken not to violate employer payment plan rules, the violation of which could subject the church to financial penalties. Clergy opting out of the West Ohio Conference health insurance plan for any other reason must do so in writing.
 - ii. Clergy persons opting out may opt back into the conference health plan under the ACA for qualifying event reasons, or a newly assigned church appointment.

- iii. Further, Clergy who opt out due to other health care coverage, or who were never enrolled in the conference healthcare plan for five (5) or more years, will be prohibited from accessing a West Ohio Conference active or retiree health plan in the future.
- c. A pastor serving in active full-time ministry beyond their 65th birthday will remain on the Conference health insurance plan. Further, the pastor shall notify the Conference Benefits Office when enrolling into any parts of Medicare coverage.
- d. If one in an active clergy couple dies, the appointment of the surviving spouse will be responsible for health insurance as an active participant and responsible for payment of premium.
- e. Surviving spouses and qualified dependents of deceased active clergy previously serving in an appointment will pay 25% of the premium cost of the policy in use for the 24 months following the clergy's date of death. Thereafter, access will be based on years of service consistent with the premium sharing available to retirees.

2. Retired Pastors, Surviving Spouses, Medical Leave Participants

Eligibility: When a pastor retires under ¶358.1, ¶358.2b or ¶358.2c health insurance is available to the pastor, spouse, and eligible dependents.

- a. Beginning 1/1/2022, a Health Reimbursement Arrangement (HRA) will be provided for each eligible retiree and spouse based on 20 or more years of service toward retirement, five-years previous participation in the active conference health insurance plan, and enrollment into the conference sponsored Medicare advantage or supplemental plan.
- b. Retirees under age 65 will be provided a stipend to purchase an individual policy or to remain on the Conference plan. The amount of this stipend will be a fixed dollar amount consistent with the amount toward post-65 retirees, which is based on 20 or more years of service toward retirement and five years previous participation on the active health insurance plan eligibility. Plans and support will be limited to the retiree and retiree spouse only.

Resolutions Relating to Rental/Housing Allowances for Retired or Disabled Clergypersons of the West Ohio Conference

The West Ohio Conference (the “Conference”) adopts the following resolutions relating to rental/housing allowances for retired or disabled clergypersons of the Conference:

Whereas the religious denomination known as The United Methodist Church (the “Church”), of which this Conference is a part, has in the past functioned and continues to function through ministers of the gospel (within the meaning of Internal Revenue Code section 107) who were or are duly ordained, commissioned, or licensed ministers of the Church (“Clergy”), and

Whereas the practice of the Church and of this Conference was and is to provide active Clergy with a parsonage or a rental/housing allowance as part of their gross compensation, and

Whereas pensions or other amounts paid to retired and disabled Clergy are considered to be deferred compensation and are paid to retired and disabled Clergy in consideration of previous active service, and

Whereas the Internal Revenue Service has recognized the Conference (or its predecessors) as the appropriate organization to designate a rental/housing allowance for retired and disabled Clergy who are or were members of this Conference;

Therefore, be it resolved that an amount equal to 100% of the pension or disability payments received from plans authorized under *The Book of Discipline of The United Methodist Church* (the “Discipline”), which includes all such payments from Wespath Benefits and Investments (Wespath) during the year 2023 by each retired or disabled Clergy who is or was a member of the Conference or its predecessors, be and is hereby designated as a rental/housing allowance for each such Clergy; and

Therefore, be it resolved that pension or disability payments to which rental/housing allowance applies will be any pension or disability payments from plans and/or annuities from funds authorized under the Discipline. This may include payments from Wespath and from a commercial annuity company that provides an annuity arising from benefits accrued under a Wespath plan, annuity, or fund authorized under the Discipline. Those payments may result from any service a Clergy rendered to this Conference or that a retired or disabled Clergy of this Conference rendered to:

- any local church
- Annual Conference of the Church
- general agency of the Church
- other institution of the Church
- former denomination that is now a part of the Church
- any other employer

that employed the Clergy to perform services related to the ministry of the Church, or its predecessors, and that elected to make contributions to, or accrue a benefit under, such a plan, annuity, or fund for such retired or disabled Clergy’s pension or disability as part of their gross compensation.

Note:

The rental/housing allowance that may be excluded from a Clergy’s gross income in any year for federal income tax purposes is limited under Internal Revenue Code section 107(2) and regulations there under to the least of (1) the amount of the rental/housing allowance designated by the Clergy’s employer or other appropriate body of the Church (such as this Conference in the foregoing resolutions) for such year; (2) the amount actually expended by the Clergy to rent or provide a home in such year; or (3) the fair rental value of the home, including furnishings and appurtenances (such as a garage), plus the cost of utilities in such year.

Inquiries regarding current funding of pensions, personal contribution accounts (UMPIP), tax-deferred programs, and pension annuity checks shall be directed to Wespath Benefits and Investments, 1901 Chestnut Avenue, Glenview, Illinois 60025, 1-800-851-2201, or visit www.wespath.org for more information. Recommendation #3

2024 Recommendation Commission on Equitable Compensation

Adopted

Ministry happens when clergy, lay leaders and members of congregations put into motion what they hear from God. Jesus said, *“Everyone then who hears these words of mine and acts on them will be like a wise person who built their house on rock.”* (Matthew 7:24) Vital and healthy ministry takes place when clergy and congregations actively support the vision and mission of reaching and making new disciples of Jesus Christ for purpose of transforming the world. When we work collaboratively, we are better positioned to support spiritual journeys in a variety of missional contexts.

We understand clergy to include elders and deacons in full connection, commissioned elders and deacons, associate members, and licensed local pastors. Each clergy member plays a vital role within the life and ministry of the Church. Each congregation’s unique context may call for a different type of clergy leadership.

Elders provide spiritual leadership through nurturing others in their relationship to God and lead the church through the ministry of the Word and Sacrament, and service to others while ordering the life of the church.

Deacons provide spiritual leadership through nurturing others in their relationship to God and act as bridges for the congregation to respond to those marginalized in and around them through service.

Associate Members and Licensed local pastors provide spiritual leadership through nurturing others in their relationship to God and lead the life of the local church.

Licensed local pastors can provide leadership within a local area while elders and deacons are able to itinerate to areas of need across the connection. Elders, deacons, and licensed local pastors may work together within a local church or be appointed individually based on the needs of each congregation.

Provisional elders and deacons, as well as ordained elders and deacons, should be compensated equally (salary, pension, health insurance, housing, accountable reimbursement) if appointed fulltime to a local congregation. See the Five Elements of Compensation for Full-Time Clergy table below:

Regardless of appointed role within a local church, the salaries outlined in this recommendation should be considered for all appointed clergy serving fulltime within the local church.

THE FIVE ELEMENTS OF COMPENSATION FOR FULL-TIME CLERGY					
Ordained Elder/Deacon • Provisional Elder/Deacon Associate Member • Licensed Local Pastor (Course of Study) • Licensed Local Pastor					
Compensation Elements	Salary	Pension	Health Insurance	Housing Allowance/ Parsonage	Accountable Reimbursement
Definition/Explanation	Cash Salary paid by Local Church (Employer)	Contributions made toward Pension Plan (CRSP and UMPIP) by Local Church (Employer).	Participating in the conference plan with the Local Church paying a portion and clergy paying a portion.	Compensation provided in lieu of parsonage.	Agreement to reimburse clergy for business expenses according to the approved and signed ARP Form

The Commission on Equitable Compensation, outlined in the *2016 Book of Discipline* (Paragraph 625), is a way to employ financial resources as a means of support for congregational revitalization. The West Ohio Conference and churches partner together through faithful stewardship, accountability, and encouragement. The goal is to come alongside churches and clergy as a transition resource to assist congregations in the movement toward greater vitality and health.

Guidelines and Established Minimum Salaries

The Commission presents the following guidelines and minimum salaries for the calendar year 2024 with consideration of the projected General Board of Pensions Denomination Average Compensation (D.A.C.) of \$76,211, (which includes salary plus 25% for housing where the clergy lives in a parsonage, or the housing allowance where such is provided). Minimum salaries reflect a 2% increase over last year.

A. Minimum Salary

Recommended Minimum Salaries	2024
Elder/Deacon Full-Time appointment in a local church	\$46,512
Provisional Elder/Provisional Deacon Full-Time appointment in a local church	\$42,180
Associate Member Full-Time appointment	\$42,180
Licensed Local Pastor Full-Time (Course of Study completed or equivalent)	\$40,680
Licensed Local Pastor Full-Time	\$38,540

Each elder in full connection who is in good standing and who is appointed by the bishop to less than full-time service under the provisions of paragraph 338.2 of the 2016 Book of Discipline shall have a claim upon the conference Equitable Compensation Fund in one-quarter increments (Paragraph 342.2).

B. Definition of Eligibility

1. MINIMUM SALARY SUPPORT

- a. Elders, provisional members on the elder-track, deacons in full connection serving in local churches, provisional members on the deacon-track serving in local churches, associate members, and licensed local pastors serving full-time appointments in local churches are eligible for minimum salary support.
- b. Retired members, retired local pastors, full-member deacons appointed beyond the local church, provisional members on the deacon-track beyond the local church, student pastors, and members in extension ministries have no claim to minimum salary support.
- c. Support from all church sources (District, Conference and General Church) in addition to local sources will be used in computing claims.
- d. The commission will continue to work with the Cabinet in providing minimum compensation, sensitive to such variable factors as unique situations needing special skills, missional priorities, and ethnic/radical considerations.
- e. When a church withdraws from a charge to a station, its clergy shall not be eligible for minimum salary support for at least five years.
- f. A charge with more than 300 members shall have no claim to minimum salary support.
- g. Any situations limiting full itineracy of clergy will be taken under consideration prior to approving equitable compensation amounts.

2. KEY LEADERSHIP SALARY SUPPORT

Developing/redeveloping Ministries: Situations where new congregations should be developing or where existing congregations are facing circumstances that enhance the potential for unusual growth. These churches have the potential of becoming viable and self-supporting within five years.

3. KEY MISSIONAL SALARY SUPPORT

Situations where churches/parishes have an unusually large or complex program of missional ministries and require clergy leadership for expanded ministries. This also includes Ethnic Churches where support is necessary in getting the ministry established.

4. SPECIAL SALARY SUPPORT

This category provides clergy support on a short-term basis to meet a temporary situation. Funding under this category shall not continue beyond the appointive year in which it began.

C. The goal of the commission is to eliminate the need for long-term minimum salary support by:

1. Agreeing that any new Equitable Compensation grants for Minimum Salary Support or Key Leadership Salary Support shall not exceed 25% of the total cash salary received by the clergy of the church or charge. The 25% rule shall not apply to Key Missional or Special Salary Support.
2. Limiting the maximum number of years of eligibility for all Equitable Compensation grants to five years per clergy or church. Grants will be decreased by 20% of the original amount each year.
3. Asking for greater accountability of the local churches in the process of applications for funds through the District Superintendents, providing information on budgeted receipts and expenditures, having a stewardship plan, detailing how they are living within the CORE process, and an apportionment plan.

4. Being aware that churches and charges that reach the total grant or grant term limitations described above, and which are unable to maintain support for a full-time appointment, will be assisted by the District Superintendent to move to a part-time clergy, or to realign the charge.
 5. Being open to knowing that there may be special circumstances that would warrant an exception to these guidelines which can be made with the approval of the cabinet and the Equitable Compensation Executive team.
- D. The commission reminds the members of the Conference, local church Pastor-Parish Relations Committees, and clergy that total ministerial support package includes: 1) Cash Salary 2) Pension 3) Health Insurance 4) Housing (housing allowance or parsonage) 5) Accountable Reimbursement.
- E. It is the responsibility of the clergy of any church not receiving agreed-upon compensation from the church during the calendar year to contact their District Superintendent by the earlier of March 15 of next year; one year from the date of the initial arrearage; or at the time of an appointment of change. Failure to submit such notice of arrearage will end the statute of limitation for filing a claim from the Annual Conference for such funds (under the 2016 Book of Discipline Paragraph 342.4. Once an appointment ends, the pastor no longer has claim on the local church for compensation funds) and/or may cause an administrative complaint to be filed against such clergy.
- F. The commission recognizes that compensation contributes to clergy morale and encourages openness in financial matters among all persons, boards, and agencies who share the concern for the well-being of churches and clergy.

Recommendation #4**Disposition of West Ohio Camps and Retreat Ministry Property****Withdrawn**

Whereas, the Transformative Discipleship Team in Consultation with Bishop Palmer affirmed Camps and Retreat Ministries and formed the Camps and Retreats Task Force to address two key objectives, to create a sustainable, go-forward plan for camping and retreat ministry that allows for a legacy of outdoor, residential camp and retreat experience while simultaneously creating innovative expansion and integration opportunities; and

Whereas, the Task Force was comprised of clergy and laity from across the conference, most of whom who were very familiar with the Conference's Camps and Retreats Ministry and some not; and

Whereas, the Task Force reviewed several years of trends and other data regarding usage, financial results and deferred maintenance; and

Whereas, meaningful ministry has occurred at all camp locations, and deep and enduring discipling has resulted; and

Whereas, the Board of Trustees voted to affirm the full Task Force Report; and

Whereas, the Task Force reports that after multiple years of operation, without sufficient funding to maintain the individual facilities in optimal condition, which is due to decreased revenue, and increasing operational costs; and

Whereas, after considering several ways forward, including the sale of all three camps, the Task Force concluded West Ohio has the financial and operational capacity to provide comprehensive programming at one camp location only; and

Whereas, the Annual Conference is responsible for funding all programming, including deficits, liabilities, and programming that exceeds budget; and

Whereas, the West Ohio Conference Board of Trustees has responsibility for overseeing Conference-owned real estate, including our Camps; and

Whereas, the Conference Trustees encourage all Annual Conference members to read the full Camps and Retreats Task Force report.

Therefore, be it resolved that the West Ohio Annual Conference support the Task Force's recommendation to market and sell, for maximum profitability, Camps Widewater and Otterbein; and

Be it further resolved that net proceeds from the sale of the camps be designated for the support of current and future camping and retreat ministries; and

Be it further resolved that the Annual Conference affirm the initiation of a Capital Campaign, the proceeds of which will support Emerging Generations Ministry, and

Be it further resolved that deconsecration services and events be held at Camp Widewater and Camp Otterbein that honor the life-giving ministries so many people experienced.

Respectfully submitted on behalf of:

Conference Board of Trustees, *Dr. Julie Hurtig, Chair*
Transformative Discipleship Team, *Rev. Corey Perry, Chair*
Extended Cabinet, *Bishop Palmer, Chair*

Responding to a Request from Palestinian Christians

Adopted

Whereas the area identified as “The West Bank, Gaza and East Jerusalem,” and established as a separate entity from Israel in 1948 was intended as a homeland for Palestinians;¹

Whereas Israel has gradually seized more than three-quarters of the land once designated for a future Palestinian state and continues their dispossession today;¹

Whereas Palestinians in the Occupied Palestinian Territories have lived under Israeli military law for generations without any protected civil rights;¹

Whereas within Israel and in the Occupied Palestinian Territory the Israeli government has established its control over the lives of Palestinians with discriminatory laws and policies specifying where they can live, where and when they can travel short distances, which roads they can drive on, how much water they can use, when they can access their own farms, what land they can purchase, which justice system they are subject to, whether they will receive due process, and the kinds of punishment they will receive;¹

Whereas Israel has codified a governing principle in the Nation State Basic Law of 2018, which grants special status only to its Jewish citizens as truly representative of the State of Israel;²

Whereas seven prominent human rights groups, three of them Israeli, have lifted up an increasing number and variety of human rights violations committed against Palestinians living in the occupied territories;³

Whereas Israel is singled out for special treatment by the United States through its veto in the UN Security Council which has shielded Israel from criticism for its human rights record 53 times since 1972 while holding other nations to a higher standard;⁴

Whereas Israel is the single-largest recipient of US foreign aid, including military aid;⁵

Whereas Kairos Palestine, the Palestinian Christian movement endorsed by all the major Christian denominations in Palestine, in their “Cry for Hope” of 2020 has called upon the Church around the world to nonviolently oppose both “apartheid and occupation” in the Holy Land and to “uphold a vision of inclusivity and equality for all peoples of the land;”⁶ and has specifically asked The United Methodist Church to take the step of naming Israel an apartheid state;⁷

Whereas Palestinian Christians, who are counted among the persecuted Christians in our world, have met that persecution by calling on all parties to commit to nonviolent means of achieving justice;⁸

Recommendation #6

In Support of Creating a U.S. Regional Conference

Adopted

Whereas, the seven Central Conferences and five U.S. Jurisdictions of The United Methodist Church engage in mission together in 136 countries; and

Whereas, the connectional ties between the church in the United States and the Central Conferences are significant and vital to the continued mission and ministry of the worldwide United Methodist Church; and

Whereas, the existing structure of The United Methodist Church at the general church level has historically impeded each region from effectively tailoring its ministry to its specific contexts; and

Whereas, the existing structure of The United Methodist Church at the general church level diminishes our ability to be a vital and effective church and needs to be re-envisioned to achieve more fair and equitable church governance; and

Whereas, the Apostle Paul offered a beautiful example making clear the value of a church established in diverse places with shared beliefs, alongside local and regional differences in structure, worship, and style best suited to particular contexts; and

Whereas, the creation of a U.S. Regional Conference and the conversion of the Central Conferences to Regional Conferences, as outlined in the Christmas Covenant, developed by Central Conference leaders in Africa and the Philippines, would establish structural parity throughout the worldwide church; and

Whereas, the creation of a U.S. Regional Conference, as outlined in legislation put forward by the Connectional Table will establish the governance necessary to allow each region to design ministry for its particular contexts, and thus more effectively make disciples of Jesus Christ for the transformation of the world; and

Whereas, the West Ohio Annual Conference aspires to vital, thriving, multicultural, and diverse ministries that are open to all people and can be a beacon of hope for the worldwide United Methodist Church, and

Whereas, in November of 2022, and in historic fashion, a resolution in support of a U.S. Regional Conference was adopted at all five Jurisdictional Conferences.

Therefore, be it resolved that the West Ohio Annual Conference supports the expressed intents of the Christmas Covenant and Connectional Table legislation, including the creation of Regional Conferences in Africa, Europe, the Philippines, and the U.S., respectively; and

Be it further resolved that the West Ohio Annual Conference recognizes and supports the leadership of our Central Conferences in

the creation and furtherance of the Christmas Covenant as well the Connectional Table's future visioning on behalf of our worldwide fellowship; and

Be it further resolved that the West Ohio Annual Conference urges the Council of Bishops to expedite the process of voting on the constitutional amendments necessary to enact the regional conferences legislation, calling special sessions of annual conferences where necessary; and

Be it further resolved that in line with the intent of the non-disciplinary petition submitted by the Connectional Table, the West Ohio Annual Conference requests the Council of Bishops to immediately appoint a 20- to 25-member Interim Committee on Organization for a U.S. Regional Conference to develop and propose to the 2024 General Conference the structure and organization of a U.S. Regional Conference. In line with the CT's legislation, this body would organize and plan for the establishment and functioning of a new United States Regional Conference comprising the five jurisdictions of the United States. Committee membership should have a minimum of three members of each U.S. jurisdiction, three central conference members and shall meet standards of racial and gender diversity. The Committee should recommend a structure for the U.S. Regional Conference including considerations such as its membership, committee structure, meeting time, agency, and function; and

Be it further resolved that the West Ohio Annual Conference secretary shall send copies of this resolution to all delegates to General and Jurisdictional Conferences, including alternates, to the Commission on the General Conference, and to the Council of Bishops.

Recommendation #7

Whereas, a more diverse and fully welcoming UMC is a testament to a more complete image of God, which includes persons of all sexual orientations and gender identities, and

Whereas, the current language in the Book of Discipline falls short of embodying the spirit of John Wesley's simple rules to do no harm, do all the good we can, and love God, and

Whereas, legislative changes to the Book of Discipline would reduce barriers and allow movement toward wider diversity and inclusion in our United Methodist Church.

~~*Therefore*, be it resolved that the West Ohio Annual Conference supports the removal of all discriminatory policies and harmful language related to sexual orientation, and urges delegates to adopt the following petitions; petitions already submitted and that will be before the voting body of the next General Conference:~~

Whereas, in an attempt to address the divide within The United Methodist Church, an abeyance or moratorium was proposed to the General Conference, referenced below,¹ by the authors of the Protocol of Reconciliation and Grace through Separation, and

Whereas, we understand our call and responsibility as United Methodists to do good, do no harm, and stay in love with God, and

Whereas, we call on our allies to do good by using their voice and vote to support, empower, and amplify the voices of the LGBTQIA+ community in The United Methodist Church, and

Whereas, 46 queer General and Jurisdictional Conference delegates from across all five jurisdictions wrote the original resolution, which was historically adopted at all five jurisdictional conferences in November 2022.

Therefore be it resolved that the West Ohio Annual Conference of The United Methodist Church:

Supports and amplifies the queer delegates' call to justice and empowerment for the LGBTQIA+ community throughout the West Ohio Annual Conference, within and beyond our local churches, districts, departments, centers, and committees;

Affirms the spirit of the abeyance or moratorium as proposed to the General Conference, as referenced above, until changes can be made in The United Methodist Book of Discipline;

Implores our Annual Conference to either not pursue, hold in abeyance, or resolve in a timely fashion through a process of just resolution any complaints against clergy regarding their sexual orientation or the officiating of weddings of LGBTQIA+ persons;

Aspires to become a United Methodist Church in which LGBTQIA+ people will be protected, affirmed, and empowered throughout our life, mission, and ministry together.

Recommendation #9

Net-Zero Greenhouse Gas Emissions

Adopted

Whereas, God created Earth and charged humankind with its stewardship (Genesis 1–2);

Whereas, we seek to protect God’s Creation and improve our environment;

Whereas, “without God, we cannot remedy the problem” and “without us, God will not solve it” (St. Augustine);

Whereas, the Council of Bishops in their 2009 Pastoral Letter recognized that “our neglect, selfishness, and pride have fostered environmental degradation” and that “we cannot help the world until we change our way of being in it” [God’s Renewed Creation: Call to Hope and Action];

Whereas, 12 Boards and Agencies of the UMC have pledged to achieve net-zero emissions of greenhouse gasses by 2050 across ministries, facilities, operations, and investments and to leverage the gifts of our connection putting equity and justice at the center as we build a net-zero emission economy by 2050¹; and

Whereas, the Council of Bishops encourages and supports action on climate change at the Annual Conference level, including support for passing the Net Zero Resolution and moving toward net-zero emissions².

Therefore, be it resolved, that we the people of the West Ohio Conference of The United Methodist Church, confess our failure to properly steward God’s earth;

Ask for God’s help in restoring Creation; and

Join our denominational Boards and Commissions in committing to a just and equitable reduction of greenhouse gas emissions to net-zero by 2050. To that end we call on the bishop to establish a working group to study this action and develop an implementation plan. At a minimum, the working group will include representatives from the Creation Care Task Force, the Conference Committee on Finance and Administration, Just-Mission, and United Women in Faith. The working group will report their plan to the 2024 session of the West Ohio Annual Conference.

Individual churches are encouraged to take similar action over the next year.

2024 Budget Narrative for Special Annual Conference - Recommendation #1

Executive Summary

West Ohio's finances and budget are transformed. This report provides a lens on how we arrived at our current financial position, what is proposed for 2024 and what we might anticipate in 2025 and beyond. These are the headlines:

- \$10 million reduction in apportionments since 2018 (46%; 56% adjusted for inflation)
- \$12 million apportioned in 2024, the same as in 2023 for continuing churches
- 2024 budget prioritizes being connectional, clergy and church support, discipleship
- 2024-2026 budgets are transitional: post-disaffiliations, aligning resources with the Strategic Plan, new episcopal leadership, and likely shared episcopal leadership with East Ohio

\$10 million fewer apportionments than in 2018

Reducing reliance on apportionments by \$10 million (46%) in seven budget years has required careful planning and tough decisions. Even more remarkable, when taking inflation into account, it is a 56% reduction from the 2018 level! For the 601 continuing apportioned churches, their apportionments are reduced by 19% and 34% adjusted for inflation during the same period. Recommendation #6 from the 2015 Annual Conference required a report to the 2016 Annual Conference and it provided an important foundation for this work. Many of the recommended items are included below. Significant contributors to this change over seven budgets include:

- The Board of Pension and Health Benefits ended its reliance on apportionments (2021);
- The Council on Development became the United Methodist Foundation of West Ohio and ended its reliance on apportionments (2021);
- The Light the Way Capital Campaign aligned more than \$5 million around new faith communities and reinvigorating existing ones. LTW will support grants to local churches again in 2024;
- Strategic use of funds from closed churches to support new churches and emerging ministries and to invest for the same purpose long term via an endowment (for example \$1 million of proceeds from the sale of closed churches can provide \$50,000 in annual grants for new and revitalizing churches);
- Intentional use of our strong balance sheet through its many conference and district funds, most of which are invested;
- Fewer districts and restructured districts staffing;
- Financial administration and reporting across all legal entities (12) were centralized, significantly reducing aggregate financial staff;
- The acquisition and renovation of the Conference Center converted an expense-only item to an appreciating asset that is more efficient than pre-renovation;
- The global COVID-19 pandemic spurred new ways of being in ministry and carrying out the role of the Conference.

None of these were easy. All of them make sense. And some resulted from unanticipated events such as COVID-19. The additional challenges of navigating the disaffiliation of 348 churches and the resulting loss of apportionment support is foundational to the 2024 budget and beyond. All conference leaders – members of the Annual Conference, district and conference board and committee members and conference and district staff – played key roles in this financial transformation.

\$12.1 million is apportioned for 2024: A 32% Reduction from 2023

Expected resources acknowledge our current season. Support for clergy and churches advancing discipleship are preserved and, in some cases, increase. West Ohio will once again be a leader in denominational support, if not at the 100% level, close to it. CF&A set \$12.1 million as the amount to apportion because that is how much the 601 continuing United Methodist churches in West Ohio are apportioned in 2023. Leadership has been consistent that continuing churches will not be burdened with additional apportionments for the 348 that have or will disaffiliate. While three rounds of disaffiliations will result in a 32% reduction in apportioning capacity, key ministries will continue within the apportionment boundaries set by CF&A, which is possible due to several key efforts.

- Building on the work of a "Balance Sheet Transformation Working Group," the budget makes targeted and appropriate use of over 100 funds (conference, districts, BOP and Foundation). After planful use of fund balances, the conference's balance sheet will remain strong.

- BOP and UMFWO will build on their financial independence by paying the conference for overhead and direct support costs.
- BOP will fund \$250,000 in grants to support clergy, consistent with its Disciplinary mandate, by covering the Cabinet's Emergency Fund and providing resources for support previously paid for with apportionment receipts or fund balances.
- Higher interest rates on deposits will provide over \$500,000 of treasury income not available in recent lower interest rate environments.
- More coordinated promotion of grant resources across the various areas will help more churches be aware of grant funding and help the process be more equitable.
- Apportionment-supported staffing expenses are lower by 10% versus the 2023 budget (i.e., excluding BOP and UMFWO salaries and benefits).

While tremendous progress has been made in reducing reliance on apportionments, \$500,000 reserves will be used to meet the 2024 budget. It is the determination of CF&A that proposing a budget with lower expenses and that uses fewer reserves would be counterproductive in this season of the church. The terms of disaffiliating churches provide for an extra year of apportionments, which will sufficiently provide for this transition.

Plans for ministry with Children, Youth and Young Adults remains a work in progress. Accordingly, fully providing for them with a budget is challenging. There is no debate that ministry with children, youth and young adults is important and critical to our future (some would say it is our future, others say it is our present). It is not yet clear what that looks like and will be most effective in this season of the church. Camping and outdoor ministry is a component of a comprehensive approach in this area but not the whole of it. Separate from this report is a recommendation from Conference Trustees on camp property. Because CF&A cannot know the outcome of that legislation, the following decisions were made:

- \$200,000 of program expense for children, youth and young adult ministry is included. This may be more than is needed or less than is needed in 2024, but budgeting for it secures it as a line item in future budgets.
- Carrying costs associated with the three camps (taxes, utilities, property management, insurance, etc.) total \$390,000 of which \$140,000 is depreciation, and are included in the non-operating section of the budget. While there will be expenses, apportionments are not expected to cover them in 2024. If or when one or more camps are sold, proceeds of the sale will reimburse incurred expenses and income on invested proceeds of sales will support future children, youth, and young adult programming.
- If or when one or more camps returns to operation, the costs will return to the operating section of the budget and resources will be identified to cover expenses, net of program income.

We will be in a better position to understand the programming plans and resources available for children, youth and young adult ministries when developing the 2025 budget.

All of the above except the carrying costs of camps is planned for in the operating budget.

Looking ahead

The 2025 budget will be developed in the first quarter of 2024, less than six months from now. What will be undertaken in 2024 under this proposed budget, which also is a quadrennial year that includes an episcopal transition, will lay the groundwork for even more transitions, and change in 2025 and 2026.

A new bishop effective September 1, 2024, likely shared with the East Ohio Conference, will introduce changes to how the conference is administered and this will especially be true for Episcopal Office expenses, including bishop housing.

By 2026, the new Bishop will put their imprint on program priorities. Further, they will likely lead efforts to reduce certain expenses by further coordinating programming and support with the East Ohio Conference.

For some, there may be impatience with how methodically current transitions are being led or even how much the current season requires concentration on matters not fully focused on making disciples. In a large organization with a complex governance structure, change consumes resources and adding on unnecessary layers of change prematurely can undermine longer-term mission.

Whatever future priorities and budgets hold, the conference is blessed with a strong balance sheet that provides financial capacity when strategically managed.

Financial Information by Area

General Church Support

Because support for the General Church has historically been lower than for other apportioned funds (under 70%), in recent years the conference has increased the amount apportioned to local churches in this fund to bring the projected payout closer to 100%. The 2024 budget apportions to local churches the same amount the General Church apportions West Ohio. With an assumed collection rate of 70%, this will produce a shortfall of just under \$1.2 million. Because disaffiliating churches pay an additional year of apportionments, about half of this shortfall will be covered by pre-paid 2024 apportionments from local churches. This will bring West Ohio to a projected 86% payout rate. In early January 2025, CFA will have discretion to use reserves to increase this payout rate.

Looking ahead, West Ohio should see a reduction in what the General Church apportions for two reasons. First, the West Ohio Conference will be a smaller share of the denomination and therefore be apportioned less compared to other conferences on average. Second, the General Conference is expected to approve a budget that reduces the rate used to calculate denominational apportionments by 20%. What has been picked up in the 2024 budget should not disadvantage West Ohio in the 2025 budget and beyond.

Conference Ministries in 2024 by Area

Connectional Ministries

Connectional Ministries, under the new leadership of Rev. Karen Cook, equips local churches for ministry in their context, beyond their context and throughout the connection. The biggest shift in financial reporting for 2024 is designating a section for Children, Youth, and Young Adults through programming, partnering, and resourcing with, by and for emerging generations. Until now, the budget and financial resources of camping and retreat ministries overshadowed all other resources for and with young people. This is a clearer way to communicate resources that are not exclusive to camps.

Additional resourcing includes lay leadership development, equipping churches and communities to welcome citizens returning from incarceration, cultivating our global partnerships in North Katanga, Democratic Republic of the Congo, Southeast Asia, and Mexico along with other Volunteer in Mission (VIM) relationships, and safe sanctuaries. Preparing congregations to be welcoming and incarnational in their local context is part of Connectional Ministries' Diversity, Inclusion and Belonging work. Finally, Connectional Ministries has partnered with Fearless Dialogues, an Atlanta-based organization, to equip individuals and churches for creating unique spaces for unlikely partners to engage in hard and heartfelt conversations.

These key areas are preserved in the 2024 budget and their support is predominantly from apportionments except for the Fear+Less Congregations initiative that is funded by a five-year \$1 million grant from the Lilly Endowment.

Fresh Starts and New Beginnings

Led by Brad Aycock, Fresh Starts and New Beginnings is laser-focused on launching healthy and well-led worshipping communities and helping existing worshipping communities break out from trends that constrain their mission. In addition to providing training and education for clergy and lay leaders called to this work, this area is budgeted to facilitate \$500,000 in grants to local churches in 2024, awarded by the Conference's MCD Team (soon to be Fresh Starts Team). More than other conference ministries, this area relies on funding from capital campaigns (Light the Way), cash and invested proceeds from closed churches that have sold, and other conference and district funds aligned with this work. Apportionments provide for salaries and benefits and a portion of its grant budget.

The work of this area helps us fulfill the Great Commission and remains a budget priority in the 2024 budget.

Office of Ministry (Clergy Education and Credentialing)

The Office of Ministry, led by Rev. Donnetta Peaks, touches nearly every facet of clergy relationships with the Annual Conference. Starting with facilitating discernment processes through the internship program, continuing with the Candidacy Summit where discernment becomes focused on set-aside ministry, and then on to commissioning and ordination. Whether for local pastors or clergy pursuing a lifetime conference membership, this office provides needed education and credentialing, not just at the outset of ministry but at critical junctures throughout. Whether by keeping clergy grounded in the sanctity of their work through boundary training or providing mid-career check-ins through an every-eight-year assessment process or offering exposure to learning opportunities for clergy to lead in increasingly diverse and complex contexts, this office is a key resource for clergy, right up to and including retirement. Throughout a clergy career, grants are available for continuing clergy education as well.

The work of the Office of Ministry is funded through a combination of fee or tuition income (from West Ohio clergy and from other Annual Conferences), Conference Apportionments, and the General Church's Ministerial Education Fund (MEF), of which 25% is retained in annual conferences for the work of this area. Some funding is available from endowments and other funds accumulated over the years.

Episcopal Leadership

Bishop Palmer leads the Cabinet, the Episcopal Office and the Annual Conference. The Leadership Team budget, which includes costs associated with Superintendents – all of which are supported by conference apportionments – has historically been among the largest department budget. With fewer districts and superintendents, this budget has decreased in recent years.

At the same time, 2024 commences an innovative partnership between the Board of Pension and Health Benefits. Consistent with its purpose, the Conference Board of Pensions and Health Benefits will extend a grant of up to \$250,000 to help the appointive cabinet facilitate clergy support in the area of benefits, time away and other nonsalary ways that will be supportive of clergy. In the past, each district has used its resources for similar purposes, which made it uneven across districts. With this BOP support along with Equitable Compensation budgets – which remains unchanged in 2024 from 2023 at \$270,000 – the appointive cabinet will have more shared resources than ever before to ensure healthy appointments for clergy and churches.

Episcopal Office staffing is unchanged in 2024 when among its continuing responsibilities, it will facilitate farewells to Bishop and Cynthia Palmer and the welcoming of a new bishop on September 1. There are related expenses that are incurred every four years that will hit in 2024.

Annual Conference is central to our governance and functioning. Months-long planning provides for a multi-day event that convenes more than 1,000 United Methodists for business, learning, worship, and celebrations. \$300,000 is budgeted for the 2024 Annual Conference. While this cost for the Conference is higher than at Lakeside, the total cost to the system is likely lower. Not all attendees will require lodging, for example. For others, there will be less strain on Accountable Reimbursement plans.

Similar to a change in Episcopal Leadership, we will return to quadrennial Jurisdictional and General Conferences in 2024, each of which incur a modest cost to support elected delegate's participation.

Communications

Led by Kay Panovec, the Communications department is behind much of what you see, read, and hear. Whether it is Annual Conference, videos, NewsNet, social media, website or print media, Communications produces that work. It also provides consultation for local churches who need assistance navigating local media or sensitive congregational messaging. Bishop Palmer and all other conference and district staff rely on Kay and her team to help project key messaging to the right audiences in the most effective way.

Finance and Administration

Bill Brownson is CFO and Director of Administration and is accountable for the Finance and Administration budget. This includes accounting and reporting for the conference, districts, Board of Pension, and the Foundation (nine corporations); information technology and cybersecurity; data; all property management (including closed churches); and facilities administration (including insurance). These services are shared by the whole enterprise and are largely expensed through this department.

A significant budget change for 2024 is the interest income expected from the several million dollars of cash and liquid balances the conference maintains at any given time. This is a direct result of an expected 5% interest or earnings rate on such balances. Also new in 2024 is financial support from the Board of Pension and the Foundation for services facilities, occupancy, and accounting services. Both of these items lead to a significantly lower reliance on apportionment receipts from local churches for 2024.

Other Non-operating Income and Expenses Considerations

Over the course of a fiscal year, income is received, and expenses incurred that are unrelated to programming or our core operations. In the case of investments, balances increase and decrease over the course of the year. Because it is not predictable, it is not budgeted. It is, however, reported.

While churches close every year, how many close and what financial resources will come from them is unpredictable. When churches close, we estimate their value on our balance sheet. When they sell, it is never for the amount on the balance sheet. Sale proceeds are recorded in the closed church fund and used to make grants to new and revitalizing churches. The Trustees govern these resources, and the Extended Cabinet applies them.

Finally, depreciation, a non-cash expense, is projected to be \$300,000 at the conference level alone. It is a way to spread the costs of major items over the life of the asset. It is a cash expense upfront, but the cost (depreciation) is accounted for over time. Budgeting for depreciation is a best practice and how the conference has budgeted in the past. Going forward, depreciation will be a below-the-line or non-operating expense. Because there are invested reserves available to maintain depreciating property and improvements, budgeting for depreciation is not a priority.

District Ministries

2024 will mark the first full year of being organized into the six districts approved at the 2022 Annual Conference. Apportionments provide full support for district administrators and three Regional Missional Specialists (RMS) and for office, occupancy, and

program expenses (superintendents are funded in the Conference budget). Various district funds provide the resources for mission grants to local churches. Because the BOP has stepped in to provide resources directly to the appointive cabinet for clergy support grants, districts will not rely on apportionments or reserves to cover these expenses in 2024.

Board of Pension and Health Benefits (BOP)

As indicated at the outset, the Board of Pension does not rely on apportionments to carry out their purpose. Accordingly, their budget is shared with the Annual Conference for information purposes and transparency. Grace Welch is the Conference Benefits Officer and Director of HR and is the primary administrator of the BOP's work within West Ohio.

Pension, health, and wellness benefits for active clergy appointed to local churches are primarily supported by directly billing local churches. As of August 31, 2023, the Board had over \$73 million invested with the Foundation. Investment earnings provide for the cost of the retiree plan (a Health Reimbursement Account through Wespath and Via Benefits). Investment earnings also cover all other BOP expenditures, including staffing, occupancy, and a persistent shortfall in directly billed health insurance premiums. The BOP has taken three key steps within its scope of purpose to help the broader organization reduce its reliance on apportionments. First, it will extend a \$250,000 grant for clergy support to the Appointive Cabinet. It also will cover the cabinet's emergency fund in 2024 (\$25,000). In addition, the BOP will contribute to occupancy, overhead and direct accounting support costs in 2024.

In 2024 and beyond, the BOP will be able to provide support to West Ohio clergy beyond just funding benefit plans. This blessing is possible because of their sizable investment portfolio, which is more than enough to meet the benefit promises made to both active and retired clergy.

United Methodist Foundation of West Ohio (UMFWO)

Led by Susan Black, the UMFWO is the newest of West Ohio's various corporate entities. Formerly, the Council on Development, the UMFWO provides investment administration services for the BOP, the Conference, and most districts, along with investing the endowments for many West Ohio local churches. Like the BOP, the Foundation does not rely on apportionments for its direct expenses. Its budget is presented for informational and transparency purposes.

With \$100 million of investments under its administration, the Foundation has a consistent and growing revenue stream that will support its mission, which prominently includes equipping local churches with best-in-class asset management services and stewardship-education resources. The UMFWO also holds several endowments created by individuals to support programming consistent with the Conference's mission. The Foundation expects to provide \$100,000 in 2024 for program support and grants for clergy education from these and other unrestricted resources. Like the BOP, the Foundation will also contribute toward occupancy, overhead and direct accounting support.

Contrary to other denominational trends, the Foundation is positioned to not just maintain, but to grow its capacity to support and equip West Ohio churches without reliance on apportionments.

Bill Brownson

Special Annual Conference - Recommendation #2

Disposition of West Ohio Camps and Retreat Ministry Property

Adopted

Whereas, the Transformative Discipleship Team in Consultation with Bishop Palmer affirmed Camps and Retreat Ministries and formed the Camps and Retreats Task Force to address two key objectives, to create a sustainable, go-forward plan for camping and retreat ministry that allows for a legacy of outdoor, residential camp and retreat experience while simultaneously creating innovative expansion and integration opportunities; and

Whereas, the Task Force was comprised of clergy and laity from across the conference, most of whom were very familiar with the Conference's Camps and Retreats Ministry and some not; and

Whereas, the Task Force reviewed several years of trends and other data regarding usage, financial results and deferred maintenance; and

Whereas, meaningful ministry has occurred at all camp locations, and deep and enduring discipling has resulted; and

Whereas, the Board of Trustees voted to affirm the full Task Force Report; and

Whereas, the Task Force reports that after multiple years of operation, without sufficient funding to maintain the individual facilities in optimal condition, which is due to decreased revenue, and increasing operational costs; and

Whereas, after considering several ways forward, including the sale of all three camps, the Task Force concluded West Ohio has the financial and operational capacity to provide comprehensive programming at one camp location only; and

Whereas, the Annual Conference is responsible for funding all programming, including deficits, liabilities, and programming that exceeds budget; and

Whereas, the West Ohio Conference Board of Trustees has responsibility for overseeing Conference-owned real estate, including our Camps; and

Whereas, the Cramer* Feasibility Report completed since June 2023 Annual Conference showed the West Ohio Conference was not ready for a capital campaign for camps and retreat ministries and children, youth and young adult ministries at this time.

Therefore, be it resolved that the West Ohio Annual Conference support the Task Force's recommendation to market and sell, for maximum profitability, Camps Widewater and Otterbein; and

Be it further resolved that deconsecration services and events be held at Camp Widewater and Camp Otterbein that honor the life-giving ministries so many people experienced; and

Be it further resolved that the net proceeds from the sale of the camps be restricted to the support of current and future camping and retreat ministries and children, youth, and young adult ministries; and

Be it further resolved that the Transformative Discipleship Team create a comprehensive plan for children, youth, and young adult ministries by Annual Conference in June 2024; and

Be it further resolved that subject to the comprehensive plan for children, youth and young adults, the Conference affirm the initiation of a capital campaign, the proceeds of which will support camping and retreat ministries and children, youth and young adult ministries.

Respectfully submitted on behalf of:

Conference Board of Trustees, Dr. Julie Hurtig, Chair

**Cramer & Associates was the firm selected to conduct a Capital Campaign Feasibility Study. For more information, please see the additional information link on the October Special Session page on the conference website.*

2022 STATISTICIAN'S REPORT

The Statistical Data collected from our local churches for 2022 is highlighted in this report. We changed to a new system to collect the GCFA Statistical Data from the Ezra website. This year was a tough year for Statistics and the Conference as a whole. Disaffiliation removed 89 churches from West Ohio on December 31, 2022. Unfortunately, many churches did not complete their reports to give a true statistical picture of the West Ohio Conference. We did not have a single district complete their reports. Keep in mind that with Covid-19 still part of our everyday life in 2022 these numbers are off from a normal statistical year. We again allowed churches to enter their data using the online entry method or by sending the information to the Conference Office to be manually entered by the Conference Statistician.

At the close of 2022, the membership of the West Ohio Conference stood at 106,215 members. A total of 3,796 members were added to the membership across our conference in 2022. That meant that every day last year, 10 members either joined a congregation or restored their affirmation in our conference. Like previous years the largest increase was received on profession of faith, a total of 1,841 members. In 2022, a total of 117 churches held confirmation classes, representing 12% of our churches. In 2022 that number has decreased from the previous year.

At the close of 2022, the West Ohio Conference membership was down from what was reported at the end of 2021. The total loss of members in all statistical categories was 25,518. A sizable percentage was from disaffiliations. Unfortunately, that meant that every day last year 70 people were leaving congregations within the conference. The largest loss was removed by withdrawing from professing membership, a total of 18,418 members. This number increased from what was recorded for the year 2021. The net loss from the new members minus the members lost shown below is 21,722 members. The West Ohio Conference membership has been reduced by 49,476 members over the last 5 years. The average annual loss for our conference over the last ten years has been 8,184 members per year.

Starting Membership 2022	127,937
Those received during 2022 – Add	3,796
Those removed during 2022 – Subtract	<u>-25,518</u>
Ending Membership 2022	106,215

During 2022 worship attendance on Sunday in the West Ohio Conference had an average of 122,008 members participating in worship across the conference. Online worship had 74,633 members participating. The average attendance in principal worship services increased by close to 7,668 members from what was reported in 2021. These numbers were inflated or deflated depending on how you look at it by the Covid-19 pandemic. We also baptized 1,252 individuals during 2022. The number of baptisms decreased by 121 from the totals reported in 2021. A total of 291 churches or 30% of the congregations in our conference reported at least 1 baptism in during 2022.

The Total number of Christian Formation Participants for 2022 was 45,424 participants. Overall, the West Ohio Conference experienced a decrease of 15 in the number of participants from 2021. The Average Attendance at Sunday School decreased from that of 2021 by 4,063 members. There were 14,377 participants involved in Vacation Bible School in our churches during 2022. This was a decrease from those participating in 2021 of 736. These numbers were also affected by the Covid-19 pandemic.

There were 41 UMVIM teams sent out from local churches in 2022. That was an increase from 2021 of 6 mission teams. That accounted for 254 participants in UMVIM teams which decreased by 275 participants. We also have several churches that are involved in community ministries for outreach, justice, mercy, and daycare. The number of persons engaged in missions in the local churches was 30,169 serving 2,082,041 people in those communities. There were 640 or 66% of our congregations that had persons engaged in mission.

The West Ohio Conference recorded a decrease in total paid in 2022. The conference received \$154,403,453 which was a decrease of \$28,003,870 compared to 2021. That breaks out to a cost of \$1,454 per member as compared to \$1,426 per member in 2021. Almost 56% or 540 of the churches in our conference paid their apportionments at 100% or more in 2022. General Advance Special giving for specific, designated ministries and projects showed an increase of \$182,394 in 2022. Total giving to General Advance Specials was \$834,589.

Other ministries in the conference that are not recorded in the Statistical Data include: Groups and gatherings of people using the churches of the West Ohio Conference for worship, Emmaus Walks, Chrysalis, food pantries, after school programs, Boy Scouts, Girl Scouts, 4H, kindergarten, pre-school, and many other civic functions. Some ethnic congregations are using West Ohio Conference churches for worship services. In situations like those mentioned above, vital ministries are taking place to help establish or re-establish the United Methodist Church as an integral part of their communities. The West Ohio Conference appreciates those churches for providing this outreach.

In conclusion, please be aware that this report covers only part of the Statistician's entire Report. Please review your church's

records in the conference journal and compare how your church measures up against others in your district and across the conference. Hopefully in 2022 our churches will be back to a more normal day to day operation like we had grown accustom.

FINANCIAL REPORTS

A. CHIEF FINANCIAL OFFICER REPORT

Presented by: Bill Brownson

Last year was a challenging year for the Conference from many perspectives, including financially. The two most significant drivers of consolidated financial results were investment market returns and disaffiliations.

The 2022 investing environment was the most challenging in decades. Rising interest rates resulted in lower fixed income returns, while inflation, Federal Reserve actions and an overheated equity market led to lower equity returns. There was no place to hide. Investments fell \$16.8 million, 14.6% from \$114.9 million in January to \$98.1 million on December 31. Net assets ended the year at \$90.6 million, down \$14.4 million from \$105.0 million at the beginning of the year, which suggests modest balance-sheet growth excluding investment losses.

The second major financial event was the disaffiliation of 80 local churches. The terms of disaffiliation required 100% payment of 2022 apportionments as well as 100% payment of 2023 apportionments. Because many of the disaffiliating churches were not paying apportionments at all or below 100%, apportionment income was greater than the 2022 budget. Disaffiliation payments exceeded \$9 million with almost \$4.9 million going to the Board of Pension toward any future unfunded pension liabilities and \$4 million going toward 2022 and 2023 apportionments. This is the most significant contributor to the increase in cash on hand, which increased \$8.3 million to \$15.7 million.

Disaffiliations also contributed to West Ohio's support of the General Church at 94% of what was apportioned, including paying 100% of several of the General Church funds. The final payout rate across all three funds was 74.9% (districts, conference, and general church), and the budgeted collection rate was 69.4%. The dollar difference versus the 2022 budget was \$962,383 (7.8%).

Seventy-one percent was the payout rate of continuing churches. This is higher than the pre-disaffiliation projected rate, as expected. This will be a key figure to watch going forward because it will be used in budgeting expected receipts on apportionments. Churches remaining UMC post-disaffiliation should have a higher payout rate on average, so burdens are lessened on churches paying 100%.

Resources from apportionments may be reduced by as much as 30% once the current disaffiliation process is completed. (This is after a couple of years of increased receipts due to disaffiliation terms.) We have more than adequate resources to navigate our future of equipping our local churches while not imposing additional apportionment burdens on them. To repeat, the total apportioned to West Ohio local churches will not increase because of disaffiliating churches.

Two areas experienced expenses materially more than budget. First, active health insurance claims exceeded budget by more than \$1 million. The conference plan is self-insured, which means claims were greater than budget and premiums were not sufficiently high to cover even the projected claims. Camps and Retreats was the second area where lower than budgeted income and higher than budgeted expenses resulted in a net program investment of just under \$1 million. As reported elsewhere in this Book of Reports, a plan and vision for Camps and Retreats ministries has been developed that will have a more manageable financial commitment.

During 2022, two important initiatives took place. Work to define the names and boundaries of six new districts, down from eight, was completed. Redistricting will bring changes affecting finances in 2023 and in 2024. Concurrently, a Balance Sheet Transformation Working Group took a deep dive into understanding the balance sheet and in its report made several recommendations on how the balance sheet should be used better to support ministry, particularly given a future with significantly less apportionment support driven both by disaffiliations and long-term worship trends.

Looking ahead to 2023 and 2024

Cash flow should continue to improve in 2023 as two additional rounds of disaffiliations will be navigated. While it is too soon to know the precise long-term impact, analyses suggest apportionments will be diminished by up to 30%. This reduction will not be spread among continuing United Methodist churches.

The current working assumption is that the 2024 budget will be adopted at a special annual conference in the fall. The extra time provides an excellent opportunity to develop a budget informed more fully by disaffiliations, a strategic-planning process being led by the Connectional Table, redistricting, and smarter use of the balance sheet. For reference, financial results from 2021, 2022 and the 2023 budget are on the following pages.

I have been consistent in my assessment of West Ohio's resources: we have a very strong balance sheet that will allow for living smartly into the future. We have, and will continue to have, all the resources necessary to fulfill our mission well into the future.

C. AUDIT REPORT

INDEPENDENT AUDITORS' REPORT

To the Council on Finance and Administration and Board of Trustees
West Ohio Annual Conference of The United Methodist Church and Affiliates
Columbus, Ohio

Opinion

We have audited the accompanying consolidated financial statements of the West Ohio Annual Conference of the United Methodist Church and Affiliates (a not-for-profit organization), which comprise the consolidated statements of financial position as of December 31, 2022 and 2021, and the related consolidated statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of West Ohio Annual Conference of the United Methodist Church and Affiliates as of December 31, 2022 and 2021, and the results of its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of West Ohio Annual Conference of the United Methodist Church and Affiliates and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about West Ohio Annual Conference of the United Methodist Church and Affiliates' ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of West Ohio Annual Conference of the United Methodist Church and Affiliates' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial

doubt about West Ohio Annual Conference of the United Methodist Church and Affiliates' ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Supplementary Information

West Ohio Annual Conference of The United Methodist Church and Affiliates
Consolidated Notes to the Financial Statements
December 31, 2022 and 2021

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of activities

The West Ohio Annual Conference of The United Methodist Church and Affiliates (the "Conference") is a religious not-for-profit organization that was established to provide organizational structure and support to its member churches. The Conference provides management of conference-wide programs for missional, ministerial, and charitable giving purposes. The Conference also operates retirement and healthcare programs for eligible lay and clergy employees and retirees of the Conference and member churches.

Conference and Affiliates

There were 884 member churches at (or as of) December 31, 2022 organized into eight districts. The Conference is legally the sole member of eleven corporations that are included in these consolidated financial statements. The eleven corporations are:

- Capitol Area North (CAN)
- Capitol Area South (CAS)
- Foothills (FTH)
- Maumee Watershed (MWD)
- Miami Valley (MIV)
- Northwest Plains (NWP)
- Ohio River Valley (ORV)
- Shawnee Valley (SHV)
- Community Ministries of the Capital Area
- West Ohio Conference Board of Pensions
- United Methodist Foundation of West Ohio

Under regulations adopted in 2019 by the General Conference, the denomination's primary governance body, churches may disaffiliate from the United Methodist Church if terms set by the Conference Board of Trustees are met. Key terms include payment of a share of pension liability and current and one additional year of apportionments. In exchange, the Conference releases all claims to church property (i.e., the "Trust Clause"). The 2019 regulations expire December 31, 2023. In the West Ohio Conference, 80 churches met the terms of disaffiliation in 2022 and 172 are expected to meet the terms by June 30, 2023. A final group, likely to exceed 50 churches, are expected to meet the terms by the end of 2023. The short-term financial effect is a material increase in support (reference Note 15, liquidity). By the end of 2024, the continuing effect of 2022 and 2023 disaffiliations is projected to diminish resources from apportionments by up to 30% from pre-disaffiliation levels. Conference leadership and management have been preparing for this event. Prior preparation in addition to a solid net asset position will allow the Conference to continue meeting its mission over the long term.

Because of the control exercised by the Conference over the Community Ministries of the Capitol Area (CAM), that entity is included in the consolidated financial statements.

The Conference is also the sole legal member of the Charitable Pharmacy of Central Ohio, UMCH Family Services, and OhioHealth. The powers reserved by their respectful Boards indicates a level of control that does not warrant consolidating their results into these statements.

West Ohio Annual Conference of The United Methodist Church and Affiliates
Consolidated Notes to the Financial Statements
December 31, 2022 and 2021

Basis of presentation

The Conference's consolidated financial statement presentation is in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP). Under U.S. GAAP, the Conference's consolidated financial statements are prepared on the accrual basis of accounting, and the Conference reports information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions and net asset with donor restrictions.

Accordingly, the net assets of the Conference, and changes therein, are classified and reported as follows:

Net assets without donor restrictions – Net assets that are not subject to donor-imposed restrictions and are available for use in the Conference's ongoing operations.

Net assets with donor restrictions – Net assets that are “temporarily restricted” and therefore limited as to use by donor-imposed restrictions that can be fulfilled by either the actions of the Conference, or the passage of time; and net assets that are “permanently restricted” and therefore limited as to use by donor-imposed restrictions that permanently restrict the use of the funds by the Conference, with the exception of the investment earnings.

Generally, if the corpus of a contribution will, at some future time, become available for spending, it is recorded as with donor restrictions. In addition, contributions that are promised to be given in a future period are presented as with donor restrictions. If the corpus never becomes available for spending, it will be held in perpetuity by others and classified as net assets with donor restrictions. Net assets held by others represent the fair value of the original gift as of the gift date and the original value of subsequent gifts to donor-restricted endowment funds.

Net assets without donor restrictions include liquid and illiquid resources without restrictions, including donations, gifts, and bequests available for the use of the Conference, over which the Board of Trustees has discretionary control. The Conference reviewed all endowment funds, and no reclassification to net assets was required.

Use of estimates

The preparation of consolidated financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the consolidated financial statements, and the reported amounts of revenue and expenses during the reporting periods. Accordingly, actual results could differ from those estimates.

Cash and cash equivalents

For purposes of reporting cash flows, cash includes all cash on hand, demand deposits, and highly liquid investments with original maturities of three months or less. Cash and cash equivalents exclude the cash components of investments.

The Conference maintains financial relationships with financial institutions subject to FDIC or NCUA membership. Under FDIC and NCUA guidelines, all depository accounts are insured up to \$250,000. Throughout the year, the Conference's and certain Affiliates' deposits exceeded these limitations for deposits held at certain financial institutions. Balances are insured subject to the regulatory guidelines for banks and credit unions. Further, periodic reviews of financial institution relationships include assessment of capital adequacy. Deposits in excess of insured limits were approximately \$13.3 million and \$5.6 million at December 31, 2022 and 2021, respectively.

Consolidated Notes to the Financial Statements
December 31, 2022 and 2021

Accounts receivable and revenue

Total revenue recognized at a point in time is \$486,820 and \$430,338 for the year ended December 31, 2022 and 2021, respectively. Total revenue recognized over time is \$21,217,607 and \$21,666,134 for December 31, 2022 and 2021, respectively. Contract assets were \$2,155,190 as of January 1, 2021.

Apportionments - Apportionment revenue represents amounts paid by member churches to fund Conference initiatives and operating expenses. Requests for apportionment contributions are sent in the early part of each year, and additional requests are sent throughout the year. The Conference records revenue based on the satisfaction of the performance obligations over time. Final revenue and receivables for the current year are recorded at year-end, based on subsequent receipts collected in January that relate to the prior year. Accordingly, there is no need to consider or record an allowance for uncollectible apportionments. Receivables are never considered delinquent and no interest is charged on receivables. Apportionment revenue does not include amounts collected from member churches to be passed on to the general United Methodist Church. These amounts are recorded as liabilities until transferred.

Medical Coverage Insurance and Post-Retirement Pension Contributions - The Conference operates a medical coverage plan and post-retirement pension covering eligible lay employees, eligible clergy employees, eligible retired clergy of the Conference, and member churches. Medical coverage premiums and pension contributions are collected from member churches and retirees. Revenue is recognized based on the related satisfaction of the performance obligations over time, which is monthly. Receivables are recorded, and there is no need to consider or record an allowance for uncollectible accounts as payments are automatically pulled electronically when invoiced.

Camp Operations - The Conference operates three camps throughout its region. Retreats occur year-round with larger camp sessions occurring primarily in the summer. Revenue is recorded at the related satisfaction of the performance obligations at point in time, which is at the time of the retreat or camp session. As such, no receivables are recorded. Any revenue collected in the current year pertaining to a retreat or camp session for the next year is recognized as deferred revenue.

Program Fee Income - At times, the Conference also requests a fee for events (other than camps) to defray a portion of program costs. These programs may be educational sessions or mission trips. Revenue is recorded at the related satisfaction of the performance obligations at point in time, which is at the completion of the event. Any revenue collected during the current year that pertains to a future event is recorded as deferred revenue.

Miscellaneous Revenue - Non-operational and ancillary income is reflected as miscellaneous revenue in the consolidated statement of activities. Miscellaneous revenue consists primarily of revenue generated from rental income, and random monetary or property gifts received from donors.

Investments

Investments are recorded at fair value based on quoted market values. Investment returns, including interest income, dividends, unrealized and realized gains or losses and fees are included in the consolidated statement of activities. See Notes 4 and 6.

West Ohio Annual Conference of The United Methodist Church and Affiliates
Consolidated Notes to the Financial Statements
December 31, 2022 and 2021

Property and equipment

Property and equipment are stated at cost and depreciated over their estimated useful lives using the straight-line method. Routine repairs and maintenance are charged to expense when incurred, and improvements and additions are capitalized. The carrying value of long-lived assets are reviewed for impairment whenever events or changes in circumstances indicate the amount of assets may not be recoverable. Management has determined there was no asset impairment on depreciable assets in 2022 or 2021.

The Conference holds approximately 798 acres of land related to its camps that were donated or otherwise acquired in prior years. As the fair market value of this land could not be reasonably determined at the time of its donation, it is not recorded in the consolidated financial statements. In addition, the Conference is holding 11 properties for resale at December 31, 2022 and was holding 13 properties for resale at December 31, 2021. These properties have been recorded at their estimated fair values.

Endowment investment and spending policies

The Conference has adopted investment policies for all investment assets for which it is accountable, including certain endowment assets. The investment policy acknowledges and accommodates objectives unique to each fund, pool, or donor. In some cases, the investment policy is designed to produce an income stream to meet conference obligations to annuitants; in other cases, the policy is designed to preserve the real purchasing power of the assets and produce increasing income over time. In all cases, the policy provides a governance framework and guidance on investment management practices that are prudent and respectful of The United Methodist Church's social principles and underlying investment objectives.

Where not restricted by donor intent, the Conference relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). Spending and disbursements from each fund are set by donor agreement or the investing body (e.g., Board of Pensions (BOP), Trustees, or The United Methodist Foundation of West Ohio (UMFWO)). Certain affiliated churches that have placed investment assets with the Conference, be they endowed or otherwise, may request a distribution of some or all of their balances at any time. The liability for funds held for the benefit of these churches is included in amounts held for distribution on the consolidated statements of financial position.

Each district or mission board within the Conference that has investable assets, separately maintains an investment policy statement designed to meet their respective needs and objectives or adopts the policy of the UMFWO if invested with that entity.

Contributions

Revenues from contributions are recognized when a donor's unconditional commitment is received. Donor contributions are recorded as without donor restrictions or with donor restrictions, depending on the existence or nature of any donor restrictions. When a restriction is satisfied, net assets with donor restrictions are released to net assets without donor restrictions and reported in the consolidated statements of activities as satisfaction of donor restrictions. Any restricted contributions that are received and fulfilled in the same year are recorded as net assets without donor restrictions. Contributions of marketable securities and property and equipment are recorded at their fair value at the date of the gift.

Expense allocation

The Conference allocates a portion of administrative expenses to program and mission services based on various direct costs related to each program and an analysis of personnel time.

Consolidated Notes to the Financial Statements
December 31, 2022 and 2021

Income and property taxes

The Conference along with nearly all US-based United Methodist churches, conferences, districts, and agencies, it is included in the denomination's IRS group ruling exempting it from income taxes under Section 501(c)(3) of the Internal Revenue Code. The Conference did not have any unrelated business income during 2022 or 2021. Accordingly, no provision for federal, state, and local income taxes is included in the consolidated financial statements.

As a religious organization, the Conference is not required to file tax returns if it has no unrelated business income. Based on its review, management does not believe the Conference has taken any material uncertain tax positions, including any position that would place the Conference's exempt status in jeopardy for 2022 and 2021.

Real property held long term and not directly for program purposes, such as parsonages, are subject to property taxes which are paid timely.

Life annuity gifts

The UMFWO receives funds from donors classified as life annuity gifts. The donors contribute an irrevocable remainder interest in the donated funds and establish an interest that requires monthly or quarterly payments of a specified amount to the donor annuitant or another annuitant. Payments must be made for the remaining life of the specified annuitant or annuitants.

Upon the death of the donor, other identified party or annuitant, the remainder interest becomes available for the final beneficiary, which is either the Conference, or other organizations generally associated with The United Methodist Church. The final beneficiary is designated in the life annuity contracts; however, the Conference enables the donor to change the final beneficiary up until the time of death, with the stipulation that the donor must either change the final beneficiary to the Conference or to another organization associated with The United Methodist Church. Since the final beneficiary is not determinable until the date of death, the Conference records all original gifts as liabilities and includes them in amounts held for distribution in the consolidated statements of financial position.

Upon the death of the donor, identified party or annuitant, if the Conference is named as the final beneficiary, then the Conference records contribution revenue for the remaining portion of the gift in the year of death. If another organization is named as the final beneficiary, then a liability is recorded to that organization by the Conference for the remaining portion of the gift. When the remaining portion of the gift is paid to the other organization, the liability is released.

Subsequent events

In preparing these consolidated financial statements, the Conference has evaluated events and transactions for potential recognition or disclosure July 21, 2023, the date the consolidated financial statements were available to be issued.

2. PLEDGE CAMPAIGN RECEIVABLES

The Conference conducts fundraising activities on an ongoing basis and some of those efforts result in multi-year promises to give. Pledges are recorded at their estimated fair value using discount rates ranging from 5.20% to 6.17%. Pledge campaign receivables as of December 31 are as follows:

	<u>2022</u>	<u>2021</u>
Pledges due in:		
Less than one year	\$ 35,000	26,250
One to five years	35,000	35,000

	<u>\$ 93,556</u>	<u>93,556</u>

3. NOTES RECEIVABLE

From time to time the Conference extends loans to local churches, assessed interest rates are generally at or below market and where applicable, tied to published rates such as prime or LIBOR Lending is not considered a core conference program.

Notes receivable are considered delinquent if required payments are not made; however, loans are not charged incremental interest or penalty fees provided foreclosure of property does not occur. Based on this practice, despite loans made to churches closely related to the Conference, there is a certain level of credit risk that may become significant.

Management assesses the collectability of notes receivable at year-end. Based on collection activity and known financial status of the church, an allowance may be recorded. The allowance for uncollectible notes receivable was \$600 and \$31,615 at December 31, 2022 and 2021, respectively.

Maturities of notes receivable over the subsequent five years and thereafter are as follows:

4. INVESTMENTS

Marketable securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain marketable securities, it is at least reasonably possible that changes in the value will occur in the near term, and such changes could be material. Investments consisted of the following as of December 31:

5. BENEFICIAL INTEREST IN ASSETS HELD BY OTHERS

Three bequests are held and administered as endowments by the Board of Trustees of The United Methodist Church. Two of the funds are for the benefit of the ORV and one is for the benefit of the BOP. All three are recorded as "beneficial interests in assets held by others."

Under the terms of the endowments, ORV and BOP have the irrevocable right to receive income earned in perpetuity. The original corpus and accumulated income as reported by the Board of Trustees of The United Methodist Church are recorded as a permanently and temporarily restricted beneficial interests, respectively. When distributions are received, they become donor-restricted assets. Restrictions are released only when qualifying expenses are incurred.

6. FAIR VALUE MEASUREMENTS

Generally accepted accounting principles define fair value, establish a framework for measuring fair value, and establish a fair value hierarchy that prioritizes the inputs to valuation techniques. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A fair value measurement assumes that the transaction to sell the asset or transfer the liability occurs in the principal market for the asset or liability or, in the absence of a principal market, the most advantageous market. Valuation techniques that are consistent with the market, income or cost approach are used to measure fair value.

The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value into three broad levels:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Conference has the ability to access.

West Ohio Annual Conference of The United Methodist Church and Affiliates
Consolidated Notes to the Financial Statements
December 31, 2022 and 2021

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Money market and certificates of deposit: Valued based on the contractual terms of the underlying money market or cash equivalent account.

Common stock, corporate securities and government obligations: Valued at the closing price reported on the active market on which the individual securities are traded.

Mutual funds: Valued at the net asset value of shares held by the Conference at year-end.

Property held for sale: Valued at fair market value based upon real estate appraisals.

Beneficial interest in assets held by others: Valuation is determined by the underlying interest in funds held by the custodian, which are primarily invested in marketable securities with quoted market prices.

Other funds: Valued at net asset value (NAV) which is determined by a third-party administrator based on the fair value of the underlying securities in the funds. The NAV, as provided by the third-party administrator was used as a practical expedient to estimate fair value. reported by the broker or investment manager for investments that includes alternatives, commodity futures, affordable housing, mortgage-backed securities (MBS), asset-backed securities (ABS), commercial mortgage-backed securities (CMBS), and term loans. These investments are not measurable by the methodology for determining Level 1, 2, or 3 and are shown as an Adjustment to the Fair Value measurement of the financial instruments in the consolidated statement of financial position as of December 31, 2022.

The Conference had no purchases, issuances or transfers of Level 3 investments for the years ended December 31, 2022 and 2021.

Property held for sale is measured at fair value on a nonrecurring basis in the consolidated statements of financial positions as of December 31, 2022 and 2021. Property held for sale is valued at \$2,687,838 and \$4,766,702 as of December 31, 2022 and 2021, respectively, as a Level 3 input.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Conference believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Conference has acquired church properties from former congregations that have ceased to be associated with the Conference. These properties are recorded at their estimated fair value when the Conference determines it will be held for resale. The Conference is committed to selling these properties as soon as possible.

7. LINE OF CREDIT AND LOAN GUARANTEE

ORV maintains a \$1,500,000 revolving line of credit with a financial institution due on demand. The line of credit bears interest at a rate determined by the size of the District's assets that are under management of the financial institution (6.0% and 1.75% at December 31, 2022 and 2021, respectively). The assets of the ORV are pledged as collateral.

The net assets with donor restrictions that are restricted by time or purpose includes assets and trust obligations of the Conference related to gifts with explicit donor-imposed restrictions that have not been met. Net assets restricted by time or purpose at December 31, are restricted to the following uses:

	<u>2022</u>	<u>2021</u>

The net asset with donor restrictions that are held by others includes assets of the Conference related to gifts with explicit donor-imposed restrictions that permanently restrict the use of the corpus of the original gift. See Note 5 regarding beneficial interest in assets held by others. Net assets that are being held by others at December 31, are restricted to the following:

10. FUNDS HELD IN TRUST BY OTHERS

The UMFWO is named as the remainder beneficiary of certain trusts held by others. These trusts are not included in the consolidated financial statements as the funds are neither in the possession of nor under the control of the UMFWO. Total estimated fair value of the UMFWO's interest in these funds at December 31, 2022 and 2021, is not available.

11. EPISCOPAL FUND

The Conference receives funds from the Episcopal Fund established by the General Council on Finance and Administration (GCFA) of The United Methodist Church. This fund is one of the general church funds to be used for administrative expenses of annual conferences.

The GCFA requires certain comparative information to be disclosed as a part of the annual audit of the Conference for the years ended December 31:

	<u>2022</u>	<u>2021</u>
Revenue		
GCFA Episcopal Fund receipts	\$ <u>85,470</u>	<u>85,470</u>
Expenses		
Salaries	286,269	228,283
Payroll taxes and benefits	72,880	77,165

	<u>406,798</u>	<u>353,319</u>
	<u>\$ (321,328)</u>	<u>(267,849)</u>

Episcopal related expenses exceed funding received annually; accordingly, there is no beginning or ending cash balances as funds are fully utilized by the year-end. Other operational or contribution funding is effectively utilized to pay for Episcopal expenditures greater than the funds provided from the Episcopal Fund. Except for equipment approved for and reimbursed by GCFA, none of the Episcopal Funds were used for property and equipment purchases in 2022 or 2021.

12. ENDOWMENT FUNDS AND UPMIFA

Management has determined that certain Conference assets meet the definition of endowments under the Uniform Prudent Management of Institutional Funds Act of 2006 (UPMIFA). The Conference has

West Ohio Annual Conference of The United Methodist Church and Affiliates
Consolidated Notes to the Financial Statements
December 31, 2022 and 2021

interpreted UPMIFA as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds, absent explicit donor stipulations to the contrary. As a result of this interpretation, the Conference classifies as net assets with donor restrictions (a) the original value of gifts donated to endowments, (b) the original value of subsequent gifts to endowments, and (c) accumulations to the endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund.

In accordance with UPMIFA, the Conference considers these factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- (1) The duration and preservation of the fund;
- (2) The purposes of the Conference and the donor-restricted endowment fund;
- (3) General economic conditions;
- (4) The possible effect of inflation and deflation;
- (5) The expected total return from income and the appreciation of investments;
- (6) Other resources of the organization; and
- (7) The investment policies of the organization.

13. HEALTHCARE POST-RETIREMENT BENEFIT OBLIGATIONS

The Conference sponsors a defined benefit post-retirement healthcare plan covering substantially all employees, and is a participant in a denomination-sponsored defined benefit pension plan as described in Note 16. GAAP requires an employer to recognize the over-funded or under-funded status of a defined benefit plan, or post-retirement benefits plan, as an asset or liability in its consolidated statement of financial position.

For pension plans, the asset or liability is determined by comparing plan assets to the projected benefit obligation. Pension plans recognize changes in the funded status in the year in which the changes occur through net assets without donor restricted revenue or expense. For post-retirement plans other than pension plans, the asset and liability is determined by comparing plan assets to the accumulated benefit obligation.

Effective January 1, 2022, the Conference ceased providing a retiree group health care plan for retirees and spouses age 65 and older. The group plan was succeeded by a Health Reimbursement Account (HRA) funding model. Under this arrangement, the Conference funds annually an HRA for retired clergy and their spouses at levels based on their years of service.

The size of the post-retirement healthcare obligation and related expense is based upon the plan benefit levels approved each year by the BOP and anticipated future increases. The Conference had assets designated for this liability totaling approximately \$59.3 million and \$68.6 million as of December 31, 2022 and 2021, respectively, in the Retired Clergy Benefits Fund.

14. RETIREMENT PLANS

The Conference is one many United Methodist-related sponsors of multi-employer retirement Program administered by Wespath on behalf of the United Methodist Church. The Program is comprised of a

West Ohio Annual Conference of The United Methodist Church and Affiliates
Consolidated Notes to the Financial Statements
December 31, 2022 and 2021

series of retirement plans organized under appropriate code sections and includes defined benefit plans and defined contribution plans. The Program is intended to meet the requirements of a "church plan" and be exempt from ERISA to the extent permitted.

Broadly, the Program is comprised of three sequential retirement plans, the Pre-82, MPP (Ministerial Pension Plan) and a Core Defined Benefit Plan and Core Defined Contribution Plan (CRSP-DB and CRSP-DC). The Pre-82 plan was frozen December 31, 1981, and it was succeeded by MPP. MPP was in effect until December 31, 2006, when it was succeeded by the CRSP plans. CRSP was amended effective January 1, 2014, and it is the current plan for eligible participants.

The Conference is responsible for funding its share of liabilities in each Plan in the Program. Wespath created a trust to receive contributions from plan sponsors in support of the Program. Wespath is responsible for investing Program assets and where applicable providing participants with mechanisms to accommodate their risk profiles. Sponsors have no control over program investments. Over the years, the Conference has employed various methods to ensure current service costs and accumulated liabilities are funded. All benefits under the program are provided exclusively by distributions from the trust. Annually, Wespath retains a third-party actuary to develop plan liabilities and assign funding levels based on plan assets. The most recent actuarial valuations were issued September 2022 as of January 1, 2021 and January 1, 2022, no plan assets or liabilities are recorded on the Conference's balance sheet.

Current Funding Levels

On a *Funding Plan* basis, plan assets and liabilities as of January 1, 2022 for 2024 plan contributions are as indicated in the table below. Funding plan liability is discounted based on average expected asset returns. This type of liability may provide incentives to adopt riskier investment policies that increase expected returns and lead to lower reported cost or increased funded status. The Conference's share of plan assets and liabilities on a Funding plan basis is reflected in the table below.

	Pre-82	MMP Current Annuities	CRSP-DB	Total
Assets	65,643,178	167,003,918	92,421,777	325,068,873
Liabilities	(54,022,129)	(128,401,772)	(75,306,275)	(257,730,176)
Funded Status	11,621,049	38,602,146	17,115,502	67,338,697
Funded ratio	122%	130%	123%	126%

The Market Liability is not discounted based on the allocation of invested plan assets. It is priced to reflect the lower risk that participants experience in receiving the benefit. This liability uses a discount rate curve that attempts to reflect the current price at which the liabilities would trade in the open market. The table below reflects estimated plan liabilities on a market basis and the resulting funding levels.

	Pre-82	MMP Current Annuities	CRSP-DB	Total
Assets	71,433,186	175,029,646	100,608,809	347,071,641
Liabilities	(69,028,532)	(179,823,825)	(136,848,991)	(385,701,348)
Funded Status	2,404,654	(4,794,179)	(36,240,182)	(38,629,707)
Funded ratio	103%	97%	74%	90%

The Conference's share of total plan assets range from 3.30% to 3.50%. As Program administrator, Wespath is responsible for assigning funding responsibility to plan sponsors. The need for additional funding could result from persistent lower than expected investment returns or the inability of one or more plan sponsors to meet their share of obligations.

West Ohio Annual Conference of The United Methodist Church and Affiliates
Consolidated Notes to the Financial Statements
December 31, 2022 and 2021

The terms of the plan permit the Conference to use an over-funded position in the Pre-82 Plan to fund the defined benefit component of the CRSP. Although a surplus was available, the Conference made a full contribution of \$3,170,777 and \$3,208,722 years ended December 31, 2022 and 2021, respectively. The Conference bills its churches at a percentage of eligible compensation regardless of whether the surplus is utilized. When amounts collected exceed the amount remitted to GBPHB, the excess funds are used to build a reserve for the post-retirement healthcare liability or other clergy benefits, as designated by the BOP.

United Methodist Personal Investment Plan

The Conference sponsors a 403(b) defined contribution plan for clergy and full-time lay employees of the Conference and Affiliates. Participants are 100% vested in their contributions. The Conference and Affiliates make matching contributions subject to their respective adoption agreements with the GBPHB. Matching contributions for the 403(b) defined contribution plan are immediately vested. Matching contributions totaled approximately \$163,282 and \$182,472 for years ended December 31, 2022 and 2021, respectively.

15. LIQUIDITY AND AVAILABILITY

The Conference is substantially supported by earned revenue. The Conference also receives contributions with donor restrictions. Because a donor's restriction requires resources to be used in a particular manner or in a future period, the Conference must maintain sufficient resources to meet those responsibilities to its donors. Thus, financial assets may not be available for general expenditure within one year. As part of the Conference's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due.

	2022	2021
Financial assets:		
Cash and cash equivalents	\$ 15,676,681	7,377,556

Less those unavailable for general expenditures within one year:		
Restricted by donor	13,267,526	16,792,089
Financial assets available to meet cash needs for general expenditures within one year before board designated and post-retirement benefit obligations	101,732,428	107,606,841
Board designated	30,326,818	52,666,631
Post-retirement benefits obligations	16,616,839	21,495,130
Financial assets available to meet cash needs for general expenditures within one year	\$ 54,788,771	33,445,080

16. RISKS AND UNCERTAINTIES

Several thousand United Methodist Churches are or were chartering entities for Boy Scout troops, including approximately 200 West Ohio Conference churches. As part of the Boy Scouts of America bankruptcy proceeding, the United Methodist Church negotiated an amount to be paid into a survivor's trust in exchange for release of liability associated with Boy-Scouts-related sexual abuse claims through February 2020. It is anticipated the West Ohio Conference will make a contribution estimated at \$1.1 million toward the denomination's commitment in 2023 or 2024. As of the date of the audit, no payments have been made and the bankruptcy proceeding is not finalized.

D. CLERGY PROCEDURES

1. MOVING TO A NEW APPOINTMENT

The cabinet shall annually determine the effective date of appointment changes and the moving date for pastors.

2. COMPENSATION FOR NEWLY APPOINTED PASTORS

When a pastor receives a new appointment, the cabinet shall determine the date for compensation changes including salaries, pension, and hospitalization.

3. COMMITTEE ON STAFF/PASTOR-PARISH RELATIONS AND NEWLY APPOINTED PASTORS

We strongly recommend that the Committee on Staff/Pastor-Parish Relations and newly appointed pastors meet monthly for the first six months and at least quarterly thereafter for the purpose of developing a supportive relationship.

4. VACATION

a. Vacation Policy

Time for vacation, continuing education, Sabbath and formational renewal are extremely important to every person involved in professional ministry. There must be times of recreation, study and recentering in each clergy's life. The West Ohio Conference adopts these guidelines for clergy and churches as a way of encouraging clergy to live a balanced life in ministry.

The guidelines that are listed below are the minimum of all clergy under appointment to local congregations. A charge and the appointed clergy in consultation with the District Superintendent may negotiate mutually agreeable changes to fit unusual circumstances in line with the spirit of this section.

Details and agreements regarding vacation, sick time, continuing education, days off, formational and spiritual growth leave, and connectional responsibilities should be established at the time of the appointment and reviewed annually as part of the annual pastor evaluation with the charge's Committee on Staff/Pastor-Parish Relations (SPRC).

All clergy shall have at least, but not limited to, the equivalent of four weeks (based on estimated weekly workdays), plus two days. These days may be taken individually. This shall include a maximum of four Sundays. The following table shows minimum paid vacation days by nature of appointment.

MINIMUM VACATION STANDARDS**

Appointment Level	Estimated Weekly Workdays	Total Vacation Days including 4 Sundays
Full Time Appointment	6	26 (6 x 4 = 24) + 2
¾ Time	4.5	20 (4.5 x 4 = 18) + 2
½ Time	3	14 (3 x 4 = 12) + 2
¼ Time	1.5	8 (1.5 x 4 = 6) + 2

**Clergy do not need to take a vacation day for regularly scheduled weekly day(s) off

Vacation shall be granted on the annual conference year (July 1 through June 30). In order to establish proper healthy boundaries, pastors and other clergy persons under appointment are expected and encouraged to take all vacation days annually. Vacation is not cumulative and cannot be carried over to the succeeding year. It is expected that the pastor will make arrangements in advance with the SPRC and consult with them in obtaining vacation supply coverage. Vacation leave for appointment beyond the local church (deacons) or extension ministry (elders and local pastors) is determined by that employer.

b. Continuing Education and Spiritual Growth

In accordance with *The Book of Discipline* ¶350.2, clergy members continuing education and spiritual growth program shall include professional formation leaves at least one week each year and may include at least one month during one year of every quadrennium. Such leaves shall not be considered vacation time and should be coordinated through your SPRC committee. More extended time for renewal leave is a healthy part of the rhythms of vocational ministry. In accordance with *The Book of Discipline* ¶350.3, clergy members who have held full-time appointment for at least six years may request a formational and spiritual growth leave of up to six months while continuing to hold an appointment in the local church.

c. Sabbath and Weekly Day Off

It is important for clergy to have regular time away each week. Clergy members are strongly encouraged to establish a schedule that includes at least one day of Sabbath and one day away from ministerial responsibilities each week. Experiencing and modeling the rhythm of weekly Sabbath rest is vital to the work of vocational ministry. This day is included as a part of the six-day workweek for full time appointment in the chart above. Such days should be communicated so that congregation and staff will know when such days are to occur, so as to allow a time of refreshment. These are not vacation days.

d. Connectional and Community Responsibilities

All clergy are expected to attend all sessions of the Annual Conference. In addition, clergy may have other connectional responsibilities. Time spent on these responsibilities shall not be counted as vacation or as continuing education. Clergy will inform the SPRC of time needed for these responsibilities.

Clergy are also often involved in various community groups. Such involvement provides an opportunity to build a bridge between the community and the church. These involvements shall not be considered vacation or continuing education. Clergy are encouraged to use good judgement in determining the commitment accepted beyond the primary appointment. Consultation with the SPRC should take place before accepting such responsibilities.

When the main motion has been perfected, the chair shall proceed to perfect the substitute. When the substitute has been perfected, the chair shall call for a vote on the substitute. - a. When a recommendation is under consideration, it shall be the duty of the chair to ascertain, when recognizing a member of the conference, on which side the member proposes to speak; the chair shall not assign the floor to any member proposing to speak on the same side of the pending question as the speaker immediately preceding if any member desires to speak on the other side thereof.
- b. Except for undebatable motions (Rule 2), no recommendation shall be adopted or question relating to the same decided without opportunity having been given for at least two speeches for and two against the same recommendation. After three speeches for and three against and provided no secondary motions come before the floor, the question shall be put automatically.

13. LIMITATIONS ON DEBATE

No member shall speak more than once on the same question until all who desire to speak have spoken. Speeches shall be no more than two minutes without leave of the conference. When any member moves the previous question (that is, that the vote be now taken on the motion or motions pending) the member shall indicate to what it is intended to apply if any secondary motion or motions are pending. If the member does not so indicate, the chair may regard it as applying only to the immediate pending question. A motion to reconsider an action of the conference shall be in order any time if offered by a member who voted on the prevailing side. If the motion it is proposed to reconsider is nondebatable, the motion to reconsider may not be debated.

She is survived by daughter, Youlanda (Kevin) Davidson; grandsons, Kendall and Miles Davidson; sisters, Ossie Henderson, Dorothy (Allen) Beal, Ruby (Richard) Grant; stepsister, Romie Langford; stepbrothers, Gregory Vaughn and Donald Beauregard; special adopted daughter and friend, Cheryl Taylor; a host of nieces, nephews, cousins, and friends.

Lorene was a graduate of Portsmouth High School in Portsmouth, Ohio. She attended Portsmouth Interstate Business College where she earned a Secretarial and Clerical Assistant Certificate. She also attended Sinclair College in Dayton, Ohio, where she earned an associate degree as a Radiology Technician. She worked at the Dayton Veteran's Hospital in the Radiology Department for many years until she retired.

At an early age, Lorene joined Beulah Baptist Church in Portsmouth where she sang in the choir. Her passion for music, hymns, anthems, and spirituals allowed her to use her gift of a lovely soprano voice. She was a member of the Gospel Music Workshop of America, attending annually and working as Office Administrator of the Academic Division. Lorene's passion for singing developed in grade school and high school, when she and her sisters and a friend had a gospel singing group called The Four Mourning Doves, performing at various community events.

Lorene married Robert Mitchel Simmons on November 28, 1985, and became First Lady of Centenary United Methodist Church in Columbus, where her husband was pastor. Lorene and Robert were soul mates and best friends who enjoyed traveling the country together teaching about gospel music. They served Shawnee-Parkland in Kentucky and Dayton First and Centenary in Columbus in The West Ohio Conference of The United Methodist Church. Robert took disability leave in September of 2000. He died later that year, on December 30.

Lorene was beloved at Centenary and very active there, especially dedicated to their music ministry. She planned programs presenting national artists and musicians from around the country. She worked with the United Methodist Women and gave spiritual support to all.

Lorene was always industrious with a heart for serving. She was generous with her time, resources, and effort to her family and many others. After a trip to New Jersey to visit Aunt Alcie and working in her garden, Lorene also became an avid vegetable gardener. She was an amazing cook who was known to host Sunday dinners featuring her famous recipes: macaroni & cheese, smothered pork chops, apple cobbler, and sweet potato pie.

The service was on April 28, 2023, at Centenary United Methodist Church in Columbus, followed by a graveside service and committal at Woodland Cemetery and Arboretum.

XIV HISTORICAL STATEMENT

The hardy pioneer itinerants who blazed their way through the uncharted Indian wilderness were people of giant hearts, stalwart frames and steadfast convictions. Surely these faithful pioneers, always ready for any hardship and toil the Church and its elders might demand, would be most happy that the Church militant has achieved such a historical time line as is evidenced in the continued health and aspirations of this, the oldest original Conference in the Northwest Territory.

The east and west borders of the Western Conference were that portion of Ohio bordering the Ohio River on the east to the "shores of the setting sun" on the west. At the annual meeting of the Western Conference in Cincinnati on October 1, 1811, both Bishop Frances Asbury and Bishop William McKendree were in attendance. At that time it was decided that, if the General Conference voted to divide the Western Conference, the "lower conference" would next meet at Fountain Head, Tennessee, and the "upper conference" – to be called the Ohio Conference – would be held in Chillicothe, Ohio, on October 1, 1812.

Our present West Ohio Conference, therefore, reflects the unions of the former Cincinnati (1913), Central Ohio (1913), old West Ohio (1927), part of the former Central German (1936), and part of the Lexington (1964), Conferences of the Methodist Episcopal Church, the Ohio (1939) and the Muskingum (1918) Conferences of the Methodist Protestant Church, and the Ohio Miami (1968), Ohio Sandusky (1968), and Ohio Southeast (1968) Conference of the Evangelical United Brethren Church.

On June 10, 1970, a Special Session of Six Annual Conferences of The United Methodist Church, within the Ohio West and Ohio East areas, was held in Veterans' Memorial Auditorium, Columbus, Ohio, for the purpose of uniting the six conferences into two. The former Ohio Methodist, Ohio Sandusky Evangelical United Brethren, Ohio Miami Evangelical United Brethren, and Ohio Southeast Evangelical United Brethren Conferences were united to become the West Ohio Conference of The United Methodist Church. The former North East Ohio Methodist, the East Ohio Evangelical United Brethren and a designated number of churches in the former Ohio Sandusky and Ohio Southeast Conferences were united to become The East Ohio Conference of The United Methodist Church.

West Ohio, State of Ohio: counties of Adams, Allen, Athens, Auglaize, Brown, Butler, Champaign, Clark Clermont, Clinton, Darke, Defiance, Fairfield, Fayette, Franklin, Fulton, Gallia, Greene, Hamilton, Hancock, Hardin, Henry, Highland, Hocking, Jackson, Lawrence, Licking (excluding the towns of Homer and Utica), Logan, Lucas, Madison, Meigs, Mercer, Miami, Montgomery, Paulding, Perry, Pickaway, Pike, Preble, Putnam, Ross, Scioto, Shelby, Union, Van Wert, Vinton, Warren, Williams, and Wood; west of the Muskingum River in the counties of Morgan, Muskingum (including the city of Zanesville), and Washington (including the city of Marietta); west of Route 23, north of Route 37, and west of Route 71, south of Route 37 in Delaware County and west of Sandusky Street (excluding Asbury United Methodist Church) in the city of Delaware; west of Route 23 in the counties of Marion and Wyandot (including the city of Upper Sandusky); west of the 83rd longitude in Ottawa County; and west of the Sandusky River through the counties of Sandusky (including the city of Fremont) and Seneca.

This is the 226th year of organized Methodism in Ohio. It also marks the 212th Conference Session within the territory covered by the West and East Ohio Conferences.

JUST MISSION LEAD TEAM

The Just Mission Lead Team, as part of Transformative Discipleship, is charged with visioning, overseeing, and governing the work of ministries related to mission and justice within the West Ohio Conference. Below is a summary of those endeavors for 2022.

All In Community

The All In Community (AIC) initiative addresses the WOC vision for a world of justice, love, and peace filled with people healed from crime and incarceration growing in the likeness of Jesus Christ. Through its collective efforts, AIC works to build transformative relationships with justice-involved citizens by equipping our clergy and laity with relational and tangible resources and educational opportunities to increase awareness, competency, and capacity to walk with their justice-involved members and neighbors.

In 2022, AIC initiatives and training opportunities were supported by West Ohio's three AIC contractors for Training & Ministries, Community Engagement, and Development, working with Connectional Ministries and the Office of Ministry conference staff. Additionally, 40 AIC initiative volunteer leaders and 60 community partners served in ministry to educate, guide, steward, and inspire AIC's restorative justice efforts and impact.

Volunteers in Mission (VIM)

The Volunteers in Mission program is about being in relationship, both within the mission team and with those you meet while in mission. A first-time volunteer at the House of Hope with Manos Juntas in Mexico said, "I am in awe of the unique opportunity afforded to me to go into the orphanage to serve and to experience firsthand how effectively and lovingly a few people take care of the children every single day."

In 2022, West Ohio:

These mutually generative partnerships provide resources to and from West Ohio through missionary itineration, Volunteers in Mission teams, project support, and relationship-building. Peace with Justice

A Peace with Justice grant of \$5,000 was given to support the re-opening of the West Ohio Immigration Legal Clinic at Middletown First UMC. The Immigration Legal Clinic will offer a consultation as to what legal immigration options the person has or does not have. For those who have legal options, the Clinic will then arrange to assist them or try to find representation.

In 2022, United Methodist churches across West Ohio supported the following CDF Freedom Schools:

- New Zion Charge, Licking County
- Lima Trinity United Methodist
- Monroe Street UMC, Toledo
- Covenant UMC, Springfield
- Community Development for All People, Columbus
- Asbury North UMC, Columbus
- Montfort Heights UMC

LEADERSHIP DEVELOPMENT LEAD TEAM

The Leadership Development Lead Team, as part of Transformative Discipleship, is charged with visioning, overseeing, and governing the work of ministries related to leadership development within the West Ohio Conference. Below is a summary of those endeavors for 2022.

Laity Discernment Retreats

In 2022, the virtual Laity Discernment Retreats had 14 participants over three sessions: February 8, 15, and March 29. In the six weeks between sessions, participants took time to read, pray, worship, journal, and listen to what God might have to say into this time of discernment. "All of this was powerful and allowed open space for people to take time to ponder," said leader Kim LaRue.

“We were so impressed with the work each of the participants did in the time in between and how they were able to identify next steps. Very amazing.”

Campus Ministry Grants

A total of \$69,600 was awarded across seven Campus Ministries in West Ohio. This team also approved shifting the way in which these funds were dispersed beginning in 2023, utilizing a shared vision of the next generation engagement team and the office of Fresh Starts and New Beginnings.

Safe Sanctuaries

An overview of Safe Sanctuaries recommended practices and procedures was included in clergy boundaries training in 2022. All local churches should review and update Safe Sanctuaries policies yearly. It is recommended that all local policies include: an introduction, statement of covenant, definitions, and recommended procedures for screening, supervision, responding, and reporting, liability insurance, and policy review.

CAMPS & RETREATS

Per Annual Conference action, a Camps and Retreats Lead Team was formed in June of 2022. This team created the vision and values of the camping and retreat ministries. They also developed new policies for user groups and strategies for implementing safe and engaging programming in 2023.

COVID-19 and the aftereffects have continued to haunt the camping and retreat ministry. User group usage did not return to pre-pandemic numbers and a shortage of personnel made providing summer camping experiences difficult.

A grant for \$10,000 from GBGM was submitted and awarded to implement programming to bridge the gap between the local church and camps, especially those in urban areas. This helped launch a pilot program that reached 325 young people, partnering with historically black colleges and churches in the Dayton, Ohio area.

Staff welcomed 535 summer campers and 1,700 guests throughout the year. They also engaged with 500 additional campers and family members through outreach events. In addition, 50 high school and college students chose to gain leadership skills by working at camp during the summer. With a focus on diversity, 30% of summer staff classified themselves as not being of Anglo-decent.

SCHOOLS OF THEOLOGY

AFRICA UNIVERSITY

United Methodists worldwide celebrated an ‘Ebenezer’ moment in the ministry of Africa University in 2022, marking 30 years of faithfulness, generosity, growth, and impact within and beyond The United Methodist Church.

God’s presence in the life of Africa University is evident, thanks to the prayers and generous support of the West Ohio Conference. Thank you to Bishop Gregory Palmer, conference leaders, and member congregations for being attentive to the needs of Africa University’s ministry and giving sacrificially to ensure its continuing vitality. The West Ohio Conference graciously invested 100 percent of its share of general church giving to support the day-to-day operations of Africa University. At 83.7 percent overall in 2022, giving to the Africa University Fund (AUF) remained resilient in all five jurisdictions in the United States.

Supported by strong missional engagement and investment by West Ohio United Methodists and church members across the denomination, Africa University embraced new opportunities as it emerged from pandemic-related restrictions in 2022.

- **Enrollment:** Africa University achieved a total enrollment at 2,791 students in August 2022. Female students comprised 58 percent of the student population and 23 African nations were represented.
- **Academic Growth:** Africa University launched its first new academic unit in almost twenty years—The School of Law—with a pioneer cohort of 20 students pursuing the Bachelor of Laws (Honors) (LL.B.) degree program. The institution is launching five new undergraduate and graduate programs approved by the Zimbabwe Council for Higher Education (ZIMCHE), the national accreditation and quality assurance agency.
- **Infrastructure expansion:** A new residence hall for female students at Africa University is under construction, funded by the East Ohio Conference’s \$1.5 million *Teach * Reach * Bless* campaign. Once completed, the building will boost the available on campus housing for students to around 1200 beds.
- **Outcomes:** 712 graduates from 18 African countries became Africa University alumni in June 2022. The university’s almost 11,000 graduates to date are making vital contributions as clergy, educators, agriculturalists, health professionals,

entrepreneurs, and innovators. Faculty and student research efforts to address endemic challenges such as malaria and tuberculosis, food insecurity and climate change are gaining continental attention and significant international funding.

Africa University's year-long 30th anniversary program culminated in October 2022 with a gathering of more than 3,000 people at its main campus in Mutare, Zimbabwe. Amidst the commemoration and joyful thanksgiving livestreamed to the world, the Rev. Dr. Peter Mageto was formally installed as the fifth vice chancellor (president) of the institution.

Mageto, a Kenyan and academician specializing in theological ethics, echoed the gratitude of the students, faculty, staff, trustees, and alumni of Africa University for the incalculable sum of answered prayers that are the Africa University story. His inaugural address highlighted the optimism and commitment to purpose that are the foundation of the university's unfolding vision.

"Today, Africa University turns thirty. The number 30 is a blessed figure. Thirty was the age of our Lord Jesus Christ when he commenced his ministry here on earth. It gives us great faith to be walking resolutely towards the fourth decade," Mageto said.

Thank you, West Ohio Conference, for nurturing change leaders and building an enduring legacy through the ministry of Africa University. Let us continue to journey together—learning, leading, and serving God, all the time, everywhere.

CANDLER SCHOOL OF THEOLOGY

Since 1914, **Candler School of Theology at Emory University** has educated faithful and creative leaders for the church's ministries throughout the world. An official seminary of The United Methodist Church, Candler holds true to the Methodist value of ecumenical openness, enthusiastically welcoming students from more than 42 denominations, with nearly half of Master of Divinity students coming from the Wesleyan tradition, including United Methodist, African Methodist Episcopal, African Methodist Episcopal Zion, Christian Methodist Episcopal, Wesleyan, Free Methodist, Church of the Nazarene, and others. Our student body reflects the diversity and breadth of the Christian faithful, with an enrollment of 417 from 16 countries and 33 states, and 43% persons of color. This diversity is a blessing, enriching our life together and providing a "learning laboratory" for ministry in the 21st century—ministry that cultivates community across difference, welcomes all to contribute and belong, and embodies Christ's love in and among us.

Candler offers six single degrees and ten dual degrees, most of which are available in hybrid or online formats so students can remain rooted in their home communities as they pursue their degrees. Our new hybrid Master of Divinity blending online classes and in-person intensives launches in Fall 2023, and our successful Doctor of Ministry—with its high 87% completion rate—is 90% online. Hybrid and online options are also available in the Master of Religious Leadership and the Master of Religion and Public Life programs. Plus, Candler's Teaching Parish program allows student pastors to earn contextual education credit as they serve their churches. We are excited that these flexible learning formats make a first-rate Candler education possible for even more people who are called to ministry.

Alleviating student debt through generous financial aid is a top priority for Candler. In 2021-2022, we awarded \$7.3 million in scholarship support, with 100% of MDiv students receiving aid. All MDiv students who are certified candidates for ordained ministry in the UMC receive full-tuition scholarships, and all MDiv, MTS, MRL, and ThM students receive a scholarship covering at least 50% of tuition. MDiv students also complete a financial literacy program to strengthen their financial and budgeting skills and reduce debt.

Candler was recently honored as one of 16 theological schools to receive a "Pathways to Tomorrow" grant from Lilly Endowment Inc. The \$5 million grant will support Candler in establishing a set of initiatives to create an interconnected continuum of offerings for the education of pastoral leaders. This will position Candler as a hub of theological learning with multiple entry points, including The Candler Foundry, our innovative program to make theological education accessible to the public, the United Methodist Course of Study, undergraduate classes, and a new venture, La Mesa Academy for Theological Studies. Set to launch in Fall 2023, La Mesa Academy will offer diplomas in pastoral leadership via a two-year hybrid program with courses in Spanish and English. An optional third year of study will be offered to those aspiring to continue to a graduate professional degree at Candler.

This year, we welcomed the Rev. Dr. Brett Opalinski as Assistant Dean of Methodist Studies, a position made available by the retirement of the Rev. Dr. Anne Burkholder. Brett is an elder in full connection in the Florida Annual Conference and most recently served for nine years as senior pastor of Christ Church United Methodist in Ft. Lauderdale. In addition to other pastoral appointments, he has held a variety of leadership roles in the Florida Conference, including chair of the Board of Ordained Ministry. He is deeply committed to working with students in discerning their call, spiritual formation, and guiding them through the commissioning and ordination process.

Candler's ability to fulfill our mission to provide the church with the faithful and creative leaders it needs depends upon your prayers,

partnership, and support. Thank you for the countless ways you advance this essential ministry in the life of our denomination. We invite you to visit us online at candler.emory.edu.

DUKE DIVINITY SCHOOL

Duke Divinity School has continued in its commitment to form ministers of the gospel who will seek God's justice and mercy. Our faculty have been leaders in the Duke Climate Initiative participating with colleagues from the Nicholas School for the Environment in the event "Pastoral Care for Climate Change: Weaving Together Science and Theology for Justice," at the Duke University Marine Lab. Divinity faculty have also co-taught a university course titled "Let's Talk about Climate Change," and welcomed 30 young faith leaders from various religious traditions to understand better how to engage their faith communities in the fight for our climate.

The Office of Black Church Studies, commemorating its 50th anniversary year, hosted "Justice Ministry Reimagined: Reentry Simulation" for pastors, students, and lay leaders to learn more about how to support people reentering the community after incarceration. We launched the Prison Engagement Initiative with the Kenan Institute for Ethics. Divinity faculty taught a "Trauma Engaged Duke" seminar and led the team Developing Best Practices for Trauma-Informed Teaching and Learning. These programs and events complement the ongoing work of field education and ministerial formation that puts our students in contexts ranging from rural churches to hospital chaplaincy to farm ministry, and more.

We welcomed 226 entering students from 35 different states and eight other countries. The Master of Divinity program gained 88 residential students and 42 in the hybrid program. The Master of Arts in Christian Practice enrolled 13 new students; the Doctor of Ministry, 28; Master of Theology, six; Master of Theological Studies, 22; the Doctor of Theology welcomed six residential. The Certificate in Theology and Health Care welcomed four residential students and 16 in the hybrid program. Across all degree programs, 30 percent of the incoming class identified as a race or ethnicity other than white. Fifty-seven percent of students in the incoming class are female.

DDS continued to build on its rich tradition of ecumenical engagement, with Dean Colón-Emeric participating in the Methodist-Roman Catholic International Commission Dialogue meeting with Pope Francis at the Vatican. Student Eliza Love, M.Div.'23, was awarded the \$10,000 Bossey Institute scholarship from the United Methodist Church Council of Bishops to attend the World Council of Church Ecumenical Institute.

Three new associate deans have accepted appointments: Daniel Castelo as associate dean for Academic Formation; Jung Choi as associate dean for Global and Intercultural Formation; and Sangwoo Kim as associate dean for Vocational Formation. Linda Coley has also joined as the executive director for the Ormond Center.

Several new programs demonstrate Duke's sustained commitment to connecting with churches and ministers. The Ormond Center launched the Community Craft Collaborative to create resources for equipping lay and congregational leaders. The Certificate in Conflict Transformation and Reconciliation, facilitated by leading scholars and practitioners in the fields of conflict transformation and reconciliation, provides a learning opportunity for pastors and other church leaders seeking theological and practical skills to foster reconciliation in their congregations and surrounding communities. We celebrate the expansion of our connection to UMC colleges through a partnership with Wesleyan College in Macon, Ga., to enable qualified undergraduates to take courses through the Duke Accelerated Pastoral Formation Program.

Convocation & Pastors' School returned to an in-person format for the first time since 2019 with the theme, *Creativity & Courage: From Trauma to Tough Hope*. Professional dancers, visual artists, musicians, and scholars guided participants in facing brokenness and sin honestly, as they offered glimpses of "the beauty of holiness." Associate Professor of Christian History, Kate Bowler kicked off the event with a live taping of her *Everything Happens* podcast with over 1000 registered participants.

Duke Divinity School continues to be grateful for our ongoing participation in The United Methodist Church and partnership with this annual conference. To learn more about Duke Divinity School, please visit our website at www.divinity.duke.edu.

Thank you for this opportunity to bring you news from MTSO.

International Institute on Theology and Disability meets at MTSO

MTSO was pleased to host the four-day international Institute on Theology and Disability in June 2022. Founded in 2010, the institute celebrates, explores and investigates the ways that disability impacts many dimensions of religious life; theology and practice mutually inform and support one another; and diverse perspectives enrich and inform theological formation and religious practice.

MTSO and WomanPreach! share \$1 million Lilly Endowment grant

Lilly Endowment Inc. has awarded MTSO a grant of \$1 million to support prophetic preaching through a partnership with WomanPreach! Inc. The grant period extends from Nov. 1, 2022, to Dec. 31, 2027. WomanPreach! was founded 12 years ago by MTSO Dean and Vice President for Academic Affairs Rev. Valerie Bridgeman, Ph.D., who serves as the organization's CEO. It provides practical training and nurturing community spaces that empower preachers across the country. Begun as a way to train women, WomanPreach! has since grown to include programming for people of all genders. Its numerous programs include the biennial Jarena Lee Preaching Academy, a week-long intensive academy that equips women of the African Diaspora to speak in their own prophetic voices; Sophie's Table: A Conversation Among Siblings, an all-genders program that amplifies voices of people of marginalized genders, women and children; and Chloe's Circle, which gathers women from diverse racial and ethnic backgrounds to sharpen preaching that reflects a commitment to justice based in God's call through Jesus.

Mount Union joins MTSO to offer 3+2 program

The University of Mount Union and MTSO have begun offering incoming college students a 3+2 program, leading to a Master of Arts in Social Justice degree in five years of study rather than the six years typically required. Students will begin the program at the University of Mount Union in Alliance, Ohio. After completing the program's requirements at Mount Union, they are eligible to begin two years of study at MTSO, where they will finish requirements for a Mount Union bachelor's degree and earn an MA in Social Justice degree from MTSO. Students in the 3+2 program are eligible for MTSO's exceptional scholarships.

UNITED THEOLOGICAL SEMINARY

Dayton, OH

United Theological Seminary celebrated rising enrollment in the 2022-2023 academic year. In the previous year, 464 students were enrolled at United; in 2022-2023, the seminary is serving 541 students, a 17% increase. A diverse community of many denominations, races, and nationalities, United welcomed students from 36 states, 21 countries, and 43 denominations, with 42% of students identifying as United Methodist.* The Seminary prepared 103 Course of Study students** and served 10 students through the Hispanic Christian Academy, a 3-year online course of ministry program for Hispanic/Latino lay pastors and leaders serving United Methodist congregations.

Houses of Study

In large part, this enrollment growth is a result of the seminary's House of Study initiative, which is supported by a \$1 million grant from Lilly Endowment Inc.'s Pathways for Tomorrow Initiative. As of 2022-2023, the Seminary has established five Houses of Study that are equipping master's students for the unique ministry needs of the communities, movements, and denominations in which they serve:

- Fresh Expressions, directed by Dr. Michael Beck;
- Full Gospel Baptist Fellowship, directed by Bishop Lisa Weah;
- Global Methodist, directed by Rev. Gregory Stover;
- Global Pentecostal, directed by Dr. Cheryl Bridges Johns;
- and Hispanic, directed by Dr. Jorge Ochoa.

The largest of these communities is the Hispanic House of Study (Casa de Estudios Hispana), which is meeting a need for Hispanic/Latino pastors and church leaders ready to pursue a Master of Divinity in their native language. Nearly 50 students from across the United States and Latin America, including students from Mexico, Cuba, Columbia, and Peru, started in the online program in the 2022-2023 academic year.

As United continues to expand its offerings to support church leaders, it is preparing to launch three new Houses of Study in the 2023-2024 academic year: a Korean House of Study, taught 100% in Korean for Korean-speaking students, led by Dr. Seok Jae Jeon; an African Methodist Episcopal Zion House of Study led by Bishop Eric Leake; and a Global Lutheran House of Study led by Dr. Richard Blue, Dr. Tom Thorstad and Dr. Dan Landin.

Doctor of Ministry

The Seminary is also seeing growth in its Doctor of Ministry program. In 2022-2023, the Doctor of Ministry program has grown to 250 students, an increase of 32% over the past five years.* Doctoral students at United are actively engaged in ministry and seeking to become more effective leaders for the Church through a Doctor of Ministry degree. Students identify a need within their congregations or communities and, with the support of a peer group, mentor, and United faculty, they develop a model of ministry to address the challenge.

Bishop Bruce Ough Innovation Center

Launched in Fall 2021, the Bishop Bruce Ough Innovation Center, directed by Rev. Sue Nilson Kibbey, is connecting with pastors, ministry leaders, and congregational members hungry to bring God's renewal to their faith communities. In the past year alone, the Innovation Center has engaged more than 1,000 participants through more than 40 live webinars, training events, and courses. The Innovation Center has also partnered with The Center for Spiritual Formation, a connectional ministry of the Susquehanna Conference of The United Methodist Church, to offer a two-year online training course for those called to the ministry of spiritual direction. In addition, the Center is partnering with two United Methodist conferences to provide its Breakthrough Prayer Initiative training for all clergy in these conferences. Through these and other new opportunities, the Innovation Center seeks to set the stage for the increased vitality of leaders and congregations everywhere.
